THAT in accordance with the provisions of Section 7(e) of the Open Meetings Act, as amended, I have determined that an in-person meeting of the Authority on December 8, 2020, the next regularly scheduled meeting of the Authority, is not practical or prudent because of the disaster declared by the Governor on November 13, 2020; and

Subject: *Message from the Executive Director*

Dear Member of the Authority:

***Annual Appointment of the Executive Director***

Since 2009, the Authority has been considering the appointment of its Executive Director each year at its December meeting. With respect to this matter, the Illinois Finance Authority Act states:

From nominations received from the Governor, the members of the Authority shall appoint an Executive Director who shall be a person knowledgeable in the areas of financial markets and instruments, to hold office for a one-year term. The Executive Director shall be the chief administrative and operational officer of the Authority and shall direct and supervise its administrative affairs and general management and perform such other duties as may be prescribed from time to time by the members and shall receive compensation fixed by the Authority. The Executive Director or any committee of members may carry out such responsibilities of the members as the members by resolution may delegate.

20 ILCS 3501/801-15

Since 2016, matters relating to the selection, evaluation and compensation of the Executive Director have been the jurisdiction of the Authority's Executive Committee.

The Members of the Authority, in Resolution No. 2016-0310-AD07, set forth the following factors and goals to be considered for evaluation of the Executive Director particularly as it relates to increased compensation in the form of bonus payments:

1. Compliance with all laws and policies;
2. Overall Authority performance relative to financial and operational condition including budget, asset quality, growth opportunities, job creation, taxpayer savings, market access, etc.;
3. Staff development, team building and training;
4. Administration objectives and initiatives; and
5. Ongoing Board objectives and directives.

Pursuant to Resolution No. 2016-0310-AD07, these factors are meant to be considered individually as well as collectively in evaluating performance and bonus potential. They are meant to be guidelines and are not the only measures that could be used.

### ***December Agenda***

COVID-19 has posed a particular challenge to higher education in general and public higher education in particular. Generally, the Authority issues bonds on behalf of not-for-profit institutions of higher education as public universities may issue bonds on their own under state law. However, the Authority has long played a catalytic role with respect to student housing and other complementary projects that are developed, owned and operated by not-for-profit borrowers on or near the campuses of Illinois public universities. In addition to the federal tax-exemption, the primary advantage of this structure is expedited project delivery. This month, the Authority is pleased to play a constructive role with respect to the conduit bond-financed projects of *The McKinley Foundation at the University of Illinois* (serving the Urbana-Champaign campus) and *CHF-Chicago, L.L.C.-University of Illinois at Chicago Project*.

In addition, the Authority will consider an amendment with respect to *SwedishAmerican Hospital* in Rockford. With respect to the Authority's developing product and market for Property Assessed Clean Energy ("PACE") financing, adding *Petros PACE Finance Titling Trust* as a qualified capital provider is under consideration as well.

Finally, the Authority will consider the resolution of intent requesting an *Initial Allocation of Private Activity Volume Cap* from the Governor's Office of Management and Budget ("GOMB"). Volume Cap is a federal economic resource, created by the federal tax law, that is necessary to support a federally tax-exempt conduit bond issued on behalf of projects owned and operated, for example by an individual (*e.g.*, a Beginning Farmer Bond) or a private company (*e.g.*, an industrial revenue bond). Under federal tax law, Volume Cap is allocated by a dollar-based formula on a per capita basis to each state. In Illinois, the Volume Cap allocation is divided between the State and municipal issuers, including constitutional home-rule units of local government. The Authority, along with other issuers, must seek an allocation of Volume Cap from the GOMB through an application process.

### ***Authority Accomplishments of the Past Twelve Months***

Despite the extraordinary challenge posed by COVID-19, Calendar Year 2020 has been productive and successful for the Authority. We are proud to highlight a few of the Authority's many accomplishments:

#### ***1) Shift to Remote-Work because of COVID-19***

On March 15, 2020, the Authority moved to full "remote/work from home" operations due to the spread of the COVID-19 global pandemic. On March 20, 2020, Governor Pritzker issued Executive Order 2020-10 requiring all Illinoisans to stay in their homes to prevent the further spread of COVID-19. Numerous additional orders, directives and suggestions followed. In addition, the second half of March 2020 saw disruption in the municipal capital markets, including those sectors served by the Authority, until the federal government took decisive action.

COVID-19 and the resultant series of orders from Governor Pritzker challenged the ability of the Members of the Authority to meet in person, as had been the Authority's longstanding practice pursuant to State law. As a result of this uncertainty, along with the disruption in the municipal capital markets, the Authority cancelled its April 14, 2020 regular scheduled meeting. Ultimately, outside bond counsel

approved of remote meeting language incorporated into Governor Pritzker’s series of executive orders with respect to COVID-19. On May 12, 2020, the Authority held its first remote meeting of its Members. In June 2020, State law was clarified with respect to remote meetings as well. As of this date, the Authority has successfully held seven remote meetings of its Members, on the dates of the regularly scheduled meetings, the second Tuesday of each month. As a result, the Authority has continued to fulfill its public mission by executing and closing conduit bond transactions, generating revenue, and conducting ongoing organizational operations while Authority staff works remotely from home.

## ***2) Integration of the Senate Bill 1300 lending into Authority Operations***

Senate Bill 1300 (“SB 1300”) was enacted into law as Public Act 101-0610 with an effective date of January 1, 2020. SB 1300 creates two new investment funds: the Police Officers’ Pension Investment Fund and the Firefighters’ Pension Investment Fund (the “Funds”). Through the creation of the Funds, and the consolidation of the \$14.2 billion of associated pension assets, the downstate and suburban police and fire pension investment fund system will go from 650 investment portfolios to two. The Funds will take material steps to ensure the retirement security of Illinois local first responders by increasing investment returns in a prudent manner. In doing so, the Funds should reduce the future burden on hard-pressed Illinois property taxpayers.

The Authority plays a critical role in start-up and the consolidation of the Funds. SB 1300 authorizes the Authority to lend, and each of two funds to borrow, up to \$7.5 million in capital to be used for start-up expenses. As of this date, the Authority has loaned a combined amount of \$1,855,000 to the Funds. Given our broad statutory mandate and our tools that can have direct, material financial benefit to borrowers, the Authority is fortunate to have played a critical role with respect to projects, large and small, in the healthcare, educational, cultural, housing, water, industrial, agricultural and local government sectors. However, involvement with this effort, initiated and led by Governor Pritzker and Deputy Governor Dan Hynes, may be the single most consequential action taken by the Authority over a 12-month period since its creation in January of 2004.

The Authority’s organizational and financial capacity to play its role with respect to development and implementation of SB 1300 was made possible by two Authority decisions. First, the Authority’s intentional, lengthy and ultimately successful decisions to de-leverage its balance sheet and to prevent transferring legacy financial obligations to hard-pressed Illinois taxpayers provided the Authority with the necessary financial resources. Second, the Authority’s decision to expand and enhance its staff capacity through the ***Transformation Initiative*** that resulted in the Authority having the necessary skills available to support the Governor’s effort to support and implement the goals of SB 1300. The ultimate success of the Funds will become clear over the coming months as the transfer from interim to permanent governance contemplated by SB 1300 takes effect. The probability of the Funds’ success is increased by the reasonable, auditable, prudent and transparent source of debt financing made possible by the Authority to the Funds under SB 1300.

## ***3) Launch of the Climate Process of the Transformation Initiative***

At the February 11, 2020 Authority meeting, we inaugurated the Sustainable Financing/Addressing Climate Change process (“Climate Process”) within the Transformation Initiative. The Climate Process follows the direction of the Governor’s Executive Order No. 2019-06 on climate change as well as builds upon the Authority’s success with respect to the State of Illinois Clean Water Initiative Revolving Fund Revenue Bonds, Series 2019 Green Bonds and Property Assessed Clean Energy (“PACE”) taxable conduit debt financing. The Climate Process recognizes the importance of the view described in the

January 2020 Letter to CEOs by Larry Fink, the CEO of Blackrock which manages nearly \$7 trillion in assets: “we are on the edge of a fundamental reshaping of finance” [due to climate change] . . . in the near future – and sooner than most anticipate – there will be a significant reallocation of capital.” Events since January 2020 have only strengthened the persuasive power of Mr. Fink’s words.

