RE: Message from the Executive Director

Dear Members of the Authority:

IFA Welcomes New Chairman

Yesterday, Governor Bruce Rauner appointed R. Robert Funderburg, Jr. to lead the Illinois Finance Authority as its new Chairman. Chairman Funderburg's background in business and as an entrepreneur makes him supremely qualified for the position. Currently, Chairman Funderburg is also the Chairman of Alpine Bank and Trust, the Chairman of Alpine Bancorporation, Inc., and President and Treasurer of both Funderburg Farms, Inc. and K-B Farms, Inc. He has worked in several different industries including financial services, real estate development, and agribusiness.

Chairman Funderburg is deeply invested in his community, serving on numerous boards including the YMCA of Rock River Valley, the Rockford Art Museum, the Keith Country Day School, the Belvidere Community School District #100 Foundation for Excellence in Education, the Rockford Symphony Orchestra Foundation, and the Rockford Park District Foundation. Moreover, Chairman Funderburg was also named Citizen of the Year by the Rockford Chamber of Commerce in 2009.

Chairman Funderburg is a graduate of Denison University (Granville, OH), with a bachelor's degree in economics. He resides in Belvidere.

April 2014 Projects

This month, we are pleased to present for your one-time consideration Final Bond Resolutions for Northwestern University and Palos Community Hospital.

Northwestern University is seeking authorization to issue an aggregate principal amount of approximately \$145,300,000 of tax-exempt bonds to finance, refinance, or reimburse all or a portion of the costs of the acquisition, construction, renovation, improvement and equipping of certain of its educational facilities. Bank of America Merrill Lynch has been engaged as Senior Manager while RBC Capital Markets, LLC and Siebert Brandford Shank & Co., LLC have been engaged as Co-Managers. Northwestern is rated "Aaa"/"AAA"/"AAA" by Moody's/S&P/Fitch.

Palos Community Hospital is seeking authorization to issue an aggregate principal amount of approximately \$101,000,000 of tax-exempt bonds to refinance its Series 2010A and Series 2010B Bonds previously issued by the Authority. The refunding bonds will be direct purchased by JP Morgan Chase and such other bank(s) to be selected by the borrower.

Finally, CHF-Cook, L.L.C. returns this month to seek approval of a Final Bond Resolution in the amount of \$45,000,000 as the bond and underwriting documentation by bond counsel is now substantially final. In order to receive an investment grade rating, this stand-alone project financing will impose a limited obligation on Northeastern Illinois University (“NEIU”) to provide University-budgeted support. This will be the first student housing on NEIU’s campus.

I look forward to continuing to work with you in support of jobs and financing capital expansion projects throughout our great state.

Respectfully,

Christopher B. Meister
Executive Director

II. Chairman's Remarks

Chairman Brandt welcomed Members of the Committee, Authority staff and all guests present.

Chairman Brandt noted that today's meetings will be his last as his resignation becomes effective March 31, 2015. Chairman Brandt fully expects a new Chairperson to be appointed before the next regular meeting of the Committee on April 14, 2015.

Chairman Brandt expressed his extreme pleasure in working with current Members of the Committee, as well as past Members. Specifically, Chairman Brandt thanked Vice Chairman Goetz for his past and present service. Chairman Brandt further thanked Authority staff, including but not limited to Executive Director Meister, Mr. Frampton, Ms. Lenane, Mr. Fletcher, Ms. Gildart, Ms. Granda and Ms. Money.

Chairman Brandt recalled that upon first becoming Chairman, the Authority had not had an audit accepted by the Legislative Audit Commission for approximately two years. Moreover, the Authority was seeking to obtain a working line of credit without legislative approval. However, Chairman Brandt and Members of the Committee worked diligently to align operating expenses with revenues instead and proceeded to address outstanding audit issues. Chairman Brandt expressed his belief that this was all possible due in part to the bright and capable staff hired during his tenure.

Next, Chairman Brandt recalled speaking with past Members April Verrett, Ronald E. DeNard, Juan B. Rivera and Dr. William Barclay about creating a Diversity Committee to expand WBE/MBE participation on public offerings of the Authority. Chairman Brandt remains hopeful these initial efforts concerning diversity are expanded upon under a new Chairperson.

Then, Chairman Brandt said he was most proud of his work regarding the Authority's contingent State taxpayer guarantees ("Moral Obligation"), which stood at \$108.3 million through several outstanding bond issues when he first became Chairman halfway through Fiscal Year 2008. Today, the Authority's Moral Obligation exposure is just over \$36 million through a single borrower, representing a decline of nearly two-thirds. The Authority accomplished this reduction by overseeing the exit of Moral Obligation commitments such as the defeasance of the Authority's Revenue Refunding Bonds, Series 2010 (City of East St. Louis Project) (the "Distressed Cities Bonds") and the redemption and cash defeasance of the Authority's Rural Bond Bank/Authority Local Government program.

Furthermore, Chairman Brandt expressed his gratitude for the leadership of Members Fuentes and Knox concerning their work in ultimately discontinuing the Authority's Technology Development Bridge Seed Stage Venture Capital Fund program, through which the Authority provided seed equity financing to private, Illinois-based technology entities. The Authority capably disposed of its portfolio of remaining equity interests in eight (8) entities purchased under the program between 2000 and 2006 through an auction thanks to Members Fuentes and Knox. Beforehand, the Venture Capital Fund program caused enormous audit exposure.

Finally, Chairman Brandt spoke about what he hopes becomes his legacy program: the pilot program to assist students with Deferred Action for Childhood Arrival ("DACA") immigration status attend medical and dental school in Illinois. About to enter its second year as a pilot, this program is helping seven students from Mexico, Brazil, Venezuela, Ecuador and Pakistan attend medical school in exchange for service in medically underserved areas of Illinois upon becoming doctors.

III. Message from the Executive Director

Executive Director Meister thanked Chairman Brandt for his leadership and service.

Executive Director Meister noted that Chairman Brandt's leadership has allowed the Authority to be well received by the Illinois General Assembly on multiple occasions, particularly at appropriation hearings.

Finally, Executive Director Meister thanked Chairman Brandt for his friendship and mentorship.

Chairman Brandt recalled his work over the years with the Office of the Illinois Auditor General, and thanked Members O'Brien and Bronner for their capable leadership of the Audit Committee.

IV. Consideration of the Minutes

Chairman Brandt asked if the Members wished to direct the Assistant Secretary of the Board to correct any errors in the Minutes of the regular meeting of the Committee held on February 18, 2015.

Vice Chairman Goetz moved for the adoption of the Minutes of the regular meeting of the Committee held on February 18, 2015.

Member Bronner seconded the motion.

The motion prevailed and the Minutes were adopted.

V. Presentation and Consideration of the Financial Statements

Ms. Gildart presented the following monthly and annual summary as of February 28, 2015:

1. GENERAL OPERATING FUND REVENUES, EXPENSES AND NET INCOME

- a. **Annual Operating Revenues** totaled \$2.6 million, while annual Net Non-Operating Revenues totaled \$119 thousand. Total annual combined revenues of \$2.7 million are \$256 thousand or 8.7% below budget; due primarily to lower than expected closing, administrative service and miscellaneous fees. Closing fees year to date of \$1.5 million, are \$167 thousand or 10.1% below budget. Included in Interest Income on Loans, the year to date revenue accrued for interest due from the former Illinois Rural Bond Bank ("IRBB") local governments totaled \$718 thousand. Annual fees of \$248 thousand are 10% or \$23 thousand higher than budget. Annual net investment income of \$115 thousand is 83% higher than fiscal year 2014's ending total as of February.
- b. **In February**, the Authority generated \$330 thousand in closing fees, which is the second highest monthly total for Fiscal Year ("FY") 2015 and double the average monthly total of \$166 thousand. Closing fees were received from: *Rush University*, \$211 thousand, *PACE*, \$60 thousand, *Kish Health Systems*, \$52 thousand, and *Agriculture-related* closings of just under \$8 thousand. February's net investment loss of \$13 thousand is attributable primarily to, per IFA's investment manager, securities maturing during the month of February.
- c. **Annual Operating Expenses** of \$2.3 million are \$601 thousand or 20.6% lower than budget, mostly driven by lower employee-related expenses and professional service costs. Year to date, employee expenses total \$1.2 million and are 18.2% below budget and professional services total \$718 thousand and are 28.5% below budget. Annual occupancy costs total \$141 thousand and are \$53 thousand or 27.3% under

budget. Other contributors to lower year to date operating costs include the delay in the implementation of the compliance driven debt management software application, reduced staff costs, lower space rental costs for the Chicago Office and the reduction in investment management fees for IEPA.

- d. **In February**, total professional services of \$119 thousand included payments for legal services (\$57K) compliance and accounting assistance (\$15K), financial advisory fees (\$13K), legislative services (\$8K), IT software renewals (\$8K) and payroll services (\$7K). Salaries continue to decline, with the departure of three full time employees and two Finance/Legal Fellows in recent months. General and administrative costs included charges for printing of the CAFR and insurance coverage.
- e. **February** activities resulted in monthly Net Income of \$80 thousand. **On a year to date** basis, IFA currently shows Annual Net Income of \$663 thousand. Major contributors to the positive bottom line include the level of spending at nearly 21% below budget and the transfer of the remaining IRBB reserve funds earlier this fiscal year and greater than expected investment returns. Budgeted net income at this point in the fiscal year is just \$24 thousand.

2. ALL FUNDS-ASSETS, LIABILITIES AND NET POSITION

- a. The Authority, as of February 2015, is a \$127 million dollar agency which also accounts for \$315 million in total activity (including the debt of other State of Illinois agencies) and maintains compliance for nearly \$24 billion in outstanding debt.

3. GENERAL OPERATING FUND-ASSETS, LIABILITIES AND NET POSITION

- a. In the General Fund, IFA continues to maintain a strong balance sheet with total net position of \$52.6 million. The total assets in the General Fund are \$53 million (consisting mostly of cash, investments, and receivables). Unrestricted cash and investments total \$29 million, notes receivables for the former IRBB local governments total \$20.5 million, other loans receivables are at \$2 million and restricted cash in the DACA Loan Fund totals \$1.3 million. Liabilities, current and non-current, total just \$564 thousand.

4. YEAR TO DATE ACTIVITY FOR ALL OTHER FUNDS

- a. The “Other State of Illinois Debt Fund” is comprised of activity for the Illinois Environmental Protection Agency (IEPA), the Illinois Medical District Commission (IMDC) and Northern Illinois University Foundation (NIUF). The majority of the activity in this fund derives from the Clean Water Initiative for IEPA.

