Dear Member of the Authority:

Looking Back at the Accomplishments of Fiscal Year 2016

As we look forward to upcoming challenges in fiscal year 2017, it is important to take a moment and reflect upon our collective accomplishments over the past twelve months. The amount of dollar volume conduit issuance is a useful, albeit imperfect, measure of the positive impact of the Authority's work for the people of Illinois as well as revenue earned by the Authority.

We close fiscal year 2016 with having issued more than \$3.7 billion in conduit debt during the 12-month period, the highest aggregate par amount issued since the end of fiscal year 2009. This accomplishment was made possible by the confidence that our borrowers have in the Authority, its staff and its operations as well as by the teams of financial and legal professionals who collaborate with the Authority to close each individual bond transaction. The size and variety of the Authority's transactions this past fiscal year illustrate the social and economic impact that not-for-profit/for-profit corporations and local governments have on the people of our state. Our projects this year also demonstrate the job creation power of conduit bonds when used by the private sector. Highlights of the Authority's conduit projects include, but are not limited to, the following:

- ***North Central College*** Naperville \$ 30.1million July 2015
- ***Providence-St. Mel School*** Chicago \$ 19.0 million Sept 2015
- ***The University of Chicago*** Chicago \$415.8 million Sept 2015
- ***OSF HealthCare System*** Peoria \$462.4 million Sept 2015
- ***Sarah Bush Lincoln Health Center*** Mattoon \$ 30.0 million Nov 2015
- ***CenterPoint Joliet Terminal RR LLC*** Will County \$100.0 million Jan 2016
- ***Chicago Shakespeare Theater*** Chicago \$ 15.1 million Feb 2016
- ***Park Place*** Elmhurst \$146.1 million April 2016
- ***Community Unit School Dist. 3*** Saline County \$ 14.5 million April 2016
- ***Mercy Health Corporation*** Rockford \$475.0 million May 2016
- ***Presence Health*** NE/Central IL \$530.0 million May 2016
- ***Beginning Farmer Bonds*** 11 Counties \$ 3.5 million FY 2016

In addition, the Authority made significant strides to strengthen governance, accountability, transparency, and stewardship of public assets, including, but not limited to:

- Welcoming seven new Members to the Authority
- Senate confirmation of six Authority Members
- Re-organization of the Authority's committee structure
- Release of the Fiscal Year 2015 Comprehensive Annual Financial Report
- January release of the Fiscal Year 2015 Financial Audit
- February release of the two-year FY 2014/2015 Compliance Examination
- Strengthened financial controls
- Enactment of Public Act 99-509 (SB 324) that creates a loan guarantee program for qualified veteran-owned small businesses and improves risk management for the Authority's guarantee programs

Welcome George Obernagel

On July 1, 2016, Governor Rauner appointed George Obernagel to the Illinois Finance Authority. Mr. Obernagel brings his years of experience in local banking, family farming, farm equipment dealerships and local media to the Authority. On behalf of the Members of the Authority and the entire staff, we welcome Mr. Obernagel and we look forward to working with him.

Farewell Former State Fire Marshal Larry Matkaitis

Last weekend, Illinois lost Larry Matkaitis. He was a public servant in the truest sense of the word. Through decades of service with the Office of the Illinois Fire Marshal, the City of Chicago Fire Department, and as a Vietnam-era U.S. Army combat veteran, Larry worked selflessly to keep his fellow citizens safe. Countless residents of Illinois benefited from his sustained efforts to make Illinois homes and workplaces as safe as possible from the threat of fire in a manner that was accountable, transparent and financially responsible. The Authority partnered with Larry, as well as State Representative Eddie Jackson and State Representative Don Moffitt, to improve the zero/low-interest fire truck and ambulance loan program to ensure that financially-constrained Illinois communities have access to the equipment necessary to protect their residents. Larry's family and friends have our deepest condolences.

As always, I look forward to continuing to work with you in support of jobs and financing capital expansion projects throughout Illinois.

Respectfully,

Christopher B. Meister

3 FLETCHER: The Assistant Secretary can

5 CHAIRMAN FUNDERBURG: I really didn't pick
6 that up.
Page 4

7 FLETCHER: Yes, Mr. Chairman, we may
 8 continue at this time.
 9 CHAIRMAN FUNDERBURG: Okay. Thank you. I
 10 have no remarks. Executive Director Meister,
 11 any remarks?
 12 MEISTER: Yes. Thank you, Mr. Chairman.
 13 Again, I would like to thank Chairman
 14 Funderburg and all of the Members of the
 15 Authority who came together at very short
 16 notice on this important matter.
 17 The call went out pursuant to the
 18 bylaws and the statute on Friday afternoon.
 19 The normal Authority procedure whereby Rich
 20 Frampton, a member of our staff, and one of our
 21 Vice-Presidents chaired the internal credit
 22 review on Friday afternoon, so we went through
 23 our normal due diligence and procedures.
 24 Also last Thursday, Pam and I met

1 with Mr. Michael Englehart and Mr. James Kelly,
 2 the CEO and the CFO of Presence Health,
 3 respectively, and we went over both the request
 4 and the current situation.
 5 So, again, I'd like to emphasize
 6 my thanks to all of the volunteer Members of
 7 the Authority for being as responsive at very,
 8 very short notice.

9 And if the Chair were -- none of
 10 the Members have any questions for me, I think
 11 that we can turn it over to our Vice-President,
 12 Pamela Lenane, Mr. Chairman.
 13 CHAIRMAN FUNDERBURG: Okay. Thank you,
 14 Chris. Ms. Lenane, would you please present
 15 the project report and resolution.
 16 MS. LEHANE: Yes. Mr. Chairman and Members
 17 of the Board: Presence Health Network is
 18 requesting a Final Bond Resolution to approve a
 19 series of tax exempt and taxable bonds in the
 20 amount of \$530 million to refund their Series
 21 2013 A through F bonds, in addition to taxable
 22 loans with Bank of America and PNC.
 23 Presence is the largest Catholic
 24 health system in Illinois, as well as the

1 largest provider of Medicaid services and
 2 behavioral healthcare services.
 3 Presence employs 20,000 people.
 4 Presence operates 11 acute care hospitals and
 5 27 senior care services. They have hospitals
 6 in Des Plaines, Evanston, Aurora, Elgin,
 7 Joliet, Kankakee, Urbana and Danville.
 8 Currently, they're rated Baa2 by
 9 Moody's, BBB- by S & P, and BBB by Fitch.
 10 The bonds will be purchased

11 directly by J.P. Morgan Securities for an
 12 initial period of up to 18 months.
 13 Presence intends to convert or
 14 refund these bonds into a longer term
 15 financing.
 16 The bonds will have a variable
 17 rate of interest at 70 percent of one month
 18 LIBOR plus 1.50 percent for the tax-exempt
 19 bonds and a hundred percent of one month LIBOR
 20 plus 225 percent -- 2.25 percent for the
 21 taxable bonds. One month LIBOR was .44 percent
 22 yesterday.
 23 Now, I would like to turn the
 24 presentation over to Michael Englehart, the CEO

1 of Presence Health Network, and Jim Kelly, the
 2 Chief Financial Officer of Presence Health
 3 Network, to discuss their current financial
 4 situation, how they got to where they are, why
 5 they are doing this financing and -- at this
 6 time and their key initiatives going forward.
 7 Thank you.
 8 MR. ENGLEHART: Good morning. I am Mike
 9 Englehart, President and CEO of Presence
 10 Health.
 11 First of all, Mr. Chairman and
 12 Members of the Board, thank you so much for

13 coming together on short notice.
 14 In particular, I know two of you
 15 traveled quite a long distance, Mr. Poole and
 16 Mr. Zeller. So thank you so much for getting
 17 up early and coming on short notice.
 18 There's a couple of points I'd
 19 like to just reiterate in the opening
 20 statements that the -- that you have in front
 21 of you.
 22 Presence Health has been together
 23 for just over four and a half years. The
 24 previous organizations were Provena and