**4) *Trends and Potential with respect to the Authority’s Core Product, Federally Tax-Exempt Conduit Bonds***

- a. The move by the US Congress to eliminate federally tax-exempt conduit bonds (“Conduit Bonds”) in late 2017 took the Authority and the entire industry by surprise. Yet, even before late 2017, negative trends with respect to economic value, utility and potential customer base were present with respect to Conduit Bonds. The present, enduring low-interest rate environment has reduced the spread between taxable and tax-exempt interest rates thus reducing the size of the potential economic benefit to both qualifying borrowers and bond holders. This situation shows no signs of changing.
- b. Non-Profit Healthcare. This sector has traditionally been the largest generator of bond issuance volume, revenue and public impact for the Authority. However, the longstanding trend towards greater consolidation of non-profit healthcare borrowers into larger organizations impacts the Authority in two ways. First, consolidation reduces the number of potential borrowers. Second, the larger the organization, particularly once the organization has material footprints in multiple states, the greater choice the borrower will have with respect to public issuers of its Conduit Bonds.
- c. Industrial Revenue Bonds. This tool has not been updated by the US Congress since the early 1980s. The prospects for such an update are not promising despite the positive potential impact on manufacturing employment. Industrial Revenue Bonds have not been a significant portion of the Authority’s revenue and impact picture since 2007.
- d. Non-Profit Higher Education. Traditionally this sector had been the second largest generator of bond issuance volume, revenue and public impact for the Authority. Even before COVID-19, this sector’s business model had been under threat from rising prices, a declining number of potential students and a drastic drop in the number of foreign students due to federal policies of the past four years. COVID-19 has further undermined this sector’s longstanding business model and its need for debt to finance capital improvements – including student housing. Non-profit student housing for public universities had been of increasing importance to the Authority before COVID-19.
- e. Senior Living (market and low/moderate income)/Student Housing. COVID-19 poses a material threat to any type of congregate living project, including senior living and student housing.
- f. Exempt Facilities Revenue Bonds (e.g., Solid Waste Disposal Bonds, Private Water Utility Bonds, Gas Supply Revenue Bonds, US DOT Bonds): Although issuance activity has been sporadic since 2008 and reflective of the compressed taxable/tax-exempt interest rate spreads, these financings (and refundings) have generated substantial fee revenues when issued.
- g. Potential for Restored/Expanded Conduit Bond Tools. It is too early to tell the prospects for federal stimulus involving restored/expanded Conduit Bond Tools. Despite the time-limitations, the Authority was able to have significant impact as a delivery mechanism for certain expanded Conduit Bond Tools during the federal stimulus of 2009. This also had a positive impact on Authority revenues.

Finally, please stay safe and healthy. We deeply appreciate your volunteer public service on behalf of the people of Illinois.

Respectfully,

**IFA PROGRAM AND CONTRIBUTION**

501(c)(3) Bonds are municipal bonds authorized under the Internal Revenue Code that enable 501(c)(3) corporations to finance capital projects furthering support of their mission. The IFA's issuance of these Bonds will convey federal tax-exempt status on interest paid to bondholders, thereby enabling bondholders to accept a below market interest rate that is passed through to the borrower.

**VOLUME CAP**

501(c)(3) Revenue Bonds do not require Volume Cap.

**BUSINESS SUMMARY**

**Description:** The McKinley Foundation at the University of Illinois (the "Foundation" or the "Borrower") was established in 1924 and is incorporated under State of Illinois law. The Borrower is a 501(c)(3) not-for-profit corporation exempt from federal income taxes under the Internal Revenue Code.

The Foundation's Board of Directors is composed of six to fourteen directors, in addition to ex officio directors, including at least two student directors and at least two but no more than six nonstudent directors who are members of McKinley Memorial Presbyterian Church (the "Church"). The remaining nonstudent directors are community members (see Economic Disclosure Statement on pp. 5-6).

**Affiliation:** McKinley Memorial Presbyterian Church

**Background:** The Foundation is located on the campus of the University of Illinois at Urbana-Champaign (the "University") and has the objective of extending the ministry of McKinley Memorial Presbyterian Church to University students and staff. McKinley is the first such foundation created for campus ministry at any public university in the United States, and the Foundation furthers its mission through privatized student housing.

Construction of the Foundation's first facility began in October 1929 and was funded through a challenge grant from U.S. Senator William McKinley, whose father was a Presbyterian pastor. Senator McKinley also helped establish a sizable endowment to sustain the work of the Foundation. This first facility provided housing for male students, while female students were housed in a nearby farmhouse bequeathed to it by Livia Ball. The women's residence, called "Presby House," was later relocated to a former fraternity house adjacent to the Church. For

nearly eighty years, the staff and congregation of Church have continued to minister to the University community.

In 2007, the Foundation redeveloped its property and constructed “Presby Hall,” which was funded in part by proceeds of the Authority’s Variable Rate Demand Revenue Bonds (The McKinley Foundation Project), Series 2007A (the “IFA Series 2007 Bonds”), to offer five times its previous student housing capacity and staff a range of programs and support services consistent with its mission.

**Presby Hall:** Since its opening in Fall 2008, Presby Hall has been certified by the University and designated as Private Certified Housing. Presby Hall offers students a 7-story, mixed-use residential facility with 262 student beds (256 units when excluding non-rentable units), an 82-car parking structure, 1,500 square feet of retail space and 9,500 square feet of meeting and other gathering space for students and Foundation activities. Still one of the newest housing facilities on campus, Presby Hall provides the following range of amenities:

- Weekly Housekeeping
- On-site Dining Hall
- Student Lounge with Free WiFi
- Game Room
- Fitness Center
- Beautiful Courtyard
- Garage Parking
- On-site Storage Lockers
- Movie Screening Room with Surround Sound
- Central Air & Heat

Presby Hall provides 48 suite-style units designed to provide the best living environment available to University students. Comprised of a living room, kitchen, two bathrooms, and either five or six-bed suites, the suite layouts provide a combination of social and private areas. The average unit size is 1,411 square feet and each fully furnished suite includes a kitchen with dishwasher, microwave, stove/oven and full-size refrigerator, private balcony, in-suite washer and dryer, free high speed internet and cable television.

Presby Hall was the first “green” student housing on the University campus built according to the LEED (Leadership in Energy and Environmental Design) Gold standard. It includes a ground source geothermal heating and cooling system, which allows Presby Hall to operate more efficiently, and the dining hall is powered by 64 solar panels on McKinley Building’s rooftop. Residents benefit from the supportive environment provided at Presby Hall through the support of the Foundation.

**Presby Hall Management:** While Presby Hall is currently managed by a third-party, Ramshaw Real Estate, it is the intention of the Foundation to terminate the management agreement concurrently with the issuance of the IFA Series 2021 Bonds and effectively bring the management of the facility in-house. Presby Hall will be managed and staffed with a General Manager and Director of Maintenance who have been with Presby Hall since it opened in 2008, an on-site resident director and six resident advisors.

**Rationale:** The proposed tax-exempt and taxable bond issue will reduce monthly payments that (together with other funds available to the Borrower) will assist in helping the Foundation keep its fixed charges (including debt service payments) and financing fees as low as possible. Issuance of the contemplated IFA Series 2021 Bonds will allow the Foundation to refund the IFA Series 2007 Bonds and eliminate future payments of escalating fees in connection with its KeyBank, N.A. Letter of Credit.