¹Operating Revenues and Expenses are direct results of our basic business operations. Non-Operating Revenues and Expenses are netted against each other and include interest and investment income and expenses, bad debt adjustments, transfers to the State of Illinois and realized/unrealized gains and losses on investments. Net Income/ (Loss) is our bottom line.

- b. The Fire Truck and Ambulance Revolving Loan Funds have total year to date receipts of \$278 thousand. Net investment income from both funds equals \$44 thousand. Monies have been invested since July 2014. The Authority continues to working with OSFM and GOMB towards a resolution for the recent transfer of \$8 million in Fire Truck funds to the Authority's locally held funds per Public Act 97-901. Net position of \$29.9 million for Fire Truck, and \$4.2 million for Ambulance are now shown on the Authority's books due to recent statutory changes.
- c. Other Nonmajor Funds booked revenues of \$163 thousand, of which, \$137 thousand is derived from investment activity. Year to date, the nonmajor funds show a net loss of \$141 thousand, driven by the transfer of funds out of the IRBB Reserve Fund to the General Operating Fund. All other activities result in net income of \$153 thousand as of February. Total Net Position in the Nonmajor Funds is \$39.5 million.
- d. The Agency/Fiduciary Funds for IFA include both the Metro East Police District Commission and the Illinois Finance Authority NFP Development Fund, with combined current assets of \$60 thousand.

5. FY14 AND FY15 COMPLIANCE AUDIT and LEGISLATIVE AUDIT COMMISSION

- a. The entrance conference for the FY14 and FY15 compliance audits will take place on March 16, 2015.
- b. The Authority's Legislative Audit Commission hearing is scheduled for March 24, 2015.
- c. Fieldwork for the FY14 and FY15 compliance audits will begin March 25, 2015.

VI. Monthly Procurement Report

Ms. Gildart presented the Monthly Procurement Report, which included contracts pending execution, contract renewals, new contracts, upcoming solicitations, and a list of vendors procured by the State of Illinois without action needed by Members of the Authority.

Specifically, Ms. Gildart noted that at the regular meeting of the Board of Directors later, the Members will be asked to rescind the awards made last month for the Accounting and Auditing Pool.

Moreover, the active solicitation for a Debt Management Software Application is currently under review by management while the Accounting Software Maintenance and Support bids remain open.

Finally, Ms. Gildart noted that numerous procurements are forthcoming.

VII. Committee Reports

Agriculture Committee

Member Leonard reported that the Agriculture Committee reviewed and recommended approval of the following project reports and resolution: Items 1, 2 and 8.

Executive Director Meister reminded the Committee that the Authority expanded its Agri-Guarantee offerings through legislation approved by the Illinois General Assembly. As a result, the Authority can

make Working Capital Guarantees, which are inherently riskier investments. The Authority's Agriculture Guarantee Program guarantees up to 85% of a bank's loan to Illinois farmers and agribusiness owners. The Working Capital Guarantee Program is available to assist farmers in financing the annual input costs. The guarantees are not transferable without the Authority's written consent. The Authority's agricultural guarantee obligations are backed by an Authority reserve capitalized for this program. These guarantees are also full faith and credit obligations of the State of Illinois. The Authority's issuance of guarantees helps Authority borrowers obtain debt financing at reduced rates of interest and improved terms.

The new maximum loan that may be guaranteed is \$250,000 (for any single borrower and affiliates). Accordingly, the maximum Authority Working Capital Guarantee exposure is \$212,500. Additionally, the recommended maximum loan guarantee term is one-year.

Regarding the current request for a Working Capital Guarantee for Edward and Connie Peterson to be considered by the Members, Executive Director Meister and Mr. Evans informed the Committee that the collateral will be a perfected first security lien on crops, inventories and equipment.

Member Leonard expressed his belief that these financings will become more prevalent.

Member Zeller expressed his confidence in Alpine Bank & Trust Co. and their respective loan officer that will be monitoring this transaction.

Healthcare and Education Committee

Member Knox reported that the Healthcare and Education Committee reviewed and recommended approval of the following project reports and resolutions: Items 3, 4, 5, 6, 7 and 10.

VIII. Project Reports and Resolutions

Mr. Evans presented the following projects and resolution:

Agriculture Projects

Item 1: Item 1 is a request for Beginning Farmer Revenue Bond financing.

Dustin J. and Lauren R. Clark is requesting approval of a Final Bond Resolution in an amount not to exceed One Hundred Ninety Thousand Dollars (\$190,000). This financing is being presented for one-time consideration.

Bond proceeds will be used to finance the acquisition of approximately 48 acres of farmland located in St. Marie Township in Jasper County and German Township in Richland County.

Item 2: Item 2 is a request for a Working Capital Guarantee.

Edward and Connie Peterson are requesting approval of a Working Capital Guarantee in an amount not to exceed 85% of a proposed face loan amount of Two Hundred Forty Thousand Dollars (\$240,000). This financing is being presented for one-time consideration.

Loan proceeds will be used by Edward Peterson and Connie Peterson (collectively, the “Borrower”) and Alpine Bank & Trust Co. (the “Secured Lender”) to provide working capital to assist the Borrower in financing annual agricultural input costs. The Authority’s guarantee represents State Treasurer funds at risk in an amount not to exceed Two Hundred Four Thousand Dollars (\$204,000). The Secured Lender will be exposed on all debt above the guaranteed amount.

Resolutions

Item 8: Item 8 is an Amendatory Resolution that would provide for IFA’s consent to a partial release of collateral in connection with an outstanding Illinois Finance Authority Agricultural Development Revenue Bond issued on behalf of Rex A. Gehrig in the original Aggregate Principal Amount Not To Exceed \$160,000 as requested by the State Bank of Speer, as the Lender and Bondholder.

Mr. Frampton presented the following projects and resolution:

Educational, Cultural and Non-Healthcare 501(c)(3) Projects

Item 3: Item 3 is a request for Student Loan Revenue Bond financing. Midwestern University Foundation is requesting approval of an Amended and Restated Final Bond Resolution in an amount not to exceed Twenty Million Dollars (\$20,000,000) that will update terms of the previously approved IFA Resolution 2014-1209-NP03 (hereinafter, the “Prior Bond Resolution”) among other things, restructuring of certain of the financing terms and to approve the issuance of the Series 2015 Bonds under a stand-alone Trust Indenture securing the IFA Bonds.

Since the date of adoption of the Prior Bond Resolution, the Foundation has determined that it is in its best interests to restructure certain of the terms of the financing, including, among others, (i) deleting the Master Indenture (as defined in the Prior Bond Resolution), (ii) creating additional funds and accounts under the Bond Trust Indenture (hereinafter, the “Indenture”), and (iii) establishing a trust estate for the benefit of the Series 2015 Bonds pursuant to the Indenture and the Financing Agreement between the Authority and the Foundation (the “Financing Agreement”).

The Foundation will apply the proceeds from the sale of the Series 2015 Bonds, together with certain other available funds, to (i) finance private education loans to be made by the Foundation to students of the University that attend the University’s Illinois Campus, (ii) finance a portion of the interest on the Series 2015 Bonds, (iii) finance one or more debt service reserve funds for the benefit of the Series 2015 Bonds, and (iv) pay certain costs relating to the issuance of the Series 2015 Bonds (collectively, the “Financing Purposes”).

Item 4: Item 4 is a request for 501(c)(3) Revenue Bond financing.

Noble Network of Charter Schools is requesting approval of a Final Bond Resolution in an amount not to exceed Twenty-Two Million Five Hundred Dollars (\$22,500,000). This financing is being presented for one-time consideration.

Noble Network of Charter Schools, an Illinois not for profit corporation (the “Corporation”), has requested that the Authority issue not to exceed \$22,500,000 (excluding original issue discount or premium, if any) in aggregate principal amount of revenue bonds consisting of one or more series of Education Revenue Bonds (Illinois Charter Schools Project -- Noble Network of Charter Schools), Series 2015 (the “Series 2015 Bonds”) and loan the proceeds thereof to the Corporation in order to assist the Corporation in providing a portion of the funds necessary to do any or all of the following: (i) advance refund in their entirety the Authority’s \$11,250,000 (original principal amount) Education Revenue Bonds (Illinois Charter Schools Project -- Noble Network of Charter Schools), Series 2006C (the “Series 2006 Bonds”) and its \$13,620,000 (original principal amount) Education Revenue Bonds (Illinois Charter Schools Project -- Noble Network of Charter Schools), Series 2007A (the “Series 2007 Bonds” and together with the Series 2006 Bonds, the “Refunded Bonds”) (ii) if deemed necessary or desirable, pay a portion of the interest on the Series 2015 Bonds; (iii) if deemed necessary or desirable, establish a debt service reserve fund for the benefit of the Series 2015 Bonds; and (iv) pay certain expenses incurred in connection with the issuance of the Series 2015 Bonds and the refunding of the Refunded Bonds, all as permitted by the Act (collectively, the “Financing Purposes”).

Item 5: Item 5 is a request for 501(c)(3) Revenue Bond financing.

CHF-Cook, L.L.C. is requesting approval of a Preliminary Bond Resolution in an amount not to exceed Forty-Five Million Dollars (\$45,000,000).

Bond proceeds will be loaned to CHF - Cook, L.L.C., a single member limited liability company organized and existing under the laws of the State of Alabama (the “Borrower”), for the purposes of (and including but not limited to) providing the Borrower with all or a portion of the funds necessary to (i) finance the cost of the acquisition, construction, furnishing and equipping of an approximately 110-unit, 440-bed apartment style student housing facility (the “Project”), (ii) fund interest on the Bonds for a period requested by the Borrower, (iii) fund a debt service reserve fund for the benefit of the Bonds, if requested by the Borrower and (iv) pay expenses incurred in connection with the issuance of the Bonds, including bond insurance, if requested by the Borrower, all as permitted by the Act (collectively, the “Financing Purposes”).

The Project will be located on Northeastern Illinois University’s (hereinafter, the “University’s”) main campus in Chicago, Illinois and is being developed and financed pursuant to an award resulting from a Request for Proposal for the Design, Development and Management of Student Housing posted by the University.

Resolutions

Item 9: Item 9 is a Resolution Authorizing the Execution and Delivery of a Second Amendment to the Bond and Loan Agreement Relating to Illinois Finance Authority Industrial Development Revenue Bonds (Ockerlund Industries, Inc. Project) Series 2005; and Related Matters.

Ms. Lenane presented the following projects and resolution:

Healthcare Projects

Item 6: Item 6 is a request for 501(c)(3) Revenue Bond financing.