1 Resurrection. Came together four and a half
 2 years ago.
 3 But it's really important that
 4 you appreciate that there are five founding
 5 orders that actually have history that dates
 6 back over 150 years serving Illinois and the
 7 Chicago--I and market.
 8 Those five orders are Franciscan
 9 Sisters of Sacred Heart, the Servants of the
 10 Holy Heart of Mary, the Sisters of the Holy
 11 Family of Nazareth, the Sisters of Mercy of
 12 Americas, and the Sisters of the Resurrection.
 13 I share that with you because
 14 it's important and most people don't always

15 appreciate the amount of Medicaid and care that
 16 we provide in some of the most challenging
 17 areas throughout the State of Illinois. We
 18 have a deep history and we are committed to the
 19 State of Illinois and the Chicago-I and market.
 20 I was afforded the opportunity to
 21 become the President and CEO back in October of
 22 last year. I've been working in this
 23 marketplace for over 20 years.
 24 I think most of you appreciate

10

1 whenever a merger occurs, it can be quite
 2 challenging. You have people, process,
 3 technology and culture.
 4 I think what we've come to
 5 appreciate since coming on board is that while
 6 there's been a lot of great work done, there
 7 are a couple of steps that were missed. You've
 8 read it in the newspaper and you appreciate
 9 that we've hit a couple of speed bumps when it
 10 comes to some basic core disciplines that we
 11 need to have in healthcare, billing
 12 collections, precertifying. These are key
 13 elements in order to ensure that you get paid
 14 appropriately.
 15 We take on some of the toughest
 16 challenges within the healthcare arena, so we

17 have to get paid.
 18 When I came on board in October,
 19 I asked a series of questions and came to
 20 appreciate that our accounts receivables were
 21 not being worked aggressively and they were
 22 potentially overstated.
 23 I think all of you have seen in
 24 the newspaper that we had a sizable write-down

11

1 to the tune of about \$186 million dollar loss.
 2 I'm happy to tell you, though,
 3 since we identified that issue, we quickly
 4 worked towards rectifying and solving these
 5 issues, installing more discipline when it
 6 comes to finance, more discipline when it comes
 7 to the revenue cycle, working with our
 8 associates and doctors who appreciate our
 9 current position and really push towards best
 10 practices.
 11 Since we have identified the
 12 problem, we've made significant improvements,
 13 changes in management and feel like we're on
 14 the right track. In fact, we're already ahead
 15 of schedule versus what we anticipated through
 16 the first quarter. So we're pleased with the
 17 results today.
 18 When unfortunately we had the

19 sizeable write-down, it resulted in a technical
20 default. And I think that's really important
21 that you appreciate that.
22 We have over \$900 million in the
23 bank. The issue, though, is once you trip a
24 technical default, you end up in a conversation

12

1 with the shareholders and in particular the
2 banks. And in good faith we have continued to
3 work with them, but simultaneously we pursued a
4 second strategy, and that was potentially a
5 bridge.

6 We are in unique times right now
7 with interest rates at all-time lows, and the
8 delta between AAA and our current rating are
9 some of the narrowest it's ever been.

10 So simultaneously we followed two
11 strategies. And this today brings us to the
12 conclusion of what we think is the right thing
13 to put Presence Health on firm footing on a
14 go-forward basis.

15 So that's why we are here today.
16 Again, we are very, very thankful for you
17 coming together in short order.

18 We plan on providing care for the
19 next hundred years in the State of Illinois.
20 At this point, I'd be happy to

21 answer any questions that you might have.
22 MEISTER: Mr. Chairman? Mr. Chairman, any
23 questions?
24 CHAIRMAN FUNDERBURG: I have no questions.

13

1 I just asked does anybody else have any
2 questions? If not, then is there a motion to
3 pass and adopt the project report and
4 resolution for Presence?

5 JURACEK: So moved.

6 ANDERBERG: Second.

7 CHAIRMAN FUNDERBURG: Then we have a motion
8 and a second.

9 Mr. Fletcher, will you please
10 take the roll call vote.

11 FLETCHER: Certainly. On the motion and
12 the second, I'll call the roll in alphabetical
13 order. Mr. Anderberg?

14 ANDERBERG: Yes.

8 ZELLER: Yes.
9 FLETCHER: And Mr. Chairman on the phone?
10 CHAIRMAN FUNDERBURG: Yes.
11 FLETCHER: Mr. Chairman, at this time the
12 motion carries.
13 CHAIRMAN FUNDERBURG: Is there any other
14 business to come before the Board? Okay. If
15 not, then I'd like to request a motion to
16 excuse the absences of Members unable to
17 participate today. Is there such a motion?
18 KNOX: So moved.
19 McCOY: Second.
20 CHAIRMAN FUNDERBURG: All in favor, please
21 say aye.
22 (Chorus of ayes.)
23 CHAIRMAN FUNDERBURG: All right. Any
24 public comments at this point?
Page 13

15

1 (No response.)
2 CHAIRMAN FUNDERBURG: There being no public
3 comments, I'd like to note that our next
4 regular meeting of the Board is scheduled for
5 June 9th, 2016.
6 And at this point I'll entertain
7 a motion to adjourn the meeting.
8 O'BRIEN: So moved.
9 McCOY: Second.
10 CHAIRMAN FUNDERBURG: Okay. We have a
11 motion and second. All in favor, please say
12 aye.
13 (Chorus of ayes.)
14 CHAIRMAN FUNDERBURG: Opposed?
15 (No response.)
16 CHAIRMAN FUNDERBURG: Again, thank you all
17 for all of your help here and gathering so
18 quickly. The meeting is over. You all have a

1 CHAIRMAN FUNDERBURG: Motion carries. I would
 2 just like to take a moment and draw the Board's
 3 attention to something in your packet, the Bond
 4 Project Employment Report. You don't have to look
 5 at it, but I'll just summarize it.
 6 We're 11 months into the fiscal year. For
 7 the 36 transactions that we've done, there's an
 8 estimated 570 new jobs have been created and an
 9 estimated 8,196 construction jobs.
 10 So I just wanted to highlight that as one
 11 example of the way Illinois Finance Authority helps
 12 spur economic development and job creation in the
 13 State.
 14 MEISTER: Thank you, Mr. Chairman. First of
 15 all, I would like to thank the Chairman and all the
 16 Members of the Authority. I think importantly the

MARZULLO REPORTING AGENCY (312) 321-9365

¶

17 staff.
18 I think this is the sixth month since I
19 was renominated and reappointed in December. And as
20 Chairman Funderburg pointed out, I think that we are
21 on the verge of completing a year of really
22 remarkable accomplishments, substantive
23 accomplishments, impact on real lives of real people
24 in Illinois and the real Illinois economy.

MARZULLO REPORTING AGENCY (312) 321-9365

1 And while we are a small agency, and I'm
2 deeply appreciative to the volunteer Board who
3 provides your expertise that, frankly, a small state
4 agency like ours could never afford, and that is
5 given freely and willingly, and every day I rely
6 upon that free contribution of your knowledge,
7 experience and skill.

8 I do want to highlight because, of course,
9 all of you read the paper, the State of Illinois as
10 a state continues to operate in extraordinary times.
11 I would have never have guessed back in April of
12 2015, when Rob and I met each other, that we would
13 be sitting here in June of 2016, 11 months,
14 11-and-a-half months, without a State budget,
15 frankly, with nobody who would be sensible betting
16 on when a budget would actually take place.

17 Now, I think it's important to highlight
18 that there have been various pieces of the budget,
19 the schools, federal funds, some smaller pieces of
20 appropriations that have been passed by the General

21 Assembly and signed into law.

22 So these exist, and they are out there,
23 and I think that it's not wholly accurate to say in
24 the State of Illinois, in fiscal year 2016, is
MARZULLO REPORTING AGENCY (312) 321-9365

1 operating wholly without a budget.
2 However, given the discussions that are
3 taking place, it is possible that we could reach
4 July 1st, and not have a budget for fiscal year 2017
5 on any -- even on partial pieces of the budget that
6 I just described.

7 So I think it's important that I highlight
8 for the Board, and for the public stakeholders, in
9 summary what the Authority has been doing over the
10 last 11-and-a-half months with respect to budget
11 impasse items.

12 First, in August, and Melinda Gildart, our
13 CFO, I may call on her for the exact amounts when
14 I'm done, but we did advance some funds to a,
15 frankly, a competitor state-created regional agency
16 called the Southwestern Illinois Economic
17 Development Authority. They had some moral
18 obligation bonds outstanding.