The IFA Series 2021 Bonds will be structured with a 3-year principal deferral to better align Foundation cash flows, which have been negatively impacted by COVID-19, with the new debt service payments by providing the Foundation with approximately 36 months for its occupancy rates to re-stabilize. Moreover, the contemplated refunding will extend the Borrower’s amortization of its existing indebtedness by approximately 16 years as the IFA Series 2007 Bonds were otherwise scheduled to mature on November 1, 2039.

Proceeds of the IFA Series 2021 Bonds will also support Presby Hall's ongoing maintenance needs, thus preserving the Foundation's cash during the COVID-19 pandemic. Construction and installation of the various improvements is anticipated to be completed by July 2021.

Finally, issuance of the IFA Series 2021B Bonds will fund the termination of the KeyBank, N.A. interest rate swap agreement that was executed contemporaneously with the issuance of the IFA Series 2007 Bonds. The resulting fixed rate interest payments payable to KeyBank, N.A. have been a growing liability for the Foundation since its execution in October 2007 as interest rates fell sharply due to the 2008 economic recession and have remained low thereafter. Bond proceeds used to terminate the 2007 interest rate swap agreement will be financed on a taxable basis as such use is ineligible under federal tax laws for tax-exempt financing.

**WHEREAS**, the Illinois Finance Authority (the “Authority”) has been created by, and exists under, the Illinois Finance Authority Act, as amended (20 ILCS 3501/801-1 *et seq.*) (the “Act”);

**WHEREAS**, pursuant to the PACE Act, governmental units (as defined in the PACE Act) may create a property assessed clean energy program (a “PACE Program”) within their respective jurisdictional boundaries known as a “PACE area” (as defined in the PACE Act, each a “PACE Area” hereunder), and may further delegate the administration of such PACE Program to a program administrator (a “Program Administrator”);

**WHEREAS**, pursuant to the PACE Act, a “record owner” (as defined in the PACE Act, and a “Record Owner” hereunder) of “property” (as defined in the PACE Act) within a PACE Area may apply to a governmental unit or its Program Administrator for funding to finance or refinance certain “energy projects” (as defined in the PACE Act, and “PACE Projects” as defined in the Act, which are hereafter defined as “Energy Projects”) and that the governmental unit may impose an assessment under a PACE Program pursuant to the terms of the recorded assessment contract (“Assessment Contract”) with the Record Owner of the property to be assessed;

**WHEREAS**, the Authority is authorized under the PACE Act to issue property assessed clean energy revenue bonds (“PACE Bonds”) or provide a warehouse fund, in each case to provide liquidity for the financing or refinancing of certain Energy Projects for Record Owners that have complied with the requirements of the PACE Act and the rules and guidelines of a PACE Program administered on behalf of or at the discretion of a governmental unit by a Program Administrator;

**WHEREAS**, such PACE Bonds shall be issued pursuant to a Master Indenture (a “Master Indenture”) among the Authority, the applicable Program Administrator and a bank or other financial institution selected by the Capital Provider or the applicable Program Administrator to serve as bond trustee (a “Bond Trustee”), setting out the parameters, terms and conditions pursuant to which a series of PACE Bonds may be issued pursuant to an Issuance Certificate (an “Issuance Certificate”) among the Authority, the applicable Program Administrator, the Bond Trustee and the Capital Provider as Initial Purchaser (or its Designated Transferee as defined in the applicable Issuance Certificate); and

**WHEREAS**, PACE Bonds shall be secured by certain related Assessment Contracts assigned to the Authority by the applicable governmental unit (acting at the direction of the applicable Program Administrator and the Capital Provider) pursuant to an Assignment Agreement (an “Assignment Agreement” and together with the Master Indenture and Issuance Certificate, the “PACE Bond Documents”), executed by the Authority and the applicable governmental unit.

**NOW, THEREFORE, BE IT RESOLVED** by the Members of the Illinois Finance Authority as follows:

**Section 1. Bonds.** In order to obtain the funds to loan to certain Record Owners party to Assessment Contracts to be used for the purposes of financing or refinancing Energy Projects, the Authority hereby authorizes the issuance of PACE Bonds subject to the terms and conditions set forth in a Master Indenture and a related Issuance Certificate in substantially the form attached to such Master Indenture, along with the execution and delivery of Master Indentures and related Issuance Certificates in substantially the forms previously provided to and on file with the Authority, and with such changes as are permitted by Section 2 hereof. PACE Bonds shall be issued, executed and delivered under and secured by applicable Assessment Contracts (“Assigned Contracts”) assigned to the Authority pursuant to one or more Assignment Agreements, and shall have the terms and provisions set forth in the Master Indenture and an applicable Issuance Certificate, subject to the following limitations:

- (b) the PACE Bonds for sale to the PACE Bond Purchaser may be issued in one or more series, of which any such series may be issued in two or more subseries, with such additional series or subseries designated in such manner as approved by an Authorized Officer (as defined herein) of the Authority, which approval shall be evidenced by such Authorized Officer’s execution and delivery of a Master Indenture and applicable Issuance Certificate;
- (c) no PACE Bonds for sale to the PACE Bond Purchaser shall have a maturity later than 40 years from the date of their issuance, provided the PACE Bonds may be subject to serial maturities or mandatory bond sinking fund redemption as provided in a Master Indenture and applicable Issuance Certificate;

- (g) PACE Bonds for sale to the PACE Bond Purchaser shall be issued only as fully registered bonds without coupons;

PACE Bonds for sale to the PACE Bond Purchaser issued pursuant to a Master Indenture and any applicable Issuance Certificate and the interest thereon shall never constitute a general obligation or commitment by the Authority to expend any of its funds other than (i) proceeds of the sale of such PACE Bonds, (ii) the income and revenues derived by the Authority pursuant to Assigned Contracts and other amounts available under a Master Indenture and any applicable Issuance Certificate and (iii) any money arising out of the investment or reinvestment of said proceeds, income, revenue or receipts.

The Secretary or any Assistant Secretary of the Authority is hereby authorized to attest and to affix the official seal of the Authority to any PACE Bond Document. The definitive PACE Bond Documents shall be substantially in the forms previously provided to the Members and on file with the Authority, or with such changes therein as shall be approved by the Authorized Officer of the Authority executing the same, with such execution and delivery to constitute conclusive evidence of such Authorized Officer’s approval and the Authority’s approval of any changes or revisions therein from such forms of the PACE Bond Documents and to constitute conclusive evidence of such Authorized Officer’s approval and the Authority’s approval of the terms of any PACE Bonds issued pursuant to the PACE Bond Documents and the purchase thereof.

**Section 3. Authorization and Ratification of Subsequent Acts.** The Members, officers, agents and employees of the Authority are hereby authorized and directed to do all such acts and things and to execute or accept all such documents (including, without limitation, the execution and delivery of one or more supplemental bond indentures, escrow agreements or other agreements providing for the security

and/or payment of the PACE Bonds and any additional documents that may be necessary to provide for one or more additional series or subseries of PACE Bonds) as may be necessary to carry out and comply with the provisions of these resolutions, the PACE Bond Documents, and all of the acts and doings of the Members, officers, agents and employees of the Authority which are in conformity with the intent and purposes of these resolutions and within the parameters set forth herein, whether heretofore or hereafter taken or done, shall be and are hereby authorized, ratified, confirmed and approved. **FINANCING SUMMARY**

The conduit transactions authorized by the PACE Bond Resolution will not be rated. The plan of finance contemplates that the Capital Provider, as an Accredited Investor and Qualified Institutional Buyer, will purchase the Property Assessed Clean Energy Revenue Bonds in minimum denominations of \$100,000 or more. PACE bonds will be issued pursuant to Issuance Certificates under a Master Indenture specific to the Capital Provider.

The aggregate principal amount, final maturity date, and the interest rate or rates for each energy project funded by bond proceeds shall be as set forth in the Issuance Certificates.