Silver Cross Hospital is requesting approval of a Final Bond Resolution in an amount not to exceed Three Hundred Fifteen Million Dollars (\$315,000,000).

Silver Cross Hospital and Medical Centers (the “Hospital”), on behalf of itself and Silver Cross Health System (the “Parent” and, together with the Hospital, the “Members of the Obligated Group”), each an Illinois not for profit corporation, has requested that the Authority issue not to exceed \$315,000,000 (excluding original issue discount or premium, if any) in aggregate principal amount of revenue bonds consisting of one or more series of Revenue Refunding Bonds, Series 2015C (Silver Cross Hospital and Medical Centers) (the “Series 2015C Bonds”) and loan the proceeds thereof to the Hospital to provide the funds necessary to do any or all of the following: (i) refund all or a portion of the outstanding principal amount of the Illinois Finance Authority Revenue Bonds, Series 2009 (Silver Cross Hospital and Medical Centers) (the “Prior Bonds”), the proceeds of which were loaned to the Hospital to pay or reimburse the Hospital for the payment of the costs of acquiring, constructing and equipping certain health care facilities of the Hospital, including, but not limited to, an approximately 553,867 square foot replacement acute care hospital and related facilities, (ii) fund a debt service reserve fund, and (iii) pay certain expenses incurred in connection with the issuance of the Series 2015C Bonds and the refunding of the Prior Bonds, all as permitted by the Act (collectively, the “Financing Purposes”).

Item 7: Item 7 is a request for 501(c)(3) Revenue Bond financing.

The University of Chicago Medical Center is requesting approval of a Final Bond Resolution in an amount not to exceed Twenty-Five Million Dollars (\$25,000,000). This financing is being presented for one-time consideration.

The University of Chicago Medical Center, an Illinois not for profit corporation (the “Corporation”), has requested that the Authority issue not to exceed \$25,000,000 (excluding original issue discount or premium, if any) in aggregate principal amount of revenue bonds consisting of one or more series of Revenue Refunding Bonds, Series 2015A (The University of Chicago Medical Center) (the “Series 2015A Bonds”) and loan the proceeds thereof to the Corporation in order to assist the Corporation in providing the funds necessary to do any or all of the following: (i) refund a portion of the outstanding Illinois Finance Authority Revenue Bonds, Series 2009C (The University of Chicago Medical Center) (the “Refunded Series 2009C Bonds”) and (ii) pay certain expenses incurred in connection with the issuance of the Series 2015A Bonds and the refunding of

the Refunded Series 2009C Bonds, all as permitted by the Act (collectively, the “Financing Purposes”).

Resolutions

Item 10: Item 10 is a Resolution Authorizing the Purchase of the Series 2004 Bonds by Swedish American Hospital in Lieu of Redemption and the Cancellation of the AMBAC Bond Insurance Supporting the Series 2004 Bonds.

Executive Director Meister presented the following resolution:

Resolutions

Item 11: Item 11 has been withdrawn.

Mr. Riordan of Mesirow Insurance Services, Inc. informed the Committee that Executive Director Meister will be binding coverage for general liability, automobile, property and fiduciary liability insurance (collectively, “Property & Casualty Insurance”) with Harleysville and Travelers Casualty during the insurance period March 31, 2015 to March 31, 2016 at a total package premium of \$7,038.

Binding Property & Casualty Insurance with these carriers will be a renewal of current insurance policies, but the premium will be \$161 less and thus more favorable to the Authority.

Since June 21, 2012, the Authority has been under contract with Mesirow Insurance Services, Inc. to provide insurance brokerage and risk management services to the Authority for a two-year term with a one-year renewal option.

It was determined that a resolution to undertake these renewals with Harleysville and Travelers Casualty will not be needed, and thus, Item 11 was withdrawn.

Item 12: Item 12 is a Resolution Authorizing Execution of a First Amendment to Intergovernmental Agreement with the Office of the State Fire Marshal (“OSFM”) for the Fire Truck Revolving Loan Program and Related OSFM Programs.

Executive Director Meister explained that the Authority wishes to (i) conform the date of the interest rate calculation in the original Intergovernmental Agreement with the proposed rule changes the Authority and OSFM are seeking in accordance with the Illinois Administrative Procedures Act to administer the Fire Truck Revolving Loan Program (the “Fire Truck Program”), the Fire Station Revolving Loan Program (the “Fire Station Program”) and the Ambulance Revolving Loan Program (the “Ambulance Program”, and together with the Fire Truck Program and the Fire Station Program, the “Loan Programs”) and (ii) extend the initial term of the Original Intergovernmental Agreement from one (1) year to five (5) years.

Ms. Gildart presented the following resolution:

Resolutions

Item 13: Item 13 is a Resolution Cancelling Awards for the Accounting and Auditing Pool Contract.

Ms. Gildart explained that the IFA Board of Directors adopted Resolution #2015-0208-AD05 on February 18, 2015, which approved of the terms of an Audit and Attestation Services contract to (i)

Washington, Pittman and McKeever, LLC, (ii) Prado and Renteria CPAs Professional Corp., (iii) Crowe Horwath LLP, (iv) Franklin and Vaughn, LLC and (v) Ringold Financial Management Services, Inc. (the “Audit and Attestation Services Contract”) as well as approved of the terms of an Accounting Services contract to (i) Washington, Pittman and McKeever, LLC, (ii) Prado and Renteria CPAs Professional Corp., (iii) Crowe Horwath LLP, (iv) Franklin and Vaughn, LLC, (v) Ringold Financial Management Services, Inc. and (vi) Globetrotters International, Inc. (the “Accounting Services Contract” and collectively with the Audit and Attestation Services, the “Accounting and Auditing Pool Contract”).

This Accounting and Auditing Pool Contract procurement was made to augment the Authority’s understaffed Finance Department. These vendors were going to tackle delayed accounting and auditing projects to assist staff mostly in preparation of the financial audit and compliance audits and accounting software ledger updates. The awardees would have been engaged for a 3-year term with no anticipated renewal options.

Executive Director Meister informed the Committee that it is in the best interest of the Authority, upon further review at this time, not to award the contracts because it was likely too expensive given the Authority’s budget needs.

IX. Other Business

None.

X. Public Comment

None.

XI. Adjournment

At the time of 10:16 a.m., Vice Chairman Goetz moved that the Committee do now adjourn until April 14, 2015, at 9:30 a.m.

Member Leonard seconded the motion.

The motion prevailed.

Chairman Brandt thanked Mr. Fletcher for recently performing the duties of Assistant Secretary of the Board, which are in addition to his duties as a Financial/Legal Analyst for the Authority’s Business & Industry, Educational, Cultural, Non-Healthcare 501(c)(3) and Local Government projects with Mr. Frampton.

And the Committee stood adjourned.

Mr. Frampton presented the following projects:

Agriculture Projects

Item 2: Item 2 is a request for a Working Capital Guarantee.

Edward and Connie Peterson are requesting approval of a Working Capital Guarantee in an amount not to exceed 85% of a proposed face loan amount of Two Hundred Forty Thousand Dollars (\$240,000). This financing is being presented for one-time consideration.

Loan proceeds will be used by Edward Peterson and Connie Peterson (collectively, the “Borrower”) and Alpine Bank & Trust Co. (the “Secured Lender”) to provide working capital to assist the Borrower in financing annual agricultural input costs. The Authority’s guarantee represents State Treasurer funds at risk in an amount not to exceed Two Hundred Four Thousand Dollars (\$204,000). The Secured Lender will be exposed on all debt above the guaranteed amount.

Educational, Cultural and Non-Healthcare 501(c)(3) Projects

Item 3: Item 3 is a request for Student Loan Revenue Bond financing.

Midwestern University Foundation is requesting approval of an Amended and Restated Final Bond Resolution in an amount not to exceed Twenty Million Dollars (\$20,000,000) that will update terms of the previously approved IFA Resolution 2014-1209-NP03 (hereinafter, the “Prior Bond Resolution”) among other things, restructuring of certain of the financing terms and to approve the issuance of the Series 2015 Bonds under a stand-alone Trust Indenture securing the IFA Bonds.

Since the date of adoption of the Prior Bond Resolution, the Foundation has determined that it is in its best interests to restructure certain of the terms of the financing, including, among others, (i) deleting the Master Indenture (as defined in the Prior Bond Resolution), (ii) creating additional funds and accounts under the Bond Trust Indenture (hereinafter, the “Indenture”), and (iii) establishing a trust estate for the benefit of the Series 2015

Bonds pursuant to the Indenture and the Financing Agreement between the Authority and the Foundation (the “Financing Agreement”).

The Foundation will apply the proceeds from the sale of the Series 2015 Bonds, together with certain other available funds, to (i) finance private education loans to be made by the Foundation to students of the University that attend the University’s Illinois Campus, (ii) finance a portion of the interest on the Series 2015 Bonds, (iii) finance one or more debt service reserve funds for the benefit of the Series 2015 Bonds, and (iv) pay certain costs relating to the issuance of the Series 2015 Bonds (collectively, the “Financing Purposes”).

Item 4: Item 4 is a request for 501(c)(3) Revenue Bond financing.

Noble Network of Charter Schools is requesting approval of a Final Bond Resolution in an amount not to exceed Twenty-Two Million Five Hundred Dollars (\$22,500,000). This financing is being presented for one-time consideration.

Noble Network of Charter Schools, an Illinois not for profit corporation (the “Corporation”), has requested that the Authority issue not to exceed \$22,500,000 (excluding original issue discount or premium, if any) in aggregate principal amount of revenue bonds consisting of one or more series of Education Revenue Bonds (Illinois Charter Schools Project -- Noble Network of Charter Schools), Series 2015 (the “Series 2015 Bonds”) and loan the proceeds thereof to the Corporation in order to assist the Corporation in providing a portion of the funds necessary to do any or all of the following: (i) advance refund in their entirety the Authority’s \$11,250,000 (original principal amount) Education Revenue Bonds (Illinois Charter Schools Project -- Noble Network of Charter Schools), Series 2006C (the “Series 2006 Bonds”) and its \$13,620,000 (original principal amount) Education Revenue Bonds (Illinois Charter Schools Project -- Noble Network of Charter Schools), Series 2007A (the “Series 2007 Bonds” and together with the Series 2006 Bonds, the “Refunded Bonds”) (ii) if deemed necessary or desirable, pay a portion of the interest on the Series 2015 Bonds; (iii) if deemed necessary or desirable, establish a debt service reserve fund for the benefit of the Series 2015 Bonds; and (iv) pay certain expenses incurred in connection with the issuance of the Series 2015 Bonds and the refunding of the Refunded Bonds, all as permitted by the Act (collectively, the “Financing Purposes”).