19 This is a contingent taxpayer pledge.
20 Those bonds had defaulted and payments had been
21 going on for a number of years through
22 appropriations. There were no appropriations
23 available last August.

24 We went to the Board, and funds were
MARZULLO REPORTING AGENCY (312) 321-9365
Page 6

1 approved, pursuant to a resolution, and deployed to
 2 that purpose and, Melinda, that was approximately
 3 \$1.3 million? So that was one item that I, as
 4 Executive Director, and staff we went to the Board
 5 in discussions with the Chairman.

6 The second item that we have done is
 7 through two consecutive or two resolutions: One in
 8 February, General Counsel Weber?

9 WEBER: That's correct.

10 MEISTER: And one in November or December? I
 11 think it was November.

12 WEBER: I think it was November.

13 MEISTER: What we have done is we have taken an
 14 allocation pursuant to resolution of up to
 15 \$12,000,000 of locally-held Authority funds, and we
 16 deployed them to pay the vendors by the receivables,
 17 in anticipation of receipt of Statutory Prompt
 18 Payment Act for certain vital vendors, essential
 19 service providers, essential goods providers under
 20 contract to the State of Illinois.

21 We've done that consistently for the
 22 people that clean the Thompson Center, provide
 23 general janitorial services, with the expectation
 24 that if State employees are there working, that they

MARZULLO REPORTING AGENCY (312) 321-9365

1 ought to work in a clean and sanitary environment.
 2 We've also advanced them for various food providers

3 for the prisons and for the veterans' homes.
 4 When we were questioned about that, in the
 5 interest of transparency, we put that forward and
 6 added that to our online schedule with a reference
 7 to the two resolutions.

8 And third, what we did was in April,
 9 Department of Human Services came to us and under a
 10 grant anticipation or a funded grant anticipation
 11 agreement, we provided up to \$600,000 to Catholic
 12 Charities that provides housing vouchers for certain
 13 mentally-incapacitated people that receive an array
 14 of services; and, frankly, without the housing
 15 vouchers, would otherwise be homeless and in
 16 emergency rooms, in jails, and on our streets and
 17 trains.

18 So that is what we have done, and the
 19 reason why I take this opportunity to go into it in
 20 some detail is because on Monday of this week, we
 21 met with the new Auditor General Special Auditor.
 22 It is RSM, formerly known as McGladery. Joe Evans
 23 and his team six years ago were our Special Auditors
 24 of the Auditor General's Office.

MARZULLO REPORTING AGENCY (312) 321-9365

1 The Auditor General has assigned a new
 2 audit relationship manager. He appears to be
 3 experienced. His name is Tom Kizzi ah. He has been
 4 with the Auditor General's Office, I believe, for at
 5 least two decades, but the auditors were intensely
 6 interested in this.

7 And while I cannot predict what the
 8 Page 8

8 General Assembly can or the Governor can or will do,
9 I will tell you that as of May the 13th, Senate Bill
10 324, which is in your packet, which we will discuss
11 later, there was an amendment added that created a
12 new program to help veterans and help this agency,
13 and that got going the day after our May 12th Board
14 Meeting, and it passed on May 31st.

15 So things with the legislature and with
16 the Governor can move very quickly, but I would not
17 predict what those outcomes are, but I do say I
18 would suggest to the Board that the Auditor General
19 is, may have or is, or his contract auditors may
20 well have views on the three items that they
21 discussed.

22 They may have an impact on our financials,
23 if there is no budget. By the time we meet again in
24 July, I believe that what impact may -- what that

MARZULLO REPORTING AGENCY (312) 321-9365

1 impact may be will probably be the discussion -- the
2 subject of some discussion negotiation, and back and
3 forth, but I am letting the Board Members know that
4 while we've had a very good year for revenue, very
5 good year for mission impact, particularly on jobs
6 and economic development, and our health and
7 education system, and our system of local
8 governments, and we have spent below budget, and
9 Ms. Gildart will go into that in some detail.

10 There may well be some disproportionate
11 impacts on our budget, due to the government and

12 general accounting standards. We don't know what
13 that impact will be at this time. That will be the
14 subject of discussion.

15 CHAIRMAN FUNDERBURG: Very good. Thank you,
16 Mr. Meister. Very well covered. Thank you. Next
17 up is the minutes from our prior meeting. Does
18 anybody wish to make any additions or corrections to
19 those minutes? If not, is there a motion to approve
20 them?

21 JURACEK: So moved.

22 GOETZ: Second.

23 CHAIRMAN FUNDERBURG: Okay, Juracek. Who
24 seconded?

MARZULLO REPORTING AGENCY (312) 321-9365

1 GOETZ: I did.

2 CHAIRMAN FUNDERBURG: Mr. Goetz seconded. All
3 in favor, please say aye.

4 (A chorus of ayes.)

5 CHAIRMAN FUNDERBURG: Any opposed?

6 (No response.)

7 CHAIRMAN FUNDERBURG: Next up is the financial
8 reports. Ms. Gildart?

9 GILDART: Good morning. I'm Melinda Gildart,
10 Chief Financial Officer for the Authority, and this
11 month's financial report is as follows: Due to the
12 printing schedule for the Board book, some of the
13 amounts shown here today are estimated.

14 For the general operating fund, the
15 Authority has accumulated an estimated total annual
16 revenue amount of \$4.7 million, and that's 4 percent

17 higher than budget, that's due mostly to higher
18 closing fees in May.
19 We have closing fees year to date as of
20 May 31st of \$3.2 million, and that's 6 percent
21 higher than budget, and it also exceeds last year's
22 amount.

23 The net investment income is at \$149,000
24 for the year, and that's just above our budgeted
MARZULLO REPORTING AGENCY (312) 321-9365

13

1 amount. In May, the Authority generated \$324,000 in
2 closing fees, and that's the fourth highest monthly
3 total in FY16, and that's also above the monthly
4 budgeted amount of \$276,000.

5 We received closing fees from Mercy Health
6 Corporation at \$211,000, Presence Health Network for
7 \$106,000 and also Ag-related closings of \$8,000.

8 Investment information for May was not yet
9 available, but we recorded a net investment gain of
10 \$7,000 in April. We have estimated total annual
11 expenses of \$3.8 million, and that's \$744,000 or 16
12 percent below budget.

13 Our professional services expenses are at
14 \$1.5 million. That's 7 percent below budget, and
15 employee expenses are at \$1.6 million, which is
16 23 percent below budget.

17 The total cash transfers out of the
18 general operating fund to the primary government
19 borrowing fund on behalf of the State is just over
20 \$5,000,000. In total cash transfers out of the

21 general fund to the DACA loan funds is at
22 \$1.2 million.

23 In May, we recorded estimated expenses of
24 \$344,000, and that's below the monthly budgeted
MARZULLO REPORTING AGENCY (312) 321-9365

14

1 amount of \$419,000. Our total estimated monthly net
2 income for May is at \$105,000. Again, that's due to
3 higher closing fees and also a decrease in
4 professional services spending.

5 We have total estimated annual net income
6 of \$919,000. Again, the major driver being
7 16 percent below budget and spending, and also
8 higher closing fees and other fees.

9 On our balance sheet, the Authority is a
10 \$120,000,000 agency, which also accounts for
11 \$267,000,000 in activity for other State of Illinois
12 component units.

13 We also maintain compliance for
14 \$24,000,000 in outstanding conduit debt. The
15 general fund has a net position of \$53,000,000, most
16 of which is assets. We have liabilities of just
17 over \$600,000.

18 For the other funds, we have assets and
19 liabilities for the Illinois Environmental
20 Protection Agency and other State of Illinois
21 component units of \$146,000,000. The Authority is
22 still reviewing our new ambulance loan applications,
23 totaling \$1.7 million, and the fire truck and
24 ambulance funds combined have a total net position

1 of \$26.7 million.
 2 The Authority has a combined amount of
 3 \$28,000,000 and combined net position for the
 4 industrial project fund, in addition to the two
 5 State guarantee funds for the agriculture.
 6 All the other non-major funds have a total
 7 net position of \$39.6 million. The schedule of debt
 8 and the State of Illinois receivable report are
 9 included in your Board materials this morning.
 10 Are there any questions?