The Capital Provider or its designated transferee will be secured by assessment contracts which constitute liens against properties against which assessments are imposed and recorded in the office of the applicable County Recorder. The lien of the assessment contract shall run with the property until the assessment is paid in full and a satisfaction or release for the same has been recorded by the governmental unit or its program administrator and shall have the same lien priority and status as other property tax and special assessment liens as provided in the Property Tax Code.

The Capital Provider or its designated transferee shall have and possess the delegable powers and rights at law or in equity as the applicable governmental unit would have if the assessment contract had not been assigned with regard to (i) the precedence and priority of liens evidenced by the assessment contract, (ii) the accrual of interest, and (iii) the fees and expenses of collection.

Mortgage holder consent is required.

---

**PROJECT SUMMARY**

As amended, supplemented, modified or replaced, the Property Assessed Clean Energy Act states that an energy project means the acquisition, construction, installation, or modification of an alternative energy improvement, energy efficiency improvement, renewable energy improvement, or water use improvement affixed to real property (including new construction).

---

**BUSINESS SUMMARY**

Under Illinois law, an evaluation of the existing water or energy use and a modeling of expected monetary savings is required for any proposed energy efficiency improvement, renewable energy improvement, or water use improvement, unless the water use improvement is undertaken to improve water quality, before a record owner of commercial property may enter into an assessment contract with a governmental unit.

By entering into assessment contracts with governmental units, record owners expect the monetary savings to be greater than the repayment costs of certain energy projects financed or refinanced through assessments imposed upon their respective properties.

## Memorandum

To: Members of the Authority

From: Richard K. Frampton, Executive Vice President & Brad R. Fletcher, Vice President

Date: December 8, 2020

Re: Resolution authorizing the execution and delivery of a Supplemental Trust Indenture relating to Illinois Finance Authority Student Housing and Academic Facility Revenue Bonds (CHF-Chicago, L.L.C.–University of Illinois at Chicago Project) Series 2017A and Taxable Series 2017B; approving certain other related documents; and authorizing and approving certain related matters  
IFA Series 2017A-B File Number: 12411

---

### Request:

**CHF-Chicago L.L.C.**, an Alabama limited liability company (“**CHF-Chicago**”, or the “**Borrower**”), of which the **Collegiate Housing Foundation**, an Alabama not-for-profit corporation (and 501(c)(3) corporation) (“**CHF**”) based in Fairhope, Alabama is the sole member.

The Borrower is requesting approval of a Resolution (see pp. 5-7) to authorize and approve the execution and delivery of a **First Supplemental Indenture** between the **Illinois Finance Authority** (the “**Authority**” or “**IFA**”) and **Wilmington Trust, N.A.**, as the bond trustee (the “**Trustee**”).

### The next three sections of this memorandum focus on the subject request and present the following:

- i. a short background summary of the purpose of the original Series 2017 Bond issue (with detailed information on p. 2 regarding the development and financing pursuant to a 2016 University of Illinois procurement);
- ii. the impact of the proposed Resolution and First Supplemental Indenture, which are being undertaken to clarify the accounting treatment of certain revenues under the Sublease Agreement between the Borrower and the Board of Trustees of the University of Illinois; and,
- iii. the staff recommendation.

### **Background on the Original Series 2017A-B Bonds and the UIC Mixed-Use Academic Building/Student Housing Project:**

In December 2017, the Authority issued approximately \$94.71 million of Tax-Exempt Series 2017A Student Housing and Academic Facility Revenue Bonds and \$150,000 of Taxable Series 2017B Student Housing and Academic Facility Revenue Bonds, the proceeds of which were used by CHF-Chicago to finance the construction and equipping of a combined (i) 550-bed student housing facility and (ii) approximately 51,000 SF academic building, with (iii) an approximately 1,700 SF of retail space (100% of the cost of constructing the retail space was financed with University of Illinois equity) located at the NE corner of W. Harrison Street and S. Morgan Street on the campus of the University of Illinois at Chicago (the “**Project**”).

### **Impact of the Proposed First Supplemental Indenture:**

The proposed First Supplemental Indenture would authorize certain amendments to the original IFA Series 2017A-B Bonds relating to the accounting treatment of certain revenues under the Sublease Agreement dated as of December 19, 2017, between CHF-Chicago (as sublessor of the Project) and the Board of Trustees of the University of Illinois, as the sublessee of the mixed-use 2017 Project. Section 12.01(i) of the Series 2017 Trust Indenture authorizes the Authority and the Trustee, without the consent of or notice to any of the Bondholders, to enter into a “supplemental indenture” to the 2017 Indenture to cure any error, ambiguity or formal defect or omission in, or to correct or supplement any defective provision.

### **Recommendation:**

Staff recommends approval of the accompanying Resolution that will authorize the delivery and execution of documents that will effectuate the requested amendments.

**Detailed Description of the Uses of the IFA Series 2017 Bond Proceeds and Development Plan for the Project:**

Proceeds of the IFA Series 2017 Student Housing and Academic Facility Revenue Bonds were combined with other funds for the purpose of providing funds to (i) finance the cost of the acquisition, construction, furnishing and equipping of an approximate 550-bed student housing facility (the “**Series 2017 Student Housing Space**”) located on the campus of the University of Illinois at Chicago, in Chicago, Illinois, to be operated by the Borrower; (ii) finance a portion of the cost of the acquisition, construction, furnishing and equipping of an approximately 51,000 square foot academic facility (the “**Academic Space**”); (iii) finance the cost of certain site improvements financed with Bond proceeds not located on the Property (as defined in the Indenture), but located on land owned by **The Board of Trustees of the University of Illinois** (the “**Board**”) and not leased to the Borrower, to include paving for vehicular and pedestrian access to the Project, replacement of the Board’s parking facility located on the site, landscape and planting areas, and hardscape, but not including Utility Improvements (as hereinafter defined) (collectively, the “**Offsite Improvements**”) and certain underground utility infrastructure servicing the Project located on land owned by the Board and not leased to the Borrower (collectively, the “**Utility Improvements**”); (iv) fund interest on the Bonds during the period of construction of the Project and the Offsite Improvements and up to six months thereafter; (v) fund the Debt Service Reserve Fund for the Bonds; (vi) finance certain start-up costs and related working capital of the Project; and (vii) pay the costs of issuing the Bonds.

The Project is located at the NE Corner of Harrison St. and Morgan St. on the **University of Illinois at Chicago’s** main campus in Chicago, Illinois.

The Project is owned by CHF-Chicago, L.L.C, an affiliate of **Collegiate Housing Foundation** (“**CHF**”), a 501(c)(3) corporation based in Fairhope, Alabama, on a site ground-leased from the **Board of Trustees of the University of Illinois** (on behalf of UIC).

**Background - 2016 University Procurement for Development, Financing, and Operation of the Mixed-Use Project using IFA Bond financing:**

UIC solicited proposals in late 2016 for the development and construction of a new, integrated student housing and academic facility to be located on its campus. Pursuant to Section 53-25 of the Illinois Procurement Code (the “*Procurement Code*”), institutions of higher education are authorized to enter into concession agreements using a ground lease and facility sublease structure in order to enable lease-back financing of buildings developed for state university use.

Pursuant to the 2016 procurement, UIC selected a proposal submitted by **American Campus Communities, Inc.** (“**ACC**”), a publicly-traded real estate investment trust based in Austin, Texas (NYSE Ticker Symbol: “**ACC**”). Website: [www.americancampus.com](http://www.americancampus.com).

As the “developer” selected by UIC pursuant to the 2016 procurement, ACC established **ACC SC Development LLC** (the “**Developer**”), an indirect, wholly-owned affiliate of American Campus Communities, Inc., to be responsible for engaging the other members of the project development team, including the Architect, General Contractor, and the Collegiate Housing Foundation, a 501(c)(3) corporation to serve as Ground Lessee and Initial Project Owner. CHF formed CHF-Chicago, L.L.C. to own the Project.