Healthcare Projects

Item 6: Item 6 is a request for 501(c)(3) Revenue Bond financing.

Silver Cross Hospital is requesting approval of a Final Bond Resolution in an amount not to exceed Three Hundred Fifteen Million Dollars (\$315,000,000).

Silver Cross Hospital and Medical Centers (the “Hospital”), on behalf of itself and Silver Cross Health System (the “Parent” and, together with the Hospital, the “Members of the Obligated Group”), each an Illinois not for profit corporation, has requested that the Authority issue not to exceed \$315,000,000 (excluding original issue discount or premium, if any) in aggregate principal amount of revenue bonds consisting of one or

more series of Revenue Refunding Bonds, Series 2015C (Silver Cross Hospital and Medical Centers) (the “Series 2015C Bonds”) and loan the proceeds thereof to the Hospital to provide the funds necessary to do any or all of the following: (i) refund all or a portion of the outstanding principal amount of the Illinois Finance Authority Revenue Bonds, Series 2009 (Silver Cross Hospital and Medical Centers) (the “Prior Bonds”), the proceeds of which were loaned to the Hospital to pay or reimburse the Hospital for the payment of the costs of acquiring, constructing and equipping certain health care facilities of the Hospital, including, but not limited to, an approximately 553,867 square foot replacement acute care hospital and related facilities, (ii) fund a debt service reserve fund, and (iii) pay certain expenses incurred in connection with the issuance of the Series 2015C Bonds and the refunding of the Prior Bonds, all as permitted by the Act (collectively, the “Financing Purposes”).

Item 7: Item 7 is a request for 501(c)(3) Revenue Bond financing.

The University of Chicago Medical Center is requesting approval of a Final Bond Resolution in an amount not to exceed Twenty-Five Million Dollars (\$25,000,000). This financing is being presented for one-time consideration.

The University of Chicago Medical Center, an Illinois not for profit corporation (the “Corporation”), has requested that the Authority issue not to exceed \$25,000,000 (excluding original issue discount or premium, if any) in aggregate principal amount of revenue bonds consisting of one or more series of Revenue Refunding Bonds, Series 2015A (The University of Chicago Medical Center) (the “Series 2015A Bonds”) and loan the proceeds thereof to the Corporation in order to assist the Corporation in providing the funds necessary to do any or all of the following: (i) refund a portion of the outstanding Illinois Finance Authority Revenue Bonds, Series 2009C (The University of Chicago Medical Center) (the “Refunded Series 2009C Bonds”) and (ii) pay certain expenses incurred in connection with the issuance of the Series 2015A Bonds and the refunding of the Refunded Series 2009C Bonds, all as permitted by the Act (collectively, the “Financing Purposes”).

Mr. Frampton noted that the plan of finance contemplates the Series 2015A Bonds being sold in a private placement with Loop Capital Markets, LLC as the placement agent.

Chairman Brandt asked for and, by unanimous consent, obtained leave to apply the results of the vote for Item 1 to the following projects: Items 2, 3, 4, 6 and 7.

Leave was granted.

These projects, having received the votes of a quorum of the Members of the Board, were declared passed.

Chairman Brandt directed Mr. Frampton to present the resolutions without guests or abstentions to the Board.

Mr. Frampton presented the following resolutions:

Resolutions

Item 8: Item 8 is an Amendatory Resolution that would provide for IFA’s consent to a partial release of collateral in connection with an outstanding Illinois Finance Authority Agricultural Development Revenue Bond issued on behalf of Rex A. Gehrig in the

original Aggregate Principal Amount Not To Exceed \$160,000 as requested by the State Bank of Speer, as the Lender and Bondholder.

- Item 9:** Item 9 is a Resolution Authorizing the Execution and Delivery of a Second Amendment to the Bond and Loan Agreement Relating to Illinois Finance Authority Industrial Development Revenue Bonds (Ockerlund Industries, Inc. Project) Series 2005; and Related Matters.
- Item 10:** Item 10 is a Resolution Authorizing the Purchase of the Series 2004 Bonds by Swedish American Hospital in Lieu of Redemption and the Cancellation of the AMBAC Bond Insurance Supporting the Series 2004 Bonds.
- Item 11:** Item 11 has been withdrawn.
- Item 12:** Item 12 is a Resolution Authorizing Execution of a First Amendment to Intergovernmental Agreement with the Office of the State Fire Marshal for the Fire Truck Revolving Loan Program and Related OSFM Programs.
- Item 13:** Item 13 is a Resolution Cancelling Awards for the Accounting and Auditing Pool Contract.

Chairman Brandt suggested that the Authority's Audit Committee be expanded in the near future to an Audit and Finance Committee in order to address procurement processes.

Chairman Brandt asked for and, by unanimous consent, obtained leave to apply the results of the vote for Item 1 to the following resolutions: Items 8, 9, 10, 12 and 13.

Leave was granted.

These resolutions, having received the votes of a quorum of the Members of the Board, were declared adopted.

Chairman Brandt directed Mr. Frampton to present the project which may have guests to the Board.

Mr. Frampton presented the following project:

Educational, Cultural and Non-Healthcare 501(c)(3) Projects

- Item 5:** Item 5 is a request for 501(c)(3) Revenue Bond financing.

CHF-Cook, L.L.C. is requesting approval of a Preliminary Bond Resolution in an amount not to exceed Forty-Five Million Dollars (\$45,000,000).

Bond proceeds will be loaned to CHF - Cook, L.L.C., a single member limited liability company organized and existing under the laws of the State of Alabama (the "Borrower"), for the purposes of (and including but not limited to) providing the Borrower with all or a portion of the funds necessary to (i) finance the cost of the acquisition, construction, furnishing and equipping of an approximately 110-unit, 440-bed apartment style student housing facility (the "Project"), (ii) fund interest on the Bonds for a period requested by the Borrower, (iii) fund a debt service reserve fund for the benefit of the Bonds, if requested by the Borrower and (iv) pay expenses incurred in connection with the issuance of the Bonds, including bond insurance, if requested by the Borrower, all as permitted by the Act (collectively, the "Financing Purposes").

The Project will be located on Northeastern Illinois University's (hereinafter, the "University's") main campus in Chicago, Illinois and is being developed and financed pursuant to an award resulting from a Request for Proposal for the Design, Development and Management of Student Housing posted by the University.

Mr. Frampton announced that Mrs. Melissa Reardon-Henry, General Counsel of Northeastern Illinois University, was present and ready to speak on behalf of the project.

Mrs. Reardon-Henry thanked the Members of the Board for their consideration of the financing.

Chairman Brandt recognized and thanked Mrs. Reardon-Henry.

Chairman Brandt asked for and, by unanimous consent, obtained leave to apply the results of the vote for Item 1 to the following project: Item 5.

Leave was granted.

This project, having received the votes of a quorum of the Members of the Board, was declared passed.

VI. Other Business

Executive Director Meister, on behalf of Chairman Brandt's Board colleagues and the staff of the Authority, thanked Chairman Brandt for volunteering thousands of hours since January 2008 and for leading the Authority through challenging times for the state of Illinois. Executive Director Meister stated that Chairman Brandt has always understood the vital role that the Authority's financing projects have in making a positive impact on the lives of ordinary Illinois citizens.

Chairman Brandt wished nothing but success to Members of the Board, Authority staff and all guests present. He expressed his joy in working with everyone, including past Members of the Board, during his time as Chairman.

VII. Public Comment

None.

VIII. Adjournment

Chairman Brandt reminded Members of the Board, Authority staff and all guests present that the next regular meeting of the Board will be held on April 14, 2015, at 10:30 a.m.

At the time of 10:50 a.m., Member Bronner moved that the Board do now adjourn until April 14, 2015, at 10:30 a.m.

Member O'Brien seconded the motion.

The motion prevailed.

And the Board stood adjourned.

FINANCIAL ANALYSIS

April 14, 2015

**V. PRESENTATION AND CONSIDERATION OF THE FINANCIAL STATEMENTS
MONTHLY AND ANNUAL SUMMARY AS OF MARCH 31, 2015****1. GENERAL OPERATING FUND REVENUES, EXPENSES AND NET INCOME**

- a. **Annual Operating Revenues** to date totaled \$2.9 million, while annual Net Non-Operating Revenues totaled \$159 thousand. Total annual combined revenues of \$3.1 million are \$234 thousand or 7% below budget; due primarily to lower than expected closing and miscellaneous fees. Closing fees year to date of \$1.7 million, are \$190 thousand or 10% below budget. Included in Interest Income on Loans, the year to date revenue accrued for interest due from the former IRBB local governments totaled \$848 thousand which is in line with the FY 2015 budget for the local government loans. Annual fees of \$282 thousand are 12% or \$29 thousand higher than budget. Administrative service fees (non-closing fees, typically TEFRA and amendment fees) are also 16% higher than budgeted, totaling \$100 thousand for the year. Annual net investment income of \$149 thousand is more than double the fiscal year 2014's ending total as of March which is in line with the FY 2015 budget for investment revenue.
- b. **In March**, the Authority generated \$184 thousand in closing fees, which is close to the average monthly total of \$186 thousand. This is below the average monthly budgeted amount for closing fees of \$207,250. Closing fees were received from: *University of Chicago Hospital*, \$74 thousand, *Lifespace*, \$95 thousand, and *Agriculture-related* closings (beginning farmer bonds) of just under \$16 thousand. Administrative service fees of \$25 thousand were booked for *Swedish American Hospital*. March's net investment revenue of \$34 thousand is double the average monthly amount of \$17 thousand.
- c. **Annual Operating Expenses** of \$2.6 million are \$695 thousand or 21% lower than budget, mostly driven by lower employee-related expenses and professional service costs. Year to date, employee expenses total \$1.3 million and are 19% below budget and professional services total \$800 thousand and are 29% below budget. Annual occupancy costs total \$151 thousand and are \$68 thousand or 31% under budget (including the cost of the move). General and administrative costs are \$286 thousand for the year, which is 14% over budget (costs spiking due to deferred back-end costs). Other contributors to lower overall year to date operating costs include the delay in the implementation of the compliance driven debt management software application and reduced staff costs.
- d. **In March**, total professional services of \$83 thousand included payments for legal services (\$13K) compliance and accounting assistance (\$22K), financial advisory fees (\$14K), IT data storage and records management fees (\$11K) and payroll services (\$5K). Salaries are flat from February at \$133 thousand, which is down from \$158 thousand in July 2014, with the departure of three full time employees and two Finance/Legal Fellows in recent months. General and administrative costs of \$41 thousand included charges for records storage and Bond Buyer and

V. PRESENTATION AND CONSIDERATION OF THE FINANCIAL STATEMENTS MONTHLY AND ANNUAL SUMMARY AS OF MARCH 31, 2015 (CONT'D)

Bloomberg subscription services (noted above in Annual Operating Expenses as “deferred back-end costs”).