11 CHAIRMAN FUNDERBURG: Okay. If there are no
 12 questions, is there a motion to accept the financial
 13 reports?

14 GOETZ: So moved.

15 KNOX: Second.

16 CHAIRMAN FUNDERBURG: All in favor, please say
 17 aye.

18 (A chorus of ayes.)

19 CHAIRMAN FUNDERBURG: Any opposed?

20 (No response.)

21 CHAIRMAN FUNDERBURG: Okay.

22 GILDART: I'm sorry, just a note to follow up
 23 on Executive Director Meister's comment. Any
 24 amounts that were paid previously on behalf of the
 MARZULLO REPORTING AGENCY (312) 321-9365

1 State, in relation to the auditor's inquiries, would
 2 be expensed to the Authority's general fund for the

4 But as appropriations are made, if the
 5 State passes a budget, then if it happens in the
 6 next fiscal years, they will be recognized as
 7 revenues. So it's not that the money would be gone.
 8 We would just have to postpone it and recognize
 9 those amounts.

10 CHAIRMAN FUNDERBURG: Basically, you're saying
 11 there is some interpretations regarding
 12 generally-accepted accounting principles?

13 GILDART: Yes.

14 CHAIRMAN FUNDERBURG: There's discussion about
 15 that at that point in time?

16 GILDART: Yes.

17 CHAIRMAN FUNDERBURG: Okay, thank you. Okay,
 18 procurements?

19 GILDART: The Authority has executed extensions
 20 of emergency contracts for ADP Total Source for an
 21 additional year, and also for Accounting Principals
 22 for temporary staffing for an additional six months.

23 We are currently executing financial

24 advisory contract renewals for Sycamore and Acacia

MARZULLO REPORTING AGENCY (312) 321-9365

1 Financial Group, and also the Chief Procurement
 2 Officer has scheduled a public hearing to award a
 3 Sole Source contract on June 16th to Mesrow
 4 Insurance Services for our directors' and officers'
 5 insurance and other insurance coverage.
 6 And we also are working with the Illinois
 7 Environmental Protection Agency to determine

8 resources needed to procure contracts on behalf of
 9 the State revolving fund. Any questions?
 10 CHAIRMAN FUNDERBURG: Thank you. We also had a
 11 couple of Committee Meetings. First was the Direct
 12 and Alternative Financing Committee. Mr. Knox?
 13 KNOX: Thank you, Mr. Chairman. The Direct and
 14 Alternative Finance Subcommittee Meeting met on
 15 Wednesday morning and voted to recommend for
 16 approval the Frank A. McKinley and Lori K. McKinley
 17 agri debt guarantee; the City of Blue Island Bond
 18 Purchase Resolution; and, finally, the resolution to
 19 approve actions with respect to Senate Bill 0324,
 20 each of which are on today's agenda.

21 CHAIRMAN FUNDERBURG: Okay, thank you.
 22 Mr. McCoy?
 23 MCCOY: Thank you, Mr. Chairman. The
 24 Tax-Exempt Conduit Transactions Committee met
 MARZULLO REPORTING AGENCY (312) 321-9365

1 earlier this morning and is pleased to report we
 2 voted to recommend approval for each of the
 3 tax-exempt conduit transactions on today's agenda.
 4 CHAIRMAN FUNDERBURG: Okay. Any questions for
 5 Mr. Knox or Mr. McCoy? If not, then I would like to
 6 move along in the agenda. I would like to ask for the
 7 general consent of the Members to consider the
 8 Project Reports and Resolutions collectively, and to
 9 have the subsequent reported vote applied to each
 10 respective individual Project and Resolution, unless
 11 there are any specific Project Reports and

12 Resolutions that a Member would like to consider
 13 separately.
 14 GOETZ: I need to recuse myself from the
 15 Presence Hospital issue.
 16 CHAIRMAN FUNDERBURG: Okay. Thank you. Anyone
 17 else? If not, then we will consider agenda item
 18 No. 6, Presence Health Network, separately at the
 19 end of the meeting.
 20 MEISTER: And, Mr. Chairman, we've been in
 21 communication with Vice-Chair Bronner, and we expect
 22 her to call in for that purpose.
 23 CHAIRMAN FUNDERBURG: Okay. Thank you very
 24 much. All right. So why don't we go ahead.

MARZULLO REPORTING AGENCY (312) 321-9365

1 Mr. Evans?
 2 EVANS: Today we have one beginning farmer
 3 bond. The farmer bond is the People's State Bank of
 4 Newton is requesting a bond for Trevor Ochs
 5 purchasing 22 acres of farm ground and buildings.
 6 The property is located in the southwest
 7 portion of Jasper County in southeast Illinois.
 8 This loan is a 10/45/45 FSA involvement.
 9 The bank will hold 45 percent of the loan,
 10 and have a first mortgage on that loan. The loan is
 11 a 30-year amortized loan, and because of the minimum
 12 risk, the bank is offering 3.25 fixed rate for 10
 13 years. After that, just at 2 percent below prime,
 14 with a floor of 3.25 and cap of 12.99.

15 CHAIRMAN FUNDERBURG: Okay.
 16 EVANS: The second one is a agri credit/debt
 Page 16

17 restructure guaranteed program. The Bank of
18 Flanagan is requesting \$357,588 to consolidate
19 equipment loan and guarantee it.
20 IFA's risk will be \$303,000. The
21 borrowers are Frank and Lori McKinley. They've been
22 involved with farming for over 30 years. They own
23 253 acres. They share crop about 750 and the
24 remaining 800 is cash rented.

1 They have good capital with equity of
2 \$2.5 million. The 2016 projections anticipate
3 sufficient earnings-to-service debt. Recently, with
4 the upward movement in commodity prices, the
5 projections would have increased \$140,000 just due
6 to pricing in the last two weeks.

7 Their collateral are well secured by
8 equipment. We received an appraisal or verification
9 of asset appraisal. The loan to AV is 38 percent.
10 The loan to IFA's risk is 32 percent. The
11 conditions would be one loan -- I mean, one loan --
12 equipment loan to Flanagan Bank.
13 They also have all the real estate and
14 operating needs that finance all that for the
15 borrower. So they have control of the borrower.

16 All UCC filings will be terminated that
17 are not related to Flanagan Bank upon financing
18 this. So we would be in first position on equipment
19 and adequately secured. Any questions?

20 CHAIRMAN FUNDERBURG: Okay, thank you.

21 FLETCHER: Mr. Chairman, members, next will be
22 Tab No. 3, which is a proposed Final Bond Resolution
23 for Lake Forest Academy in a not-to-exceed amount of
24 \$17,000,000. Lake Forest Academy is an independent

MARZULLO REPORTING AGENCY (312) 321-9365

1 co-ed high school located in Lake Forest, which is
2 approximately 30 miles north of Chicago.

3 The plan of finance here seeks to refund
4 their Series 1994 and Series 2000 bonds, which are
5 currently trading in the market at a variable rate,
6 and effectively convert the \$7.25 million
7 outstanding into bank-held debt with the Northern
8 Trust Company.

9 Additionally, bond proceeds will be used
10 to finance construction and equipping of a new
11 \$9.6 million student center on campus. Again,
12 Northern Trust will be the direct bond purchaser
13 here for the initial three-year term secured by a
14 general obligation revenue pledge.

15 If I may turn your attention to the top of
16 page 8 of the confidential section of the report,
17 you'll note that we've discounted our fee,
18 consistent with historical practice, because part of
19 the refunding is currently secured by a letter of
20 credit.

21 Before I ask if there is any questions, I
22 would like to acknowledge Kim Kopp is here as
23 issuer's counsel, as well as Enzo Incandela, who is
24 Bond Counsel on the transaction. Are there any

MARZULLO REPORTING AGENCY (312) 321-9365

1 questions from the Members?
 2 Okay, hearing none, I'll move next to Tab
 3 No. 4, which is a proposed Final Bond Resolution for
 4 Illinois Wesleyan University in a not-to-exceed
 5 amount of \$70,000,000. Illinois Wesleyan is a
 6 private university located in Bloomington, which
 7 enrolled approximately 1842 students this past
 8 academic year.