CHF’s ownership of the Project (through CHF-Chicago, L.L.C.) enabled access to 501(c)(3) bond financing, thereby enabling the Project (and the Sublease payments paid by UIC on the completed facility) to reflect lower-cost tax-exempt financing.

**Background – Payment Status of CHF-Chicago’s Series 2017 Bonds:**

All payments relating to the Borrower’s Series 2017 Bonds were current as of December 1, 2020 and have been paid as scheduled.

---

**ECONOMIC DISCLOSURE STATEMENT**

**Day-to-Day Management of the Mixed-Use Academic Building and Student Housing Facility (with auxiliary retail operations):**

- Day-to-day operations of the Academic Facilities and Retail Facilities are managed by UIC pursuant to the Sublease Agreement between **CHF-Chicago, L.L.C.** and **the Board of Trustees of the University of Illinois** (on behalf of UIC). *See below (pp. 3-4) for disclosure of the current Trustees of (i) Collegiate Housing Foundation* (the sole member of CHF-Chicago, L.L.C., the Borrower) and (ii) *the Board of Trustees of the University of Illinois* (the Ground Lessor and Sublessee of the Project).
- Day-to-day operations of the Student Housing Facility portion of the Project are managed by **ACC SC Management LLC**, an affiliate of ACC that undertakes property management services for student housing properties owned by unrelated third-party entities (e.g., CHF and entities other than ACC or its affiliates). *See p. 4 for ownership information on American Campus Communities, Inc., the sole member of ACC SC Management LLC.*

## Memorandum

To: Members of the Authority

From: Sara D. Perugini, Vice President Healthcare and Senior Living

Date: December 8, 2020

Re: Resolution authorizing the amendment of the Amended and Restated Loan Agreement relating to the Illinois Finance Authority Revenue Bonds, Series 2010A and 2010B (SwedishAmerican Hospital), the Substitution of Security for Such Series 2010A and 2010B Bonds, the Execution of an Escrow Agreement related to and Defeasance of the Illinois Finance Authority Revenue Bonds, Series 2012 (SwedishAmerican Hospital) and Approving Related Matters

IFA Series 2010 Bonds File Number: H-HO-TE-CD-8323

---

The **Illinois Finance Authority** (the “**Authority**”) has issued its Illinois Finance Authority Revenue Bonds, Series 2010A and Series 2010B (SwedishAmerican Hospital) (the “**Series 2010 Bonds**”), \$11,875,000 of which are currently outstanding, and loaned the proceeds thereof to **SwedishAmerican Hospital**, as borrower (the “**Borrower**”) pursuant to an Amended and Restated Loan Agreement dated as of October 11, 2016 as further amended on June 30, 2020 (the “**Loan Agreement**”), among the Authority, **Illinois Bank & Trust**, as lender (the “**Lender**”), and the Borrower. The Lender currently holds all of the Series 2010 Bonds. The Authority has also issued its Illinois Finance Authority Revenue Bonds, Series 2012 (SwedishAmerican Hospital) (the “**Series 2012 Bonds**”) in the principal amount of \$41,445,000, all of which remain outstanding, the proceeds of which were loaned to the Borrower. The Series 2010 Bonds and Series 2012 Bonds are secured by Obligations issued under a Master Trust Indenture (the “**SAH Master Indenture**”) entered into by the Borrower, SwedishAmerican Foundation, and the master trustee named therein.

The Borrower is affiliated with the **University of Wisconsin Hospitals and Clinics Authority** (“**UWHCA**”) and now desires to become a member of the UWHCA Obligated Group. In order for the Borrower to become a member of the UWHCA Obligated Group, it will be necessary for the Borrower to defease the SAH Master Indenture by defeasing the Series 2012 Bonds and the SAH Master Indenture Obligation issued to secure the Series 2012 Bonds, to substitute a UWHCA Master Indenture Obligation for the SAH Master Indenture Obligation securing the Series 2010 Bonds, to obtain the Lender’s and the Authority’s consent to certain amendments to the Loan Agreement, and to authorize certain other actions with respect to the substitution of security for the Series 2010 Bonds and the defeasance of the Series 2012 Bonds.

The proposed Authority resolution approves the execution by the Authority of a Second Amended and Restated Loan Agreement, the substitution of the UWHCA Master Indenture Obligation for the SAH Master Indenture Obligation as security for the Series 2010 Bonds and the execution of an escrow agreement to defease the Series 2012 Bonds with funds provided by UWHCA, all as described above.

IFA staff recommends the approval of the accompanying resolution.

Subject: *Presentation and Consideration of Financial Reports as of November 30, 2020\*\**

**\*\*All information is preliminary and unaudited.**

## **1. GENERAL OPERATING FUND REVENUES, EXPENSES AND NET INCOME**

### **FISCAL YEAR 2021**

- a. **Total Annual Revenues** of \$1.6 million were \$115 thousand or 6.6% lower than budget primarily due to **lower** than expected closing fees, interest income on loans and, net investment income. Closing fees year-to-date of \$1.2 million are \$15 thousand or 1.2% **lower** than budget. Annual fees of \$85 thousand are \$2 thousand lower than budget. Administrative Service fees of \$65 thousand are \$14 thousand lower than budget. Application fees total \$11 thousand. Total accrued interest income from loans in connection with the former Illinois Rural Bond Bank local government borrowers and other loans totaled \$177 thousand (which has represented a declining asset since 2014). Net investment income position is at \$76 thousand for the fiscal year and is \$32 thousand lower than budget.\*
- b. In **November**, the Authority recorded closing fees of \$106 thousand which was lower than the monthly budgeted amount of \$246 thousand.
- c. **Total Annual Expenses** of \$1.5 million were \$198 thousand or 11.4% lower than budget, which was mostly driven by below budget spending on employee-related expenses. Year-to-date, employee related expenses total \$977 thousand or \$193 thousand or 16.5% lower than budget. Professional services expenses total \$323 thousand or \$9 thousand or 2.7% lower than budget. Annual occupancy costs of \$88 thousand are 16.9% higher than budget, which is primarily attributable to increased telecommunication costs associated with the Authority's remote operations, rental of IT equipment for the Authority's required annual disaster recovery test, and an increase in the Authority's property and casualty insurance premiums. General and administrative costs are \$147 thousand for the year, which is 5.2% lower than budget. Total depreciation cost of \$8 thousand is 6.9% below budget.

\* *Governmental Accounting Standards Board (GASB) Statement No. 31. This Statement establishes accounting and financial reporting standards for all investments held by governmental external investment pools. For most other governmental entities, it establishes fair value standards for investments in (a) participating interest-earning investment contracts, (b) external investment pools, (c) open-end mutual funds, (d) debt securities, and (e) equity securities, option contracts, stock warrants, and stock rights that have readily determinable fair values.*

- d. In **November**, the Authority recorded operating expenses of \$295 thousand, which was lower than the monthly budgeted amount of \$348 thousand.
- e. **Total Monthly Net Loss** of -\$104 thousand was primarily attributable to lower than expected closing fees.
- f. **Total Annual Net Income** of \$87 thousand was driven by the level of overall spending at 14.4% below budget and the Authority's net investment income position.

## 2. **GENERAL OPERATING FUND-ASSETS, LIABILITIES AND NET POSITION**

In the General Fund, the Authority continues to maintain a strong balance sheet, with total net position of \$59.7 million. Total assets in the General Fund are \$60.9 million (consisting mostly of cash, investments, and receivables). Unrestricted cash and investments total \$48.2 million (with \$1.9 million in cash). Notes receivable from the former Illinois Rural Bond Bank local governments ("IRBB") total \$7.3 million. Participation loans, DACA (pilot medical student loans in exchange for service in medically underserved areas in Illinois) and other loans receivable are \$4.6 million.

## 3. **AUTHORITY AUDITS AND REGULATORY UPDATES**

The Fiscal Year 2020 Financial Audit remains on schedule. At this time, the Authority is waiting on the external auditors for a final draft of the Fiscal Year 2020 Financial Audit Report.