- e. **March** activities resulted in monthly Net Income of \$119 thousand. **On a year to date** basis, IFA currently shows Annual Net Income of \$782 thousand. Major contributors to the positive bottom line include the level of overall spending at 21% below budget, the transfer of the remaining IRBB reserve funds earlier this fiscal year and greater than expected investment returns. Budgeted net income at this point in the fiscal year is just \$28 thousand.

2. ALL FUNDS-ASSETS, LIABILITIES AND NET POSITION

- a. The Authority, as of March 2015, is a \$127 million dollar agency which also accounts for \$300 million in total activity (including the debt of other State of Illinois agencies) and maintains compliance for nearly \$24 billion in outstanding, mainly conduit (not the obligation of either the State or the Authority), debt.

3. GENERAL OPERATING FUND-ASSETS, LIABILITIES AND NET POSITION

- a. In the General Fund, the Authority continues to maintain a strong balance sheet with total net position of \$52.7 million (the main Authority balance sheet outside of program funds and the State Component Parts). The total assets in the General Fund are \$53.2 million (consisting mostly of cash, investments, and receivables). Unrestricted cash and investments total \$29.2 million, notes receivables for the former IRBB local governments total \$20.5 million, other loans receivables are at \$2 million and restricted cash in the DACA Loan Fund totals \$1.3 million. Liabilities, current and non-current, total just \$518 thousand.

4. YEAR TO DATE ACTIVITY FOR ALL OTHER FUNDS

- a. The “Other State of Illinois Debt Fund” (or combined State Component Parts) is comprised of activity related to bonds issued by the Authority on behalf of the Illinois Environmental Protection Agency Clean Water Initiative (State Revolving Fund) (IEPA-SRF 2013), the Illinois Medical District Commission (IMDC 2006) and Northern Illinois University Foundation (NIUF 2006 and 2013). The majority of the activity in this fund is related to IEPA-SRF 2013.
- b. Unique among the State Component Part bond issues, for which the Authority reports only financial transactions, and does not hold funds, the Authority is currently the custodian of \$42 million in connection with IEPA-SRF 2013. At the request of IEPA, the Authority made various transfers, totaling \$140 million (comprised of bond proceeds, repayments of pledged loans and federal cap grants accessed by the bond proceeds), between October 2014 and March 2015, to the State Treasurer. These transferred funds may be reinvested by the Authority in the future on behalf of IEPA.
- c. Authority staff anticipates working with the Board to update the investment policy in order to increase return for 2013 IEPA-SRF funds with appropriate safety and transparency.

V. PRESENTATION AND CONSIDERATION OF THE FINANCIAL STATEMENTS MONTHLY AND ANNUAL SUMMARY AS OF MARCH 31, 2015 (CONT'D)

- d. In April 2015, the Authority received partial approval from Governor's Office of Management & Budget through the Office of the State Fire Marshal (OSFM) to move forward with making loans, based on applications originated and approved by the OSFM, from some of the Authority's locally held Fire Truck Revolving Loan Funds per Public Act 97-901. The extent of this partial approval remains to be determined. The Authority's locally-held Fire Truck and Ambulance Revolving Loan Funds have total year to date receipts of \$329 thousand (principal only loan repayments). Net investment income from both funds equals \$61 thousand. Monies have been invested since July 2014. The net position of \$30 million for Fire Truck and \$4.2 million for Ambulance is now on the Authority's balance sheet due to Public Act 97-901. The Fire Truck Revolving Loan Program was the subject of findings in recent audits as well as the subject of extended discussion during the Authority's March 2015 House Appropriation Hearing. During the coming weeks of the current General Assembly, there may be action to re-direct these funds as part of a larger effort to mitigate the State's financial crisis.
- e. Other Nonmajor Funds booked revenues of \$188 thousand, of which, \$158 thousand is derived from investment activity. Year to date, the nonmajor funds show a net loss of \$117 thousand, driven by the one-time transfer of funds out of the IRBB Reserve Fund (pursuant to the August 2014 redemption and defeasance of the IRBB program) to the General Operating Fund. All other activities for Nonmajor Funds result in positive net income of \$177 thousand as of March. Total Net Position in the Nonmajor Funds is \$39.5 million.
- f. The Agency/Fiduciary Funds for IFA include both the Metro East Police District Commission and the Illinois Finance Authority NFP Development Fund (established in 2013 in connection with the Authority's application for New Markets Tax Credits from the federal government), with combined current assets of \$60 thousand.

5. FY14 AND FY15 COMPLIANCE AUDITS and LEGISLATIVE AUDIT COMMISSION

- a. The entrance conference for the FY14 and FY15 compliance audits was held March 16, 2015.
- b. The Authority's Legislative Audit Commission (LAC) hearing on the Authority's FY 2013 Compliance Examination and Financial Audit was held March 24, 2015. The LAC unanimously voted to accept the Authority's FY 2013 Audits.
- c. Fieldwork for the FY14 and FY15 compliance audits began March 25, 2015.

VOTING RECORD

Voting Record (March 10, 2015) – Preliminary Bond Resolution – 10 Yeas; 0 Nays; 0 Abstain; 4 Absent (Fuentes, Gold, Pedersen, Tessler)

PURPOSE

To finance the design, development, construction and equipment of an approximately 440-bed student residence facility to be developed on land under a ground lease from Northeastern Illinois University and located on the University's main campus in Chicago, Illinois. The Project will also include a 4,600 SF community center that will feature a fitness center, social lounge, study lounge, management and resident life offices, mailroom, and other amenities (collectively, the "Project"). This project will provide NEIU with its first on-campus housing facility.

The Project will be owned by an affiliate of Collegiate Housing Foundation, a 501(c)(3) corporation based in Fairhope, AL that is engaged in developing 501(c)(3)-owned student housing projects nationally. The Project will be developed and constructed by an affiliate American Campus Communities, Inc. of Austin, TX. Additionally, upon completion, day-to-day operations will be managed by an affiliate of ACC on behalf of the University.

501(c)(3) Bonds are municipal bonds authorized under the Internal Revenue Code that enable 501(c)(3) corporations to finance capital projects furthering support of their mission. The IFA's issuance of these Bonds will convey federal tax-exempt status on interest paid to bondholders, thereby enabling bondholders to accept a below market interest rate that is passed through to the borrower.

Development of this project and selection of the Project Development Team was pursuant to a Request for Proposal for the Design, Development and Management of Student Housing issued by the University in November 2013 (see p. 7).

VOLUME CAP

	Total	\$45,000,000	Total	\$ 45,000,000

Note: The amounts reported in the table above are preliminary and subject to change. The Capitalized Interest Fund will be established at an amount sufficient to fund interest expense to February 2017 (i.e., a period 6 months beyond the anticipated August 2016 project completion date, as customary). The Debt Service Reserve Fund will be capitalized at an amount sufficient to cover a minimum of one year’s Maximum Annual Debt Service payments. Taxable Bonds may be issued to finance ineligible costs (and would be expected to total less than \$500,000 if issued). (Any Taxable Series issued in connection with the Project would also be rated by Standard & Poor’s.)

FINANCING SUMMARY

Bondholder’s Security/

Credit Ratings: The Borrower and RBC Capital Markets LLC contemplate obtaining a direct rating on the Bonds for sale to investors and currently anticipate that the Bonds will be assigned a low investment grade rating (e.g., “BBB-”) from Standard and Poor’s.

Under this “direct rating” structure, security for the Bonds will include Revenues collected by the University on behalf of the Borrower and deposited with the Trustee and funds and accounts held under the Trust Indenture including (1) Construction Fund and Debt Service Fund/Capitalized Interest Account during the construction phase and (2) a Debt Service Reserve Fund and Repair and Replacement Fund during the operating phase.

The Debt Service Reserve Fund will be fully funded at closing in an amount equal to maximum annual debt service on the Bonds. Additionally, the Repair and Replacement Fund will be capitalized on an annual basis from project cash flows in an initial amount of \$175 per bed per year (and escalating thereafter annually).

The Borrower will be required to execute the following documents: (1) a Security Agreement, encumbering Project Revenues, equipment and inventory; (2) a Leasehold Mortgage and Assignment of Rents and Leases, encumbering all of the Borrower’s rights, title and interest in and to the land and improvements; and (3) an Assignment of Contract Documents, assigning the Borrower’s interest in the development agreement, construction contract and other related agreements.

Limited

Obligations: The Bonds will be limited obligations of the Illinois Finance Authority, the State of Illinois, and its political subdivisions, and will be payable only from revenues of the Project and secured by (i) a Leasehold Mortgage on the land and improvements, (ii) a collateral assignment of Rents and Leases, and (iii) a Security Agreement. Note: the University will, however, have a limited obligation to support the Project as described in the NEIU (Limited) Occupancy Support Contribution section that follows below (p. 4).

Minimum Rate
Covenant

Requirement: Pursuant to terms of the Ground Lease, CHF-Cook, L.L.C. will be subject to a rate covenant to revise rates, fees, and charges as necessary so that Revenue Available for Fixed Charges will be sufficient to meet the minimum 1.20x times minimum Debt Service Coverage requirement specified in the Loan Agreement.

NEIU (Limited)
Occupancy
Support
Contribution

Amount: Pursuant to language contained in the draft documents presented to S&P, including the Ground Lease Agreement between the University and CHF-Cook, L.L.C. (the Borrower), the Property Manager (ACC SC Management, LLC, an affiliate of American Campus Communities, Inc.) will be required to prepare a "Coverage Report" semi-annually that forecasts the anticipated Fixed Charge Coverage Ratio for the Project. The Fall report will be delivered in a timeframe sufficient to enable the University to include any required Occupancy Support Contribution Amount that is necessary to attain minimum 1.0x times debt service coverage for the Project in its annual budget (finalized each September). The University's Occupancy Support Contribution requirement will assure minimum 1.0x times debt service coverage on the Bonds.

Limitation of this Occupancy Support Contribution Requirement: This Contribution is subject to termination and cancellation without penalty, acceleration, or other recoupment in any fiscal year only to the extent to which (i) funds appropriated by the Illinois General Assembly and available for such payments combined with (ii) legally available non-appropriated funds the University are inadequate. Under the Ground Lease, the University agrees that it will prepare its final operating budget to reflect an amount of legally available non-appropriated (i.e., tuition and fees; third party payments) which when combined with budgeted state appropriated funds will be sufficient to pay the University's (and ACC SC Management, LLC's) reasonable estimate of any Occupancy Contribution Amount projected to be payable in any year.