9 The plan of finance seeks to refund their
 10 Series 2006, Series 2006B and Series 2008 bonds,
 11 through a public offering underwritten by RBC
 12 Capital Markets. For disclosure purposes, I would
 13 like to inform you that subsequent to the printing
 14 and mailing of the Board books before you, we were
 15 informed that co-managers on the transaction will
 16 likely be PNC Capital Markets and Morgan Stanley.
 17 So just to note that.

18 This refunding will generate interest
 19 savings for the University, as well as reduce
 20 principal repayments in the near term through an
 21 extension of the respective weighted average
 22 maturities of the bonds being refunded.

23 Before I ask if there's any questions, I
 24 would like to acknowledge Nancy Burke from Chapman &
 MARZULLO REPORTING AGENCY (312) 321-9365

1 Cutler, who is Bond Counsel on this transaction.
 2 Are there any questions? Thank you.

3 CHAIRMAN FUNDERBURG: Thank you. Ms. Lenane?
 4 LENANE: Yes. Mr. Chairman, Board Members. I

5 would like to direct you to tab 6 -- no, 5. 5 in
 6 the Board book, Mess Healthcare NFP. Mess
 7 Healthcare is seeking a -- requesting a Final Bond
 8 Resolution to approve a series of tax-exempt bonds
 9 in the amount of approximately \$40,000,000, and a
 10 series of taxable bonds in the amount of \$5,000,000
 11 to finance the cost of acquiring, renovating,
 12 remodeling and equipping certain psychiatric and
 13 assisted living facilities, pay capitalized interest
 14 on the bonds, if necessary, fund a debt service
 15 reserve and pay cost of issuance.

16 Mess is an Illinois not-for-profit
 17 corporation that was organized by HAHN Capital in
 18 July of 2015 to provide residential care services
 19 for the elderly to meet their physical, emotional
 20 and social needs. HAHN Capital, which owned --
 21 organized Mess is a private equity firm based in
 22 Chicago. Their focus is healthcare, self storage
 23 and other value-added opportunities.

24 The firm has significant experience in
 MARZULLO REPORTING AGENCY (312) 321-9365

1 owning, managing, healthcare assets. Their current
 2 portfolio includes assisted living facilities in
 3 Minnesota and California. The executive team is
 4 made up of individuals with strong management
 5 backgrounds.

6 Mess' corporate headquarters are in
 7 Lincolnwood, Illinois, and that's how we get the
 Page 20

8 multistate connection to issue the bonds in Alabama
 9 and Louisiana and Minnesota. The bonds -- Ness will
 10 use the tax-exempt bond proceeds to acquire Beacon's
 11 Children's Hospital, a 28 bed, acute care
 12 psychiatric hospital for children and adolescents in
 13 Luverne, Alabama, the acquisition cost of which is
 14 approximately \$6 million.
 15 It also is acquiring North Lake Behavioral
 16 System as a psychiatric hospital licensed for 205
 17 beds, which consists of 140 acute care beds, acute
 18 -- 140 acute and 65 psychiatric residential
 19 treatment beds located in Mandeville, Louisiana.
 20 The acquisition cost is approximately \$25,000,000.
 21 Now, they're also acquiring Valley View of
 22 Owatonna, a senior care campus, containing 90
 23 assisted living units. Valley View is located in
 24 Owatonna, Minnesota, 60 minutes from downtown
 MARZULLO REPORTING AGENCY (312) 321-9365

1 Minneapolis, and 40 miles away from the renowned
 2 Mayo Clinic in Rochester, Minnesota.
 3 The cost is expected to be \$4,500,000.
 4 The bonds will be secured by promissory note,
 5 revenue pledges and mortgages on all the financed
 6 properties. The bonds are expected to be fixed-rate
 7 bond with an estimate rate of 4 to 6 percent that
 8 will be sold in a private placement by Loop Capital
 9 Markets, who has been engaged as the placement
 10 agent, and will locate potential purchasers for the
 11 bonds.

12 They will be sold pursuant to a private
 13 placement memorandum explaining the history of the
 14 bonds, and they will be sold in \$100,000
 15 denominations. The Ness Board of Directors is
 16 comprised of distinguished, experienced individuals,
 17 which you could see in your Board book. Tony Shir,
 18 the president of Ness, came to our Tax-Exempt
 19 Committee Meeting this morning, as well as Prakash
 20 Ramani, who is from Loop Capital, representing the
 21 placement agent.
 22 I would like to mention that the debt
 23 service coverage and days cash on hand for these
 24 types of facilities is fairly standard. We have
 MARZULLO REPORTING AGENCY (312) 321-9365

¶

1 given them a 50-percent negotiated fee because of
 2 the competitive market. We are working in the
 3 multistate area.
 4 Do you have any questions? Okay. Can you
 5 hear me all right?
 6 CHAIRMAN FUNDERBURG: Yes.
 7 MEISTER: Yes.
 8 LENAME: Okay. I can't hear. No. 9 -- No. 6.
 9 GOETZ: No. 7.
 10 MEISTER: 7.
 11 LENAME: 7 is our next.
 12 GOETZ: Skip 6 for now.
 13 LENAME: Riverside Health System. Riverside
 14 Health System is seeking a Preliminary Bond
 15 Resolution in an amount not to exceed \$90,000,000.
 16 The bond proceeds will be used by

17 Riverside Medical Center, Riverside Senior Living
 18 Center and Oakside Corporation, all of whom are
 19 members of the Riverside Health System Obligated
 20 Group.
 21 They intend to currently refund all or a
 22 portion of the IFA 2006C bonds, advance refund a
 23 portion of the Illinois Series 2009 bonds. They are
 24 going to pay or reimburse themselves for the cost of

MARZULLO REPORTING AGENCY (312) 321-9365

1 acquiring, constructing, remodeling and equipping
 2 certain health facilities owned by Riverside.
 3 These construction initiatives will
 4 produce 97 construction jobs and two new jobs. And
 5 also, the bond proceeds will pay expenses of the
 6 transaction. Riverside Health System is rated A2 by
 7 Moody's and A plus by S&P with stable outlooks.
 8 Those ratings will be confirmed before the Final
 9 Bond Resolution.
 10 Riverside is a regional health system
 11 operating in the far southern portion of the Chicago
 12 metropolitan market headquartered in Kankakee.
 13 Riverside owns and operates a general acute care
 14 hospital in Kankakee, which is licensed for 312
 15 beds, 247 beds of which are currently in use.
 16 In addition to Kankakee Hospital,
 17 Riverside operates the Resolve Center in Manteno,
 18 Illinois, which houses an 18 bed licensed inpatient
 19 substance abuse program and associated outpatient
 20 services.

21 In addition, Riverside operates multiple
 22 community primary and specialty healthcare centers
 23 in Kankakee, Bourbonnais, Manteno, Monee, Momence,
 24 Hopkins Park, Watseka, Gilman, Wilmington, Peotone,

1 and Coal City.
 2 In 2011, Riverside opened a new
 3 multi-specialty physician and cancer infusion center
 4 in the southern market located in Watseka, Illinois.
 5 This facility provides lab, CTs, physical therapy,
 6 radiology and other services to that community.
 7 Riverside also owns and operates a senior
 8 living community that includes 90 independent living
 9 apartments known as Westwood Oaks. They have 96
 10 assisted living unit apartments, known as
 11 Butterfield Court, and 21 ranch-style family homes
 12 for seniors known as Westwood Estates, and a 160 bed
 13 nursing facility.
 14 The senior living community is located
 15 across the street directly from Riverside Medical
 16 Center Hospital. The Living Center also operates
 17 assisted living and memory care campus in
 18 Bourbonnais, which consists of 48 studio units for
 19 memory care and 32 assisted living units.
 20 From growth and investments in new
 21 programs and service lines, Riverside has added 331
 22 new full-time employees since 2012. The Riverside
 23 Healthcare Foundation, which raises funds for
 24 Riverside, has total revenues of assets of

MARZULLO REPORTING AGENCY (312) 321-9365

1 \$18.6 million at the end of December 31. These
 2 support special programs of the hospital.
 3 Riverside has a history of strong
 4 operating margins and favorable liquidity ratio.
 5 Operating revenues continue to increase from 2013 to
 6 2015. Net income decreased because of due to a
 7 decline in investment income.