CMS Internal Audits remain on schedule as well. At this time, the Authority is waiting on a final draft report in connection with the Remote Security Audit. Once we have the final draft, the Remote Security Audit will be shared with the Board.

## 4. **OTHER SUPPLEMENTARY FINANCIAL INFORMATION**

The Fiscal Year Comparison of Bonds Issued, the Fiscal Year 2021 Bonds Issued, and the Schedule of Debt are being presented as supplementary financial information.

### Bonds Issued in Fiscal Year 2019

\* Powers to issue Bonds under the Illinois Environmental Facilities Financing Act ("IEFFA" 20 ILCS 3515/2 et seq.) and its predecessor authority date to the early 1970s. In 1984, the powers under this Act became part of the Authority's predecessor, Illinois Development Finance Authority, which in turn was consolidated into the Authority in 2004. Under IEFFA, the Authority has an additional \$2.5 billion in bond issuance limit in addition to the \$28.15 billion under the Authority Act. This is also reflected in the Schedule of Debt. Generally, projects under IEFFA are for private companies that access federal tax-exemption through Volume Cap provided by the federal government through the State. IEFFA-financed pollution control facilities projects are separate and distinguishable from the generally public projects financed through the State Revolving Fund on behalf of the Illinois Environmental Protection Agency.

 12 CHAIR HOBERT: Yes.  
 13 MR. FLETCHER: Again, this is Brad  
 14 Fletcher. Chair Hobert, the motion carries.  
 15 CHAIR HOBERT: Thank you, Brad. This is

 17 Members?  
 18 (No response.)  
 19 THE COURT REPORTER: This is the court

1 Okay. Thank you, everybody. Welcome  
 2 to the November 10, 2020, meeting at the Illinois  
 3 Finance Authority. Today we will take a significant  
 4 step forward on the Authority's climate process with  
 5 our consideration of the Clean Water Initiative  
 6 Revolving Fund Bond, Series 2020, on behalf of our  
 7 partner, the Illinois Environmental Protection  
 8 Agency. We will also hear an update on the forward  
 9 progress of the Authority's property assessed clean  
 10 energy product.

11 We also welcome Easter Seals of  
 12 Metropolitan Chicago, Inc., an important provider of  
 13 human services to the people of Northeastern  
 14 Illinois. Sara Stoelinga, the president and CEO of  
 15 Easter Seals, will be joining us.

16 We are also pleased to be able to  
 17 play a role in the affiliation between Northwestern  
 18 Memorial Healthcare and Palos Community Hospital.

19 Finally, thank you to Jeff Wright who  
 20 will serve as Chair of the Conduit Finance Committee  
 21 and Eduardo Tobon who will serve as Chair of the  
 22 Governance, Personnel, Legislation, and Ethics  
 23 Committee. Thank you also to Peter Amaro and José  
 24 Restituyo for accepting your committee assignments.

1 The new committee membership is posted on the  
 2 Authority's website. I truly appreciate the  
 3 Committee service of both new and long-serving  
 4 Authority members.

5 Chris?

6 EXECUTIVE DIRECTOR MEISTER: Thank you  
 7 very much, Chair Hobert. As previously noted,  
 8 Deputy Executive Director Jacob Stuckey has a family  
 9 member who is employed by one of the investment  
 10 banking vendors under consideration in connection  
 11 with the Clean Water Initiative Revolving Fund Bond,  
 12 Series 2020, on this morning's agenda. That vendor  
 13 is Samuel A. Ramirez and Company.

14 Therefore, since the Authority first  
 15 learned of IEPA's plans to move forward on the  
 16 second Wednesday of August 2020, Mr. Stuckey has  
 17 been walled off from both internal and external  
 18 matters and discussions and decisions related to  
 19 this issue. Further, Mr. Stuckey is not  
 20 participating in this meeting this morning. He did  
 21 not participate in the Direct and Alternative  
 22 Committee Meeting earlier today. A copy of my  
 23 message to the Members and the stakeholders is found  
 24 in this morning's meeting materials. I'm available

1 to take any questions.

2 (No response.)

3 Hearing none, I will turn it back

4 over to the Chairman. Thank you very much.

5 CHAIR HOBERT: This is Will Hobert.

6 Thank you, Chris. Now, we turn to Committee

7 reports.

8 Member Wright.

9 MEMBER WRIGHT: This is Jeffrey Wright.

10 The Conduit Financing Committee met earlier this

11 morning and voted unanimously to recommend for

12 approval the following New Business Items on today's

13 agenda: Easter Seals of Metropolitan Chicago, Inc.;

14 Beginning Farmer, Logan A. Hill; and Northwestern

15 Memorial Healthcare.

16 CHAIR HOBERT: This is Chair Hobert.

17 Thank you, Jeffrey.

18 Member Nava.

19 MEMBER NAVA: This is Roxanne Nava. The

20 Direct and Alternative Financing Committee met

21 earlier this morning, and we voted unanimously to

22 recommend for approval the following New Business

23 Item on today's agenda: The State of Illinois Clean

24 Water Initiative Revolving Fund Bonds, Series 2020.

1 Thank you.

2 CHAIR HOBERT: This is Will Hobert.

3 Thank you, Jeffrey and Roxanne.

4 I would now like to ask for the

5 general consent of the Members to consider New

6 Business Items 1, 2, 3, and 4 collectively and to

7 have the subsequent recorded vote applied to each

8 respective individual New Business Item unless there

9 are any specific New Business Items that a Member

10 would like to consider separately.

11 MEMBER GOETZ: This is Mike Goetz. I

12 would like to recuse myself from any deliberations

13 and voting with respect to Item 4, Northwestern

14 Memorial Healthcare, of the New Business Items

15 because I have a family member who works for the

16 financial advisor in this transaction.

17 CHAIR HOBERT: This is Will Hobert.

18 Thank you, Mike.

19 I would like to consider New Business

20 Items 1, 2, and 3 under consent agenda and taken a

21 roll call vote. Then we will consider New Business

22 Item 4, Northwestern Memorial Healthcare, separately

23 and take a roll call vote.

24 Mr. Frampton.

MR. FRAMPTON: This is Rich Frampton.  
Thank you, Chair Hobert.

At this time, I would like to note that for each Conduit New Business Item presented on today's agenda, the Members are considering approval only of the Resolution and the not-to-exceed amount contained therein.

For the Conduit Financing projects, we will begin with Item 1: Easter Seals of Metropolitan Chicago, Inc.

Item 1 is a 501(c)(3) Revenue Bond request. Staff requests approval of a Final Bond Resolution for Easter Seals Metropolitan Chicago, Inc., hereinafter "ESMC," in an amount not-to-exceed \$10 million.

Bond proceeds will be loaned to ESMC to provide a portion of the funds necessary for the purposes of financing or refinancing the costs relating to the acquisition, construction, refurbishment, creation, development, redevelopment, and equipping of a new fitness, wellness, and recreation center, including a gymnasium, running track, and fitness area, and costs related thereto located on land owned by the ESMC Support

Corporation NFP, an Illinois not-for-profit corporation, and an affiliate of ESMC, on its campus located at 1939 West 13th Street in Chicago, in the Illinois Medical District and leased or subleased to ESMC.

Huntington National Bank is ESMC's relationship bank and will be the purchasing bank for this conduit revenue bond transaction.

ESMC will be able to apply savings derived from the tax-exempt Series 2020 Bond to finance operating costs which currently include extraordinary PPE and cleaning costs resulting from the COVID-19 health crisis.

Does any Member have any questions or comments?

(No response.)

Okay. Hearing none, it is my

pleasure to welcome Ms. Sara Stoelinga, president and CEO of Easter Seals Metropolitan Chicago, Inc., who has a few brief comments for the Board.

Ms. Stoelinga.

MS. STOELINGA: Good morning. Sara Ray Stoelinga, president and CEO of Easter Seals of Metropolitan Chicago, Inc.