Aside from any Occupancy Support Contribution Amount, the University shall have no liability, express or implied, for the payment of principal of, premium, if any, or interest on the IFA Series 2015 Bonds and other than any required Occupancy Contribution, the University shall not be responsible or liable, expressly or implicitly, for any other obligations of any party, under any of the bond documents, or under any other document delivered in connection with the issuance of the Series 2015 Bonds or for the Project.

Note: S&P is engaged to rate the University's debt (including NEIU's most recent \$15.1 million bond issue that closed in December 2014) and undertakes ongoing surveillance of the University's finances. S&P is currently reviewing the transaction documents including this Occupancy Support Contribution requirement (due from the University) in connection with rating the proposed IFA Series 2015 Bonds. The Underwriter, Borrower, and Financing Team are anticipating S&P to award a low investment grade rating (e.g., "BBB-") on the proposed IFA Series 2015 Bonds.

Bonds will
be Non-Recourse
to IFA, and
the State of
Illinois:

The Bonds will not constitute a debt of IFA, the State of Illinois, or any other political subdivision of the State and payment of the Bonds (and any interest thereon) will not be supported by the taxing powers, full faith and credit, or a moral obligation of the State of Illinois or any political subdivision.

Underlying
NEIU Rating
(Informational
only on this
Project
Financing):

Again, the proposed CHF-Cook, L.L.C. Bonds will be rated strictly as a project financing. The University will not be liable for the IFA Series 2015 Bonds except to the extent that Occupancy Contributions are required (as described on p. 4).

Accordingly, this disclosure of the University's underlying credit rating is informational. The University's underlying long-term rating is "A-" from S&P, as assigned in November 2014, in connection with the University's \$15,160,000 Series 2014 Facilities System Revenue Bonds that were issued in December 2014.

Structure/
Interest Rate:

Again, the expectation is that the Bonds will obtain a low investment grade rating (e.g., BBB-) from S&P and will be sold on a fixed rate basis. Interest rates will be based on market conditions at the time of closing.

Interest will be fully capitalized through February 2017 (i.e., a date six months subsequent to the anticipated August 2016 substantial completion date of the Project).

Maturity: 32 years (not-to-exceed)

Anticipated
Closing Date: May 2015

Rationale: The proposed financing and project will provide for the construction of approximately 440 beds of new student housing on the campus of Northeastern Illinois University ("NEIU") as included in both the University's 2008 Strategic Plan and the University's 2015 Strategic Plan update.

The Project will provide an affordable, on-campus housing option for NEIU's students and will have a positive impact on the surrounding community by enhancing the University's ability to attract and retain students, and in turn provide additional economic activity in the area. In the short-term, the Project will provide a source of construction related jobs. Additionally, this Project is expected to contribute to the general diversity and global character of the student body, bringing additional student diversity by (i) drawing non-commuter students from the larger region (e.g., Suburban Chicago; SE Wisconsin, and NW Indiana) who have not considered NEIU in the past and (ii) international students who are attracted to NEIU in part due to the nearly 30 agreements that NEIU has with higher education institutions around the world.

NEIU issued a Request for Proposal for the Design, Development and Management of Student Housing in November 2013. NEIU's objective was to engage third party professionals to finance and construct university student housing facilities according to NEIU design specifications. The proposed financing will enable NEIU to complete financing and construction of these student housing facilities without issuing its own debt. (See "Background on NEIU Procurement" on p. 7.)

BUSINESS SUMMARY

Background: **CHF-Cook, L.L.C.** (the "LLC" or the "Borrower") is an Alabama Limited Liability Company formed in November 2014 for the sole purpose of owning and developing the subject student housing facility for **Northeastern Illinois University** ("NEIU" or the "University").

The sole Member of the Borrower is the **Collegiate Housing Foundation** (the "Foundation"), an Alabama not-for-profit corporation established in 1996. The Foundation received its 501(c)(3) Determination Letter from the IRS in 1997.

The Foundation is governed by a 6-member Board of Trustees (see Economic Disclosure Statement section on p. 10 for further information).

Background on
the University:

Originally founded in Blue Island, IL in 1867 as Cook County's first teacher training institution, today Northeastern Illinois University is a public, comprehensive university primarily serving the Chicago metropolitan area with a commitment to preparing a diverse community of students for leadership and service. The University serves both a traditional cohort of undergraduate students and also provides extensive opportunities for adult learners and innovations in non-traditional education alternatives.

The University's 67 acre main campus is located on the Northwest Side of Chicago in a residential area. The campus is located approximately 8 miles NW of the Chicago Loop and approximately 9 miles east of O'Hare International Airport. The main campus consists of 18 buildings totaling approximately 1 million SF. The University also has satellite campuses including (1) its new El Centro campus that opened in Fall 2014 (3390 N. Avondale, Chicago - Avondale), (2) the Jacob Carruthers Center for Inner City Studies (700 E. Oakwood, Chicago - Grand Boulevard), (3) the Center for College Access and Success (770 N. Halsted, Chicago - West Town), and (4) the University Center of Lake County in Grayslake (adjacent to the College of Lake County), which enhance NEIU's ability to serve the entire metropolitan area.

NEIU also has more than 75 student organizations on campus including a wide mix of academic, social, cultural, religious, and community service organizations. NEIU's Student Union provides the location for campus dining, study lounges, meeting rooms, and events. The University's Campus Recreation Office coordinates clubs and intramural sports. These campus amenities enhance student life and will further support the University's decision to provide on-campus housing.

NEIU is among the most affordable public universities in Illinois, with full-time tuition costs of approximately \$3,500 per semester for in-state undergraduate students (12 credit hours). A tuition rate guarantee allows tuition rates to remain the same for four consecutive years for newly enrolled students. (Non-resident tuition is set at twice the in-state resident rate.)

University
Enrollment:

As of Fall 2014, the University's enrollment was comprised of approximately 10,275 students, with 57% of the student body female and 43% male, with 106 countries represented in its student body. The University offers more than 80 undergraduate and graduate programs in education, business, the arts, and sciences. The University employs 891 staff and has 669 faculty (and offers students a 16:1 Student to Faculty Ratio).

According to the University, student enrollment at NEIU has experienced slight but consistent declines over the past five years that the University administration attributes to three primary factors:

1. Higher graduation rates for enrolled students: NEIU has graduated its highest number of students, reflecting the Strategic Plan's focus on student success. According to the University, these graduations have reduced headcount more rapidly than in prior years.
2. Demographic Trend: The number of high school graduates has been declining both nationally and within the Chicago metropolitan area, thereby increasing competition for a smaller pool of new, first-year applicants.
3. Student retention: The University reports that student retention from first to second year has declined modestly. The University attributes this decline to the depressed nationally economy and other external factors.

Background on
NEIU

Procurement: In keeping with initiatives outlined in NEIU's 2008 Strategic Plan, the University released a Request for Proposal for the Design, Development and Management of Student Housing in November 2013. Ultimately through the RFP, NEIU sought to find a partner to develop a comprehensive, multi-phased University student housing program intended to include the development of housing both on its main campus as well as on property to be acquired by the University adjacent to the main campus.

As a result of its procurement process, the University selected student housing developer American Campus Communities ("ACC" or the "Developer") to develop its first on-campus housing facility. CHF-Cook, L.L.C. (a limited liability company of which Collegiate Housing Foundation is the sole member) in coordination with the University, and under agreements with the Developer, proposes to finance the design, development, construction and equipment of a 110-unit, 440-bed apartment-style student housing community to benefit students attending the University (the "**Project**").

Description
of the
Controlling Project
Owner of CHF-Cook
(i.e., Manager
or Managing
Member):

The **Collegiate Housing Foundation's** mission is to assist college and universities by financing, owning, and operating student housing facilities on or near their campuses.

Since its founding, the Foundation and its special purpose project affiliates own 44 student housing projects in 22 states, with aggregate Project development costs of over \$1.5 billion.

The Collegiate Housing Foundation develops and finances each project as a stand-alone project-based financing. CHF forms a special purpose entity to serve as the Borrower and Owner of the subject student housing facilities to be developed. The sponsoring college/university benefits since the project can potentially be financed on a revenue basis by prospective users.

As proposed, CHF-Cook, L.L.C. will lease the ground for the underlying project from NEIU. The Facility will be financed with proceeds of a tax-exempt bond issue and is mortgaged as security for the Bondholders (i.e., a leasehold mortgage). Upon completion, an affiliate of American Campus Communities (ACC SC Management, LLC) will manage day-to-day operations of the Project. At such a time as the proposed Bonds are paid in full, the mortgage and ground lease will be cancelled and the Foundation's interest in the facility will be conveyed (i.e., donated) to Northeastern Illinois University.

Prior Bond Issues
Involving CHF
Affiliates, State
Universities,
and IFA:

IFA has previous experience with the Foundation. In 2006, IFA issued \$16.0M of 501(c)(3) Revenue Bonds for CHF-DeKalb, L.L.C., a special purpose entity that was formed by the Foundation to develop, construct, and finance a 120-unit replacement student apartment facility ("Northern View Apartments") at **Northern Illinois University ("NIU")** in DeKalb.

IFA's most recent experience with the Foundation was in connection with separate bond issues in early 2011 involving development of new undergraduate student housing facilities at (i) Northern Illinois University (CHF-DeKalb II, L.L.C.) and (ii) Illinois State University in Normal (CHF-Normal, L.L.C.). The \$132.2M IFA Series 2011 Bonds CHF-DeKalb II Project financed the construction of a new 1008-bed facility at NIU, along with the current refunding of the outstanding balance of the IFA Series 2006 Bonds (the proceeds of which had been used to finance a 120-unit/240-bed on-campus apartment building for families). The \$59.6M IFA Series

2011 Bonds (CHF-Normal) project financed the construction of replacement housing at Illinois State University (228 units/896-beds).

All payments relating to all IFA Bonds issued in connection with all three CHF-owned student housing facilities at NIU and ISU have been current and paid as scheduled. The CHF-DeKalb II, LLC (NIU Project) bonds are rated currently rated Baa3/BBB (Moody's affirmed 4/16/2013; S&P affirmed 5/24/2012) while the CHF-Normal, LLC (ISU Project) bonds are currently rated Baa3/BBB- (Moody's affirmed 4/18/2013; S&P affirmed 4/12/2012).