8 Days cash on hand has been strong over the
 9 past three years compared to the medians with FY2015
 10 at approximately 379 days cash on hand. The
 11 decrease in FY14 days on cash was primarily due to
 12 Riverside paying off a \$16,000,000 -- \$60,000,000 of
 13 their Series 2009 bonds with their cash.
 14 The net present value savings from the
 15 current refunding of the 2006C bonds, and a partial
 16 advance refunding of the Series 2009 bond, is
 17 estimated at \$6.1 million or 8.2 percent of the
 18 refunded amount.

19 I would like to just mention that the
 20 investment banker from Barclays, Jay Sterns, is here
 21 with us today. Thank you, Jay. I think at the
 22 final -- I think hopefully Bill Douglas, the CFO of
 23 Riverside Hospital, will be here to take any
 24 questions. Any questions?

MARZULLO REPORTING AGENCY (312) 321-9365

1 Okay. No. 8 is Smith Village, also known
 2 -- well, Smith Village -- it's Washington and Jane
 Page 25

3 Smith Community, doing business as Smith Village.
 4 So I will refer to them as Smith Village.

5 Smith Village is seeking a Preliminary
 6 Bond Resolution in the amount of \$32,000,000 to
 7 currently refund the Series IFA 2005A bond, the
 8 Illinois Finance Authority Series 2005B2 bond, and
 9 pay a portion of the cost of issuance.

10 Smith Village is located in the Beverly
 11 neighborhood of Chicago and operates a continuing
 12 care retirement community consisting of 149
 13 independent living units, 57 traditional assisted
 14 living units, 24 memory care units, and 100 skilled
 15 nursing beds.

16 Smith Village is currently a non-rated
 17 entity and the plan of finance contemplates a direct
 18 purchase of the 2016 bond by First Midwest Bank and
 19 First Merit Bank. The bonds will be issued as
 20 floating rate debt and then swap to fixed.

21 The refinancing of the Series 25A bonds
 22 and the Series 2005 bond -- 2005B2 bonds will result
 23 in a total saving of \$11,300,000 bonds over the next
 24 -- \$11,300,000 over the next 10 years, with an

MARZULLO REPORTING AGENCY (312) 321-9365

1 average annual debt service savings of approximately
 2 \$1,100,000.

3 As a result of the issuance, the long-term
 4 debt obligation of Smith Village has been reduced by
 5 \$2,600,000.

6 The financials are strong. The debt
 7 service coverage is 2.05, and the days cash on hand
 Page 26

8 is 193 days cash from Smith Village year to date.
 9 We have Smith Village's financial advisor, Joe
 10 Starshak -- Ray, hi. I didn't see you.
 11 We have the chief financial officer, Ray
 12 Maneris. I apologize. If you would like to say a
 13 few words, we would be happy to hear them.
 14 MANERIS: Yes. To the Board, my name is, as
 15 Pam mentioned, Ray Maneris. I am the Chief
 16 Financial Officer of Smith Village. On behalf of
 17 the Board of Trustees, Kevin McGee, CEO, and the 325
 18 residents we are currently serving at Smith Village,
 19 we would just like to thank the Board for the
 20 support to our community throughout the years.

21 Smith Village has been serving seniors on
 22 the southwest side of Chicago since 1924, and we
 23 recently opened up a campus of Smith Crossing in
 24 Orland Park in 2003, which this Board in 2012

MARZULLO REPORTING AGENCY (312) 321-9365

1 approved the financing for that project. I would
 2 just like to thank the Board. That's all.
 3 LENANE: Thank you. And also with him are Joe
 4 Starshak and Tom Starshak, the financial advisors to
 5 the project or to the Smith Village. Any questions?
 6 CHAIRMAN FUNDERBURG: Thank you.
 7 FRAMPTON: Okay. Good morning, everyone. I'm
 8 Rich Frampton. I will be discussing Agenda Items 9
 9 through 11.

10 We'll begin with Items 9 and 10, which are
 11 for the fire truck and ambulance revolving loan

12 funds under both the fire truck and revolving loan
 13 program and the ambulance revolving loan program.

14 They are IFA appropriated funds at risk so
 15 I wanted to be clear and bring that to your
 16 attention first before I talk about the specific
 17 fire truck financing that will be covered in Item 9.
 18 I just want to give some background on the
 19 fire truck program. It's a cooperative program
 20 between the office -- the Illinois Office of the
 21 State Fire Marshal and the Authority. To date, 178
 22 loans have closed totaling over \$20,000,000, most
 23 have been funded at a \$250,000 or \$350,000 level.
 24 Most are -- most provide zero-percent

MARZULLO REPORTING AGENCY (312) 321-9365

1 loans for terms of up to 20 years; and to date, the
 2 Authority has received over \$19,000,000 of
 3 appropriated funds for the program.

4 The Office of the State Fire Marshal and
 5 the Authority each have assigned responsibilities,
 6 both under the law and under the Administrative
 7 Code. The Office of the State Fire Marshal is
 8 responsible for marketing the program, providing
 9 technical assistance to prospective borrowers.
 10 They then rank all the applications based
 11 on need, and in circumstances where there is a
 12 shortage of funds, their priority list will
 13 determine which of the applicants receive funding.

14 Under the fire truck program, units of
 15 local government may apply, including cities,
 16 villages and fire protection districts, as well as
 Page 28

17 township fire departments. No nonprofit or for
18 profit -- or no nonprofit fire protection agencies
19 are allowed to apply by statute.
20 IFA's responsibility is to undertake a
21 financial due diligence review of each of the
22 applications. So for each of the 18 applications,
23 we have received for the -- from OSFM for the
24 ambulance and fire truck loans, that means we review

MARZULLO REPORTING AGENCY (312) 321-9365

34

1 54 sets of audited financial statements. So
2 reviewing these projects is actually a substantial
3 undertaking.
4 In terms of fee revenue, as each
5 transaction closes, we're entitled to a closing fee
6 of \$500. And for those borrowers who have an
7 investment grade rating, or that have an investment
8 grade rating, they pay a fixed interest rate of
9 1.86 percent. That is pegged to a statewide IEPA
10 funding rate for their State Revolving Fund Program.
11 In terms of our review, we review the
12 audits to assure that they meet one of several
13 tests. The primary test we look for is to assure
14 that general fund revenues over the past three years
15 have been adequate to provide a minimum of 1.25
16 times coverage.

17 In the absence of that, we will require
18 the borrower to pledge a specified revenue source or
19 to accrue a dedicated levy to make payments. And in
20 terms of the fire truck program, we have one

Page 29

21 application that OSFM has presented for approval.
22 That is noted on page 6 of the report.

23 It's for the City of Fairfield in Wayne
24 County. The amount of the loan is \$350,000. They

MARZULLO REPORTING AGENCY (312) 321-9365

35

1 have requested the maximum term of 20 years. Since
2 the City of Fairfield is a non-rated city, the
3 interest rate on the loan will be zero percent.
4 Their annual payment will be \$17,500 per year.
5 And the accompanying Resolution authorizes
6 the Executive Director to document, close and fund
7 the loans, pursuant to the conditions noted in
8 Section 3 of the Resolution on pages 4 and 5 of your
9 report.

10 One other change to the -- one change to
11 the Resolution, I just want to identify for the
12 record is to note that the Resolution has been
13 revised in Section 2 to note, that there's a single
14 application rather than multiple applications.
15 Other than that, there are no changes to the
16 Resolution as presented.