1 Chair Hobert, thank you so much for  
 2 allowing me to make a few remarks and thank you,  
 3 Rich, for the introduction. I wanted to thank you,  
 4 extend a special thanks to the IFA. The IFA Series  
 5 2020 Bond will enable ESMC to convert our  
 6 conventional Huntington National Bank construction  
 7 bank loan into a seven-year fixed rate tax-exempt  
 8 Bond that will also be purchased by Huntington. As  
 9 Rich noted, savings derived from refinancing the  
 10 construction loan are critical to us at Easter Seals  
 11 as a human services agency especially in this time  
 12 of COVID-19, which has imposed additional revenue  
 13 challenges and cost burdens in the provision of PPE,  
 14 cleaning costs, and keeping our staff and our  
 15 clients healthy and safe as you may know and  
 16 understand.

17 So on behalf of our staff, the Board  
 18 of Easter Seals Metropolitan Chicago, and the 10,000  
 19 clients that we serve across the ten-county Illinois  
 20 service area, I would just like to express my  
 21 sincere thanks to the IFA members for your  
 22 consideration today. We look forward to continuing  
 23 our work with IFA staff, with our partner,  
 24 Huntington National Bank, and the other members of

1 our financing team to close on the Series 2020 Bonds  
 2 in December. Thank you very much.

3 MR. FRAMPTON: Thank you, Ms. Stoelinga,  
 4 for attending today's Board meeting. We look  
 5 forward to working with you to close the financing  
 6 in early December.

7 With that, next we'll move on to Item  
 8 2, which is a Beginning Farmer Bond for Logan A.  
 9 Hill. Item 2 is a one-time Final Bond Resolution  
 10 requesting approval for a Beginning Farmer Bond for  
 11 Logan A. Hill who is purchasing approximately  
 12 60 acres of farmland located in Effingham County in  
 13 the not-to-exceed amount of \$270,000. First Mid  
 14 Bank & Trust is the purchasing bank for this Conduit  
 15 transaction.

16 Does any Member have any questions or  
 17 comments?

(No response.)

18  
 19 Hearing none, next we will move onto  
 20 the Direct and Alternative Financing Projects.

21 Item 3 is for the State of Illinois Clean Water  
 22 Initiative Revolving Fund Bonds, Series 2020.

23 Item 3 is a request by the Illinois  
 24 Environmental Protection Agency, hereinafter the

1 "IEPA," for the Authority to issue not-to-exceed  
2 \$500 million in Revenue Bonds for the State of  
3 Illinois Clean Water Initiative State Revolving Fund  
4 Program.

5 Staff requests approval of a  
6 Resolution authorizing the issuance by the Illinois  
7 Finance Authority of not-to-exceed \$500 million in  
8 aggregate principal amount of its State of Illinois  
9 Clean Water Initiative Revolving Fund Revenue Bonds,  
10 Series 2020, authorizing the sale thereof,  
11 authorizing the execution and delivery of certain  
12 documents, approving the distribution of a  
13 preliminary official statement, and an official  
14 statement approving the underwriters and related  
15 matters.

16 The State Revolving Fund, hereinafter  
17 the "SRF," is a prominent and impactful example of  
18 environmental financial innovation as it encourages  
19 SRF capacity expansion through leverage in the  
20 capital markets. The SRF functions as an  
21 environmental infrastructure bank by providing low  
22 interest loans to eligible recipients for clean  
23 water and drinking water infrastructure projects.  
24 As the underlying loan principal and interest is

1 repaid over time by local governments, the monies  
2 are recycled back to IEPA's SRF to make new low  
3 interest loans to other eligible recipients.

4 The State of Illinois Clean Water  
5 Initiative State Revolving Fund Revenue Bonds,  
6 Series 2020, are the fifth series of Bonds issued  
7 under a Master Trust Agreement dated as of November  
8 1, 2013, as supplemented and amended. The Series  
9 2020 Bonds will be secured on a parity basis with a  
10 total of \$1.4 billion in aggregate principal amount  
11 of Bonds outstanding.

12 The principal issued under the Master  
13 Trust Agreement, including the Series 2020 Bonds, do  
14 not constitute an indebtedness or an obligation,  
15 either general or moral, or a pledge of the faith or  
16 a loan of credit of the Authority, the IEPA, the  
17 State of Illinois, or any political subdivision  
18 thereof within the purview of any Constitutional  
19 limitation or provision. Revenues solely from the  
20 payments, revenues, and receipts derived from the  
21 pledged loan agreements may be used to pay principal  
22 and interest on the Series 2020 Bonds.

23 Under the Master Trust Agreement  
24 dated as of November 1, 2013, as supplemented and

1 amended, the Authority has issued State of Illinois  
2 of Clean Water Initiative State Revolving Fund  
3 Revenue Bonds in the aggregate principal amount of  
4 approximately \$1.6 billion. Of the \$1.6 billion  
5 issued, approximately \$1.4 billion is currently  
6 outstanding.

7 The Series 2020 Bonds are expected to  
8 be rated "AAA" by both S&P Global Ratings and Fitch  
9 Ratings, which are the same ratings assigned by  
10 those rating agencies for all prior bonds issued  
11 since 2013 using the current Master Trust Indenture  
12 structure. The anticipated "AAA" ratings will also  
13 be supported by pledged loans exceeding 1.5 times  
14 coverage.

15 Demand for financing from wastewater  
16 and drinking water systems is strong, and the Series  
17 2020 Bond proceeds made available from leveraging  
18 existing SRF loan repayment revenues will enable  
19 IEPA to increase the amount of money available for  
20 loans to Illinois water utilities to finance capital  
21 improvements designed to improve water quality  
22 through the upgrade and/or construction of  
23 wastewater and drinking water treatment systems that  
24 are necessary to achieve and maintain compliance

1 with federal and state laws and regulations.

2 CHAIR HOBERT: Does any Member have any  
3 questions or comments?

4 EXECUTIVE DIRECTOR WEISTER: A moment,  
5 Mr. Chair.

6 Rich has some additional explanation  
7 on this transaction. Rich.

8 MR. FRAMPTON: Yes, thank you, Chris.  
9 This is Rich Frampton.

10 Additionally, the Resolution for SRF  
11 approves the underwriters for the transaction.

12 Based upon recommendations from Chris Meister as  
13 executive director and after receiving additional  
14 information from qualified senior managers pursuant  
15 to our request for information and the approval from  
16 the Direct and Alternative Financing Committee, the  
17 underwriters being approved by the Resolution are as  
18 follows:

19 Senior manager: Citigroup Global  
20 Markets, Inc.

21 Co-senior manager: Samuel A. Ramirez  
22 & Company, Inc.

23 Co-managers of which there are five:  
24 (1) Academy Securities Inc.; (2) Cabrera Capital

1 Markets, LLC; (3) Janney Montgomery Scott, LLC; (4)  
2 Loop Capital Markets, LLC; and (5) Mesirow  
3 Financial, Inc.

4 Does any Member have any questions or  
5 comments?

6 (No response.)

 9 Thank you, Brad.  
 10 I would now like to ask Member Goetz  
 11 at this time to exit the meeting by terminating his  
 12 participation via audio conference for Item 4.  
 13 MEMBER GOETZ: Will do. Talk to you  
 14 later.  
 15 MR. FLETCHER: This is Brad Fletcher.  
 16 Please let the record reflect that Member Goetz has  
 17 recused himself by terminating his participation via  
 18 audio conference. Mr. Frampton, we can now continue

 20 MR. FRAMPTON: This is Rich Frampton.  
 21 Thank you, Brad.  
 22 Moving on to the Conduit Financing  
 23 Resolution brings us to Item 4 for Northwestern  
 24 Memorial Healthcare, or NMHC.