As with the subject project under development involving NEIU, both Northern Illinois University and Illinois State University engaged American Campus Communities (and CHF) via a Request-for-Proposal procurement process to develop, finance, and construct these privatized student housing projects. (As with the proposed NEIU project, the 2006 and 2011 NIU projects and the 2011 ISU project were constructed on sites owned by the respective universities pursuant to ground lease agreements on each site.)

Description
of the
Developer:

American Campus Communities, Inc. ("ACC" or the "Company") was founded in 1993, is based in Austin, TX and has been publicly traded Real Estate Investment Trust ("REIT") on the New York Stock Exchange (NYSE Ticker: ACC) since 2004. ACC focuses on developing and owning student housing as its sole, core business. **ACC SC Development, LLC** (the "Developer" or "ACC SC") a Delaware Limited Liability company, is an indirect wholly owned subsidiary that is responsible for all third party development projects undertaken by ACC.

Since 1996, ACC has developed student housing properties (with a cost basis exceeding \$4.6 billion) for its own account and its university clients and has acquired in excess of \$4.9 billion in student housing assets. ACC has developed or been awarded the development of 102 privatized student housing communities, consisting of more than 65,600 beds. The Company has designed and programmed a full range of contemporary student communities including modern-day residence halls (traditional and full-service), various styles of apartments, as, well as higher density mid- and high-rise communities.

Each student housing development project that the Company develops has a dedicated ACC construction manager assigned to it responsible for scheduling periodic on-site visits with the University and general contractor.

According to ACC's management, ACC has never missed a Fall occupancy target completion date or exceeded an approved development budget on any student housing project it has developed.

In 2013, Forbes magazine named American Campus Communities, Inc. one of the magazine's "Most Trustworthy Companies" in 2013.

Please see www.americancampus.com for more additional information.

Collegiate
Housing
Foundation:

NEIU engaged American Campus Communities, Inc.'s **ACC SC Development, LLC** affiliate pursuant to a Request for Proposal procurement as required under Illinois law to develop, construct, finance, and manage the subject facility. ACC SC Development engaged the **Collegiate Housing Foundation**, in turn, to be the third-party property owner. Due to CHF's status as a 501(c)(3) entity (and the underlying government-purpose use by the University for student housing), ACC's bid to develop the subject project that was structured with d CHF as the project owner, enabled ACC to bid on developing the project based availability of tax-exempt financing, thereby enabling below-market rate financing for the Project.

General

Contractor and

Architect:

In addition to engaging CHF a member of the development team, ACC has engaged **Weis Builders, Inc.** to serve as the General Contractor and **Solomon Cordwell Buenz** as the Architect. Notably, ACC previously engaged Weis Builders, Inc., and Solomon Cordwell Buenz to serve as the General Contractor and Architect, respectively, in connection with the CHF-Normal, L.L.C. project financing.

Overall, Weis Builders has completed over 45 student housing projects totaling over 31,000 beds while Solomon Cordwell Buenz has served as architect on four on-campus development projects with American Campus Communities totaling over 3,500 beds (including Illinois State University) and has designed on-campus academic buildings at major universities nationally.

ACC SC Management,

LLC - Property

Manager:

ACC SC Management, LLC, a Delaware limited liability company (and also an affiliate of American Campus Communities, Inc. and the “**Property Manager**”) will actively manage day-to-day operations at the property and will work with the University to provide residential life services to residents. From 2005-2013, ACC-managed properties have posted average annual occupancy rates of approximately 98%.

Surplus Operating

Cash Flows to

University:

Pursuant to the University’s Ground Lease with CHF-Cook, L.L.C., the University will be entitled to receive surplus cash flows after the payment of operating expenses, debt service, and the funding of the Replacement Reserve by the Property Manager.

Transfer of

Ownership to

NEIU:

Ownership of the Project will be transferred to NEIU at the earlier date of expiration of the Ground Lease or upon repayment of the Bonds.

PROJECT SUMMARY (FOR FINAL BOND RESOLUTION)

Bond proceeds will be issued in one or more series on behalf of CHF-Cook, L.L.C. (the “**Borrower**”), a single member limited liability company organized and existing under the laws of the State of Alabama, to provide the Borrower with the funds necessary to (i) finance the cost of the acquisition, construction, furnishing and equipping of an approximately 110-unit, 440-bed apartment style student housing facility (the “**Project**”), (ii) fund interest on the Bonds [during construction] for a period requested by the Borrower, (iii) fund a debt service reserve fund for the benefit of the Bonds, if requested by the Borrower and (iv) pay expenses incurred in connection with the issuance of the Bonds, including bond insurance, if requested by the Borrower, and all as permitted under the Illinois Finance Authority Act, as amended (and collectively, the “**Financing Purposes**”).

The Project (a) will be operated by ACC SC Management LLC, a Delaware limited liability company, and (b) is located on land owned by Northeastern Illinois University (the “**University**”) and to be leased to the Borrower. The Project will be located on the current site of parking lot H, on the Access Road that constitutes the western boundary of the main campus of the University with an address of 5500 N. St. Louis Avenue, Chicago, Illinois 60625, and with the residence hall north wall to be located approximately 60-70 feet south of the south wall of the parking ramp facility adjacent to parking lot H.

The Project will be owned by CHF-Cook, L.L.C., a single member limited liability affiliate of Collegiate Housing Foundation (the “**Foundation**”), a 501(c)(3) corporation based in Fairhope, AL. The Foundation is engaged in owning 501(c)(3)-owned student housing projects in support of colleges and universities nationally. The Project will be developed and constructed by an affiliate **American Campus Communities, Inc.** of Dallas, TX (as “**Developer**”). Day-to-day operations will be managed by **ACC SC Management LLC**, a Delaware limited liability company (the “**Property Manager**”) and an affiliate of American Campus Communities, Inc. on behalf of the University.

Estimated project costs are as follows (preliminary, subject to change):

Construction & Equipping (with contingency)	\$36,179,627
Title/Closing Costs/Initial Operations	505,740
Project-Related Soft Costs (Acctg., Legal, Ins., Feas. St.)	<u>1,147,869</u>

VOTING RECORD

None. This will be the first time this matter will be considered by the IFA Board of Directors.

PURPOSE

Bond proceeds will be used by **Northwestern University** (“**Northwestern**”, the “**University**” or the “**Borrower**”), an Illinois corporation, for the purpose of assisting Northwestern in (i) the financing, refinancing, or reimbursing of all of a portion of the costs of the acquisition, construction, renovation, improvement and equipping of certain of its facilities, constituting “educational facilities” as defined in the Illinois Finance Authority Act (the “Act”) including facilities owned or operated by the University and located on land owned by the University or in space leased by the University located on the University’s Evanston, Illinois campus, and the University’s Chicago, Illinois campus and, prospectively at several other locations in Evanston, Chicago, and at 3095 N. Oak Grove Ave. in Waukegan, Illinois (collectively, the “**Project**”). Additionally, bond proceeds may (ii) finance all or a portion of the interest on the Bonds, and (iii) pay costs of issuance, all as permitted under the Act (and together with the Project, the “**Financing Purposes**”). A comprehensive listing of the prospective project sites is contained in the Bond Resolution prepared in connection with consideration of this matter and on p. 8 of this report.

IFA PROGRAM AND CONTRIBUTION

501(c)(3) Bonds are a form of municipal bonds that 501(c)(3) corporations can use to finance capital projects that will be used to further their charitable mission. IFA’s issuance will convey federal income tax-exempt status on interest earned on the Bonds paid to bondholders, thereby reducing the Borrower’s interest expense.

VOLUME CAP

501(c)(3) Bonds do not require Volume Cap.

SOURCES AND USES OF FUNDS (Preliminary; subject to change)

Sources:	⁽¹⁾ IFA Refunding Bonds	\$145,300,000	Uses:	⁽²⁾ Project Costs	\$145,250,000
	Equity	<u>1,400,000</u>		Costs of Issuance	<u>1,450,000</u>
	Total	<u>\$146,700,000</u>		Total	<u>\$146,700,000</u>

NOTES:

- (1) The par amount issues may ultimately be less than \$145.3 million due to premium.
- (2) From its existing capital project list (see p. 8 of this report), the University has identified current, proposed and potential future capital expenditures at its Evanston and Chicago campuses in excess of the project portion of the IFA Bond proceeds as eligible components of the Project. Capital expenditures in excess of those financed with proceeds of the IFA Bonds will be paid from other sources of funds, including (i) a plan to undertake a proposed taxable debt issuance in an amount of up to \$500 million (a portion of which may also be used for refunding purposes) and (ii) equity provided by the University, including gifts and University resources to finance the balance of potential future capital projects identified on p. 8 of this report (the total estimated cost of which exceeds \$2.6 billion).

According to the University’s 8/31/2014 audited financial statements, the University had Unrestricted Net Assets of \$6.8 billion.

Given Northwestern’s ‘Triple-A’ debt ratings from Moody’s/S&P/Fitch and available unrestricted assets and cash noted in the University’s audited financial statements as of 8/31/2014 (and posted online), the University has considerable flexibility to mix taxable debt and equity to fund the majority of the projects identified on p. 8. (Note: the University previously issued taxable bonds in the amounts of \$200 million in 2012 and \$586 million in 2013.)

JOBS

Current employment:	8,777 (FT)	Projected new jobs:	N/A
Jobs retained:	N/A	Construction jobs:	115 (36 months)

The proposed IFA Bonds will finance a small portion of the proposed capital asset expansion costs. The exact projects to be financed with IFA Bond proceeds have not been determined at this time. Accordingly, full and part-time staffing for the proposed IFA-financed projects has not been determined. The University provided a construction jobs estimate using an economic model that allocated construction costs (and construction employment across all proposed projects) to the anticipated \$145.3 million IFA Series 2015 Bonds for a 36 month period.

FINANCING SUMMARY

- Security/Ratings:** The Bonds will be sold based on the University’s direct, underlying ‘Triple-A’ ratings from Moody’s, S&P, and Fitch. (See the section “Underlying Ratings” below for additional information.)
- Structure:** The plan of finance contemplates the IFA Series 2015 Bonds to be underwritten and sold on the basis of Northwestern University’s long-term ‘Triple-A’ credit ratings.
- Interest Rate:** The Bonds will be sold into the market based on Northwestern’s ‘Triple-A’ long-term debt ratings and interest rates will be determined at pricing. The exact maturities to be issued will be determined by an assessment of market conditions in both the Tax-Exempt and Taxable market in advance of pricing. The objective will be to determine the optimal interest rate mode for each prospective maturity.