17 Are there any questions?

18 CHAIRMAN FUNDERBURG: I believe, Gita, are you
19 on the phone?

20 BRONNER: I am, indeed.

21 CHAIRMAN FUNDERBURG: Please note Ms. Bronner
22 called in at approximately 10:15.

23 FLETCHER: Because she's participating by audio
24 conference, we should request a motion for her

MARZULLO REPORTING AGENCY (312) 321-9365

Page 30

3 program, in addition to units of the local
 4 government, local nonprofit -- local nonprofit
 5 ambulance services are also eligible applicants. As
 6 a result, our loan agreements are tailored also to
 7 allow for a general fund pledge -- general corporate
 8 pledge from the nonprofit ambulance service.
 9 Other distinctions or differences between
 10 the ambulance and fire truck programs are first the
 11 maximum amount of -- the maximum loan available
 12 under the ambulance revolving loan fund is \$100,000
 13 versus \$350,000 for the fire truck program.
 14 Secondly, the maximum loan term is 10 years rather
 15 than 20.
 16 Today we're considering 17 applications,
 17 each of which is requesting a \$100,000 loan, which
 18 is the maximum amount permitted by statute.
 19 Additionally, each loan will be for the maximum term
 20 of 10 years.
 21 Like the fire truck program, IFA would
 22 receive a \$500 closing fee upon the closing and
 23 funding of each of these loans. Out of the 17,
 24 there are three rated borrowers. Those include
 MARZULLO REPORTING AGENCY (312) 321-9365

1 No. 2, the Bloomingdale Fire Protection District;
 2 No. 8, the Village of Lyons; and No. 10, the City of
 3 North Chicago. Each of those borrowers will be
 4 paying 1.8 percent -- 1.86 percent interest per
 5 year.
 6 In terms of activity to date, IFA has
 7 funded one round of loans in 2008, closing 10
 Page 32

1 participation.
 2 CHAIRMAN FUNDERBURG: Okay.
 3 ANDERBERG: So moved.
 4 CHAIRMAN FUNDERBURG: Thank you for that.
 5 FLETCHER: Is there a second?
 6 GOETZ: Second.
 7 FLETCHER: All those in favor?
 8 (A chorus of ayes.)
 9 FLETCHER: The ayes have it.
 10 CHAIRMAN FUNDERBURG: Thank you.
 11 FRAMPTON: Moving on next to --
 12 CHAIRMAN FUNDERBURG: Do we need a roll on
 13 that?
 14 FLETCHER: No.
 15 CHAIRMAN FUNDERBURG: Okay.
 16 FLETCHER: We're good.
 17 MEISTER: Vice-Chair Bronner, are you away from
 18 the meeting due to work purposes?
 19 BRONNER: I am.
 20 CHAIRMAN FUNDERBURG: Okay, thank you.
 21 MEISTER: Thank you.
 22 FRAMPTON: Agenda Item 10 is for the ambulance
 23 program. The ambulance program replicates many of
 24 the features of the fire truck program. OSFM and
 MARZULLO REPORTING AGENCY (312) 321-9365

1 IFA have the same respective responsibilities.
 2 The differences with the ambulance
 Page 31

8 projects totaling \$90,000; and to date, the program
9 has been appropriated at a \$4,000,000 level.

10 And in terms of the Resolution, this
11 provides the same delegation to the Executive
12 Director under Section 3 that was provided for under
13 the fire truck -- under the fire truck request.

14 Are there any questions?

15 GOETZ: I have a quick question.

16 FRAMPTON: Sure.

17 GOETZ: What rate do the non-rated entities
18 get?

19 FRAMPTON: The non-rated entities get the
20 zero-percent rate.

21 GOETZ: So the idea is that if you are rated,
22 you can go borrow the money somewhere else?

23 FRAMPTON: That's exactly right.

24 GOETZ: Okay.

MARZULLO REPORTING AGENCY (312) 321-9365

1 MEISTER: And just one note for the Board.
2 Number one, to compliment Mr. Frampton, and I think
3 he worked also with Mr. Evans.

4 FRAMPTON: Mr. Evans did a lot of the leg work
5 on the initial reviews. So in addition to the ag
6 guarantee this month, Mr. Evans also reviewed all 18
7 sets of audits going three years back for all 18 of
8 the ambulance and fire truck loans, as did I. So
9 all this work is really a massive undertaking.

10 MEISTER: Just an additional note, a couple of
11 years ago, I believe it was in 2013, we worked in
Page 33

12 partnership with the Office of the Fire Marshal.
13 So these funds are actually -- and there
14 are, as for most things with State government, there
15 is some complexity with the flow of funds, but the
16 bottom line is that these funds are available to be
17 deployed to Illinois local governments at a low rate
18 for an essential public service, fire and ambulance
19 services, because these funds are locally-held
20 within the Authority, not within the State Treasurer
21 budget. Correct, Ms. Gildart?

22 GILDART: Correct.

23 CHAIRMAN FUNDERBURG: Okay.

24 FRAMPTON: Okay. Next to move on to Tab 11 in
MARZULLO REPORTING AGENCY (312) 321-9365

¶

1 your book, which is a \$1.3 million request from the
2 City of Blue Island for IFA to direct purchase a
3 \$1.3 million bond issue that the City would issue as
4 a general obligation, an alternate bond issue
5 secured by sales taxes.

6 From a credit perspective, the key review
7 item is the Table 5 on page 13, which notes the debt
8 service coverage offered by the pledge sales tax
9 revenues. Based on the City's 8-month audit year
10 that ended 12-31-14, their 8-month revenues were --
11 sales tax revenues were sufficient to cover the
12 maximum scheduled annual debt service payment on the
13 2016 alternate revenue bonds by a multiple of 5.6
14 times.

15 I should note that beginning in 2018, the
16 actual payments on the bonds will be approximately
Page 34

17 \$153,000 per year, which would result in 6.23 times
18 coverage. If we go back to the City's last full
19 year audit, which was for the period ended
20 April 30th, 2014, and is noted in the far right-hand
21 column of Table 5 on page 13, the coverage was 7.86
22 times.

23 The City changed their fiscal year
24 effective as of May 1st, 2014, to December 31. It
MARZULLO REPORTING AGENCY (312) 321-9365

1 just syncs up better with their -- with their annual
2 cycle of revenues and property tax receipts.
3 So in addition to the -- the strength --
4 the real strength of this deal to the Authority is
5 the alternate bond structure. In the -- under --
6 based on the transaction documentation for the deal,
7 the sales tax revenues will be locked in a
8 dedicated debt service reserve account and that will
9 be held by the City.

10 Each February, the City will provide a
11 certificate to the County Clerk of Cook County
12 demonstrating that they have funds on deposit to --
13 sufficient to cover the entire next year-- next tax
14 levy years.

15 Debt service payments associated with our
16 bonds, and only upon that certification, can the
17 Clerk of Cook County abate the real estate tax levy.
18 So IFA gets paid either from the sales tax revenues;
19 or in the event that it's necessary to not abate the
20 levy, we'll get paid from the GO Levy. So the

21 structure provides the Authority with very strong
22 security.

23 I should also note it's consistent with
24 roughly two-thirds of the financings that were
MARZULLO REPORTING AGENCY (312) 321-9365

1 undertaken under the Authority's local government
2 bond bank program from 1990 through 2009. And in
3 many ways, this direct purchase loan really is a
4 culmination of the staff's efforts to create a new
5 product that serves local governments in a way that
6 not only adds value, but it allows us to replace a
7 program that was reliant upon the State's moral
8 obligation to function.

9 So and in addition to that, this also
10 provides us with a product that gives our small
11 staff, we can effectively service. We don't have,
12 in the event of workout, we don't have the same
13 kinds of security issues and difficulties that we
14 would have attempting to unwind a business loan.

15 And just given where market rates are, our
16 participation loan program for business, we can't
17 get sufficient spread writing the interest rate down
18 on a bank loan by 2 percent to make it work for us.
19 There is not enough revenue in that structure really
20 to make that work for us.

21 So this offers a product that enables us
22 to redeploy our treasury funds in a way that we can
23 generate spread. And this loan, in fact, will be 10
24 years bearing a fixed-interest rate of 3 percent,

1 and that 3 percent rate will be paid for all 10
 2 years of the loan.
 3 So there is no doubt that that is
 4 substantially better than we could ever earn,
 5 particularly under present market conditions, under
 6 any other kind of investment. Given that, we
 7 ultimately have general obligation levy backing that
 8 is dedicated for debt service on these bonds, it
 9 also provides us with security that is probably
 10 about as strong as we can get. On the very last
 11 page, there is an amortization schedule for the
 12 bonds. Over the 10-year life of the bonds, IFA
 13 would be paid over \$240,000 in interest.
 14 So discounting that and present valuing
 15 that, that would probably be something like \$170,000
 16 present value. So in addition to creating a
 17 program, this does something that really bolsters
 18 our operations by building a foundation of income
 19 going forward.