1 Item 4 is a Resolution relating to  
 2 the Series 2010C, 2015B, 2015C, 2015D, 2015E, and  
 3 Series 2015F Bonds previously issued by the  
 4 Authority on behalf of Palos Community Hospital.  
 5 On September 11, 2020, Northwestern  
 6 Memorial Healthcare, hereinafter "NMHC," Palos  
 7 Community Hospital, and the St. George Corporation  
 8 announced the signing of a letter of intent that  
 9 contemplates combining Palos Community Hospital and  
 10 its affiliates, other than the St. George  
 11 corporation, with the NMHC Health System. The  
 12 parties are working to close the affiliation by  
 13 January 1, 2021.  
 14 In connection with the affiliation,  
 15 the parties would like to (1) replace notes issued  
 16 under the Palos Community Hospital Master Indenture,  
 17 which secures the aforementioned Bonds with notes  
 18 issued under the NMHC Master Indenture; (2) have  
 19 Palos Community Hospital become a member of the  
 20 Obligated Group under the NMHC Master Indenture; and  
 21 (3) release the St. George Corporation from its  
 22 obligations under the Palos Community Hospital  
 23 Master Indenture with respect to the aforementioned  
 24 Bonds.

The parties will accomplish the note replacement by using the provisions of the existing Bond documents for the Series 2010C Bonds, which are publicly held and by obtaining consent from the financial institutions that hold each series of the Series 2015 Bonds.

NMHC is also reviewing the existing terms of each series of the Series 2015 Bonds and may seek to negotiate them in connection with the note replacement.

The Resolution authorizes the Authority to (1) execute and deliver any necessary amendments to the Bond documents in connection with the note replacement; (2) execute and deliver any consented to changes to the Series 2015 Bond documents; and (3) provide any other necessary documentation to assist with the closing of the affiliation.

 18 CHAIR HOBERT: Okay. Thank you, Brad.  
 19 Malcolm?  
 20 MR. SIMMONS: Thanks. This is Malcolm  
 21 Simmons. Item 5 is a subject matter-only market  
 22 update regarding Property Assessed Clean Energy  
 23 Financing in Illinois. As you're aware, Authority  
 24 staff continues to engage in market participants in

1 the furtherance of issuing PACE bonds for  
 2 prospective PACE projects throughout the State. To  
 3 date, the Authority has successfully closed three  
 4 PACE Bond transactions on behalf of commercial and  
 5 industrial property owners in the aggregate  
 6 principal amount of \$45.74 million. The PACE Bonds  
 7 issued by the Authority have funded energy  
 8 efficiency and renewable energy projects located in  
 9 the City of Chicago, the Village of Rosemont, and  
 10 the City of Beardstown.

11 Today, we are proud to announce that  
 12 after two plus years of collaboration with Authority  
 13 staff, the Cook County Board of Commissioners  
 14 adopted an ordinance on October 22, 2020, creating a  
 15 PACE area and establishing a PACE program.  
 16 Authority staff had its first meeting with the Cook  
 17 County Bureau of Economic Development regarding its  
 18 potential PACE financing on June 5th, 2018, and the  
 19 Authority staff will continue working with Cook  
 20 County and its PACE program administrator as Cook  
 21 County formally launches its PACE program in the  
 22 near future.

12 MR. FLETCHER: Thank you, Mike. Please  
 13 let the record reflect that Member Goetz has

 15 a.m. Six, please accept my apologies for  
 16 interrupting.

17 MS. GRANDA: Thank you, Brad.

18 Good morning, everyone. I will be  
 19 providing the financial information for October 31,  
 20 2020. The financial information is as follows: Our  
 21 total annual revenue of \$1.4 million is \$43,000 or  
 22 3.1 percent higher than budget. This is primarily  
 23 due to higher than expected closing fees. In  
 24 October, the Authority recorded closing fees of

1 \$253,000, which was higher than the monthly budgeted  
 2 amount of \$246,000. Our total annual expenses of  
 3 \$1.2 million is \$145,000 or 10.4 percent lower than  
 4 budget, which was mostly driven by below budget  
 5 spending on employee-related expenses. In October,  
 6 the Authority recorded operating expenses of  
 7 \$313,000, which was lower than the budgeted amount  
 8 of \$348,000. Our total amount of net income of  
 9 \$18,000 was primarily attributable to higher than  
 10 expected operating revenues and lower than expected  
 11 employee-related expenses. Our total annual net  
 12 income of \$191,000 was driven by higher than  
 13 expected closing fees and the level -- and the level  
 14 of overall spending at 10.4 percent below budget.

15 Our general fund continues to have a strong balance  
 16 sheet. Our total net position is at \$59.8 million,  
 17 with cash and investments at \$47.5 million, bonds  
 18 and notes receivable at \$7.3 million, and loans at  
 19 \$4.6 million.

20 Moving on to audits, the fiscal year  
 21 2020 financial audit remains on schedule. On  
 22 October 16, 2020, Authority staff provided its  
 23 footnotes, transmittal letters, and the management  
 24 discussion and analysis letters to the external

1 auditors. At this time, the Authority is waiting on  
 2 the external auditors for them to provide a final  
 3 draft of the fiscal year 2020 financial audit  
 4 report.

5 On October 31, 2020, the Authority  
 6 received notification from the Legislative Audit  
 7 Commission stating that the fiscal year 2019  
 8 financial audit and the two-year compliance  
 9 examination for fiscal year 2018 and fiscal year  
 10 2019 will be on the Legislative Audit Commission's  
 11 consent calendar currently scheduled for November 17  
 12 of 2020. It is anticipated that the Authority's  
 13 staff will not need to attend the IAC meeting.  
 14 Thank you, Chair Hobert.

15 CHAIR HOBERT: Thank you, Six. Are there  
 16 any questions for Ms. Granda?

17 (No response.)

18 Hearing none, I would like to request  
 19 a motion to accept the financial report unless Chris  
 20 Meister, do you feel we should hear from Charles  
 21 Myart before we vote?

22 MR. MEISTER: Yes, please, thank you  
 23 Mr. Chair. Vice President Charles Myart has two  
 24 subject matter informational reports on both the

1 Authority's pilot loan -- direct loan program for  
2 DACA medical students and the report on some of our  
3 balance sheet loans to the Senate Bill 1300 First  
4 Responder pension investment entities. Thank you  
5 very much, Mr. Chair.

6 CHAIR HOBERT: Charles Myart, before we  
7 vote, would you like to present?

8 MR. MYART: Thank you, Chair. The  
9 Illinois Firefighters' Pension Investment Fund  
10 update. On November 6, the Audit Committee of the  
11 Illinois Firefighters' Pension Fund met with our CPA  
12 fund to discuss the status of the 6/30/2020 audit.  
13 Their audit team communicated that an unmodified,  
14 clean opinion would be issued for FY2020 audit and  
15 that no reportable issues had been identified. The  
16 Authority will receive a copy of the audit report  
17 before 12/31/2020.

18 The DACA status update. On  
19 September 30, 2020, Philip Hale, vice president of  
20 the civic engagement for Loyola University,  
21 Chicago's Office of the President, extended an  
22 invitation to the Authority's Executive Director and  
23 myself to attend its service commitment for  
24 fulfillment event on October 21, 2020. This is the

1 first cohort of the medical school's DACA alumni who  
2 received student loans from the Authority. They are  
3 finishing their residencies as of June 21 and upon  
4 completion, they will begin looking for jobs in the  
5 State of Illinois to fulfill their service  
6 commitment.

7 The school's consultant, Dr. Art  
8 Jones, discussed with the graduates and ourselves  
9 the various types of jobs that are eligible  
10 according to the terms of the loan agreement and how  
11 to find one.

12 The staff members and graduates  
13 expressed their appreciation to the Authority and  
14 the staff for its commitment to the pilot program's  
15 success. It should be noted that a number of the  
16 DACA residents are working on the front lines of the  
17 COVID-19 pandemic in hospitals providing vital  
18 medical services to patients facing the pandemic.  
19 Thank you, Chairman.

20 CHAIR HOBERT: Thank you, Charles. Are  
21 there any questions for Mr. Myart?