Underlying

Ratings: Northwestern University is currently rated “Aaa”/“AAA”/“AAA” long-term and “VMIG 1” and “P-1”/“A-1+”/“F1+” short-term by Moody’s/S&P/Fitch. (The Moody’s short-term “VMIG 1” & “P-1” ratings are for the University’s variable rate debt and commercial paper, respectively.)

- Moody’s affirmed its “AAA” long-term, “VMIG 1” variable rate, and “P-1” commercial paper short-term ratings (with rating outlook stable) on February 20, 2014.
- S&P assigned its “AAA” long-term rating (with rating outlook stable) on the University’s Series 2004C Bonds and Series 2008-D Bonds and affirmed its “A-1+” short-term rating on Northwestern’s commercial paper notes.
- Fitch assigned its “AAA” rating (with rating outlook stable) in connection with the University’s Series 2013 taxable fixed rate revenue bonds on October 18, 2013 (while also affirming its “AAA”/“F1+” ratings on various IFA Revenue Bonds and the University’s Series 2012 \$200 million taxable fixed rate revenue bonds, and the University’s \$300 million taxable commercial paper program).

Maturity: Final Maturity Date: 40 years from the date of issuance (maximum not-to-exceed parameter). Scheduled maturities will be evaluated by the Underwriter, Financial Advisor, and University, prior to pricing to determine the optimal structure.

Anticipated Closing Date: May 2015

Rationale: The proposed financing will enable Northwestern University to finance a portion of a series of projects on a tax-exempt basis. The University plans to take advantage of its ‘Triple-A’ credit rating to optimize interest rate and repayment terms through the issuance of tax-exempt and taxable bonds across various maturities. Savings attributable to the tax-exempt bond issue should help the University provide more services to its students based on existing revenues.

PROJECT SUMMARY (FOR FINAL BOND RESOLUTION)

Bond proceeds will be used by **Northwestern University** (“**Northwestern**”, the “**University**” or the “**Borrower**”), an Illinois corporation, for the purpose of assisting Northwestern in (i) the financing, refinancing, or reimbursing of all of a portion of the costs of the acquisition, construction, renovation, improvement and equipping of certain of its facilities, constituting “educational facilities” as defined in the Illinois Finance Authority Act (the “Act”) including facilities owned or operated by the University and located on land owned by the University or in space leased by the University located on the University’s Evanston, Illinois campus, and the University’s Chicago, Illinois campus and, prospectively at several other locations in Evanston, Chicago, and at 3095 N. Oak Grove Ave. in Waukegan, Illinois (collectively, the “**Project**”). Additionally, bond proceeds may (ii) finance all or a portion of the interest on the Bonds, and (iii) pay costs of issuance, all as permitted under the Act (and together with the Project, the “**Financing Purposes**”). A comprehensive listing of the prospective project sites identified in the Bond Resolution is presented on p. 8 of this report.

BUSINESS SUMMARY

Background: **Northwestern University** (“**Northwestern**”, the “**University**” or the “**Borrower**”) is a private institution founded in 1851 to serve the Northwest Territory, an area that now includes the states of Ohio, Indiana, Illinois, Michigan, Wisconsin and parts of Minnesota. On January 28, 1851, the Illinois General Assembly approved the University’s Act of Incorporation, granting 36 trustees the power to administer the University’s business affairs, organize faculty, adopt by-laws, and grant degrees. (See Economic Disclosure Statement on pp. 5-6 and the Board of Trustees listing on p. 7.)

In 1853, the founders of Northwestern University purchased a 379-acre tract of land on the shore of Lake Michigan - 12 miles north of Chicago. They established a campus and developed the land around it, and named the surrounding town Evanston in honor of one of the University’s founders,

John Evans. The University has two Illinois campuses: (i) a 240-acre campus in Evanston and (ii) a 25-acre campus in downtown Chicago.

Description: Northwestern is a private, coeducational, nonsectarian institution of higher education that is one of the nation's largest independent universities, with a combined enrollment on its Evanston and Chicago campuses of 16,096 full-time undergraduate and graduate students registered for the 2014 Fall quarter.

Northwestern's combined Full-Time Fall Enrollment at its Evanston and Chicago campuses has been stable over the past 5 years and totaled 16,096 as of the Fall 2014 Quarter and was comprised of 8,263 Undergraduate students and 7,833 Graduate and Professional students. Northwestern also operates an international campus in Qatar (undergraduate communications and journalism only).

Northwestern's Evanston campus is the largest campus with more than a mile of Lake Michigan shoreline, includes a total of approximately 239 acres in the City of Evanston, Illinois.

The University's 20-acre Chicago campus is located approximately 12 miles south of the Evanston campus and is adjacent to Chicago's North Michigan Avenue "Magnificent Mile" business district. The Chicago campus houses The Feinberg School of Medicine, the School of Law, the School of Continuing Studies, the evening Master of Management Program of the Kellogg School of Management, and the Allied Health Professions programs. In August 2008, the University established an international campus in Doha, Qatar which offers undergraduate programs in journalism and communication (and has 213 students).

Northwestern is recognized both nationally and internationally for the quality of its educational programs at all levels.

In September 2014, *U.S. News & World Report* ranked Northwestern University thirteenth among top national universities, and has consistently ranked the University's undergraduate programs among the best in the country. In April 2014, *U.S. News & World Report* ranked the Kellogg School of Management sixth in its annual survey of the best graduate schools of business in the nation. Additionally, Northwestern's School of Law was ranked twelfth in legal programs nationally while the Feinberg School of Medicine was ranked eighteenth among research-intensive medical programs. In its most recent assessment of doctoral programs, the National Research Council ranked five Northwestern doctoral programs in the top 10 nationally.

Northwestern University currently has three IFA bond issues outstanding. The total outstanding balances of the University's bond issues as of 8/31/2014 was approximately \$410,300,000 and included five series of Variable Rate Bonds (IFA 2004A, IFA 2004B, IFA 2008A, IFA 2008B and IFA 2008C) and one series of Fixed Rate Bonds (IFA 2006) according to the University's 2014 Financial Report. All payments on Northwestern's outstanding IFA (and IEFA) bonds were current as of 4/1/2015.

BOARD ACTION

Final Bond Resolution (<i>One-time consideration</i>)	No extraordinary conditions
Conduit 501(c)(3) Bonds	Staff recommends approval.
No IFA funds at risk	

PURPOSE

Bond proceeds will be used to refinance the 2010A and 2010B bonds outstanding in the principal amount of \$100,000,000 (the "Prior Bonds") and to pay certain expenses incurred in connection with the issuance of the Bonds and the refunding of the Prior Bonds.

IFA PROGRAM AND CONTRIBUTION

501(c)(3) Bonds are a form of municipal bonds that 501(c)(3) corporations can use to finance capital projects that will be used to further their charitable mission. IFA's issuance will convey federal income tax-exempt status on interest earned on the Bonds paid to bondholders, thereby reducing the Borrower's interest expense. 501(c)(3) bond issues do not require Volume Cap.

BUSINESS SUMMARY

Background: The St. George Corporation (the “Corporation”) is an Illinois not-for-profit corporation created in the year 2000 which serves as the parent corporation and sole corporate member of three not-for-profit corporations: (i) Palos Community Hospital (“PCH”), an acute care hospital located in Palos Heights, Illinois with outpatient satellite facilities in the surrounding community, (ii) Palos Medical Group, a primary care physician group that employs primary care physicians and select specialists, and (iii) St. George Wellness Center (SGWC) which operates the Palos Health and Fitness Center (the “Center”) located in Orland Park, Illinois. It is the vision of the Corporation to be the leading community based health care organization providing quality inpatient, outpatient and preventive services while supporting people in achieving optimum health in response to the needs of the southwest suburban region.

Description: The primary operating entity of the Corporation is PCH. Opened in 1972 with 265 beds, PCH has grown to its current licensed bed capacity of 425, of which 375 are in operation, by responding to population growth and service demands with major building additions and modernizations in 1975, 1978, 1992, 1995, 2006, 2009, 2010 and 2012. In addition to accommodating inpatient demand, these facility expansions have provided for the growth of outpatient, emergency and ancillary departments in response to volume demands, technology, and service developments including single room maternity care, interventional cardiology and open heart surgery.

PCH also operates a satellite facility; the Primary Care Center in Orland Park. This facility provides access to non-urgent outpatient treatment and diagnostic services. PCH provides home based services through Palos Community Hospital Home Health Care, Hospice and Private Duty with offices in Lemont, Illinois. PCH is also a partner with Little Company of Mary Hospital in the Southwest Hospital MRI Center located in Oak Lawn, Illinois.

It is the Mission of PCH that all of its services – preventive, curative or palliative—shall be delivered with quality of the highest caliber and that PCH shall be committed to continually responding to the health care needs of the community with services that are readily available in a form that enhances their efficient use by physicians and patients.

Along with traditional health services, PCH makes its resources available to support many community health initiatives and programs responsive to the needs of the community. Examples of community services provided by PCH include: Asthma Education Program, Chemical Dependency services, Diabetes Fair & Diabetes Self-Management Program, Home Delivered Meals, *Lifeline* (crisis line), Osteoporosis Program, Parent-Child Health Education, Physician Referral Service, Psychiatric Services (inpatient & outpatient), Speakers Bureau, and a number of different Support Groups.

In addition, PCH provides annual health screenings for skin, prostate & colorectal cancer. PCH regularly offers programs on smoking cessation, depression/emotional health, prenatal care/childbirth preparation, caregiving, heart disease, and diabetes. Through its numerous outreach activities, PCH is recognized as the area leader in community education services. PCH also participates in and sponsors a variety of annual community events including a 5K run (benefits Y-ME), Women's Day, Heart Month & a Heart Walk (benefits American Heart Association). Its Speakers Bureau & Health Fair participation reaches thousands in community. PCH's home delivered meals program provides over 30,000 home delivered meals annually to home-bound seniors in our community. PCH's Senior Resource department provides assistance to seniors with Medicare and hospital paperwork. In addition, a variety of community publications including Perspective magazine and Community Calendar are mailed to residents – reaching over 150,000 homes.

Service Area: Primary service area includes: Palos Heights, Palos Hills, Palos Park, Midlothian, Oak Forest, Orland Park, and Tinley Park.

Existing Bonds: Outstanding IFA Bonds: Series 2007A (\$120 million)
Outstanding IFA Bonds: Series 2010A (\$50 million)*
Outstanding IFA Bonds: Series 2010B (\$50 million)*
Outstanding IFA Bonds: Series 2010C (\$148 million)

* Outstanding Series 2010A and 2010B bonds will be refinanced/renewed at closing.