20 GOETZ: This is kind of what the rural bond
 21 bank used to do, right?
 22 FRAMPTON: That's exactly right. This is aimed
 23 really at --

24 GOETZ: At doing that?
 MARZULLO REPORTING AGENCY (312) 321-9365

1 FRAMPTON: Hitting that sweet spot, and the
 2 ultimate goal is for Pat to market this.

GOETZ: Yes.

FRAMPTON: And offer it downstate.

GOETZ: Yes.

MEISTER: And, Mike, but to do that without
pledging the State's moral obligation.

GOETZ: Right.

MEISTER: Without the transaction costs and
with direct revenues to the Authority, and reducing
compliance cost and audit exposure.

FRAMPTON: Also from a competitive standpoint,
that bond bank program had a designated underwriter
and designated financial advisor.

GOETZ: Right.

FRAMPTON: Which meant it alienated all but one
underwriter and NFA. So, you know, there are
benefits, and we see a lot of possibility making
this work.

GOETZ: Yes.

MEISTER: And, Mike, I mean, while we were
laughing about that, I mean, that is the policy of
the Authority for the conduit borrowers open to all
Bond Counsel, open to all bankers.

MARZULLO REPORTING AGENCY (312) 321-9365

GOETZ: Right.

MEISTER: Open to all financial advisors.

GOETZ: Right.

CHAI RIMAN FUNDERBURG: I would just like to
note, too, you talked about some of the economic
benefits not only to the borrower, but also to the
Authority.

8 Also, just to build on the other point
 9 made towards the IFA's mission, and I will note that
 10 3 percent may look good, but over a 10-year
 11 duration, I'll reserve judgment on that in year 7 or
 12 8 or 9.
 13 FRAMPTON: Yeah. You know, I would -- that
 14 rate actually is pegged off of a 10-year Baa1
 15 general obligation bond rate, which as of this week
 16 is 2.35 percent. So just comparing the 3 percent
 17 scale 10 years to 2.35, we're doing okay by present
 18 market standards.

19 The other thing I would note, though, is
 20 that by the time we get to year 6, half the
 21 principal has been repaid. So that also helps
 22 mitigate our risk. So one other thing structurally
 23 is we're basically offering this borrower level debt
 24 service payment. So it amortizes like a mortgage.

MARZULLO REPORTING AGENCY (312) 321-9365

1 CHAIRMAN FUNDERBURG: Thank you. Any questions
 2 at all for any of our presenters? Okay.

3 FLETCHER: One more. Next is Item 12 on the
 4 agenda, North Park University. This is a Resolution
 5 on behalf of North Park University and JP Morgan
 6 Chase Bank.

7 In 2012, we issued bonds to finance
 8 construction and equipping of a new science
 9 community life building, and other capital
 10 improvements on campus. Pursuant to the bond
 11 documents, the initial interest rate period was

12 through September 30th, 2017.
 13 At this time you're being asked to provide
 14 consent to extend that initial interest rate period
 15 through September 30th, 2021 at a reset interest
 16 rate.

17 In addition, the bank and borrower have
 18 agreed to smooth out some of the principal
 19 repayments as the loan amortizes through maturity.
 20 We will be taking a \$500 closing fee on this
 21 transaction. I can take any questions.

22 CHAIRMAN FUNDERBURG: Thank you.

23 FLETCHER: Thank you.

24 MEISTER: Thank you, Mr. Chairman. Item No. 13

MARZULLO REPORTING AGENCY (312) 321-9365

1 is the fiscal year 2017 schedule of meetings. After
 2 discussions with the Chair and other Board Members,
 3 and circulation among the Board, we are recommending
 4 that we continue to meet on the second Thursday of
 5 every month.

6 I would also like to note that at the
 7 beginning of last fiscal year, or at the beginning
 8 of the current fiscal year in July 2015, we recon--
 9 the Authority reconstituted its Committee structure.

10 We populated that structure with Members
 11 towards the end of last calendar year; and as part
 12 of the start of the new fiscal year, I will come to
 13 the Chairman and the other Members of the Authority
 14 with a way -- with a possible redivision of the
 15 Membership among those Committees. I will note that
 16 the Committee structure has worked rather well. Any

17 questions?
18 Senate Bill 324 passed both chambers of
19 the General Assembly on May 31st virtually without
20 opposition. It does several things. First, it uses
21 the structure of the Authority's loan guarantee
22 program with private banks, which is year to date
23 been focused on agricultural projects, expands them
24 to small veteran-owned businesses, but it also does

MARZULLO REPORTING AGENCY (312) 321-9365

1 several important things for the Authority.
2 It allows us to take funds up to \$675,000
3 over three years from the Industrial Bond Insurance
4 Fund, which currently is used as a reserve of the ag
5 guarantee fund.
6 It also changes some language within the
7 guarantee statute to resolve a fiscal year 2015
8 government accounting standard -- government
9 accounting standards finding.
10 It empowers the Authority to improve its
11 risk management practices with respect to the three
12 reserve funds by allowing the Authority when there
13 is a claim to take funds out of one or more of the
14 various funds.

15 This was discussed, as Chairman Knox
16 mentioned, in the Direct and Alternative Financing
17 Committee. The Resolution also asks, pursuant to
18 the Authority's statute, to create an Advisory
19 Council; and I've recommended Chairman Knox, our
20 Navy veteran, to head that up, and that is what the

21 request is.
22 The bill has not yet been sent to the
23 Governor's Office. It is traditional to allow the
24 Governor, before a bill actually goes to him, time

MARZULLO REPORTING AGENCY (312) 321-9365

1 to consider, but we have been in conversations and
2 in communication with the Governor's Office. Any
3 questions?

4 Item No. 15 is the Code of Personal
5 Conduct. Earlier in the meeting we noted that this
6 is going for an informational item, rather than a
7 Resolution seeking the adoption of this for
8 Authority employees.
9 Towards the end of last week, there were
10 some communications within State government, and
11 this code was being promulgated among the various
12 departments and agencies of State government.

13 We were setting the agenda at that time,
14 and since we did not have a full picture at that
15 time, I put it on the agenda as a resolution.
16 Things have subsequently -- I think it subsequently
17 clearer that the Authority has some time to consider
18 it.

19 So that's why it is in your Board book,
20 and I think possibly we will consider this in July
21 or August, in the next month or two. I'll take any
22 questions.

23 CHAIRMAN FUNDERBURG: Okay. Thank you,
24 Mr. Meister. If there are no other questions, then

MARZULLO REPORTING AGENCY (312) 321-9365

1 I would like to request a motion to pass and adopt
2 the following Projects and Resolutions 1 through 5
3 and 7 through 14. Is there such a motion?

4 GOETZ: So moved.

5 KNOX: Second.

6 FLETCHER: Mr. Goetz on the motion, and

7 Mr. Knox on the second. I will call the roll.

8 Mr. Anderberg?

9 ANDERBERG: Yes.

10 FLETCHER: Ms. Bronner on the phone?

11 BRONNER: Yes.

12 FLETCHER: Mr. Goetz?

13 GOETZ: Yes.

14 FLETCHER: Ms. Juracek?

15 JURACEK: Yes.

16 FLETCHER: Mr. Knox?

17 KNOX: Yes.

18 FLETCHER: Mr. McCoy?

19 MCCOY: Yes.

20 FLETCHER: Mr. Poole?

21 POOLE: Yes.

22 FLETCHER: Mr. Zeller?

23 ZELLER: Yes.

24 FLETCHER: And Mr. Chairman?

MARZULLO REPORTING AGENCY (312) 321-9365

1 CHAIRMAN FUNDERBURG: Yes.

2 FLETCHER: Mr. Chairman, the motion carries.

3 CHAIRMAN FUNDERBURG: Okay, thank you. At this

4 point, Mr. Goetz is going to excuse himself from the

5 room.

6 GOETZ: Do I have to state the reason?

7 CHAIRMAN FUNDERBURG: Yes, please.

8 GOETZ: I'm recusing myself because my son

9 works for the company that is the financial advisor

10 to Presence.

11 CHAIRMAN FUNDERBURG: Okay, thank you.

12 Ms. Lenane?

13 FLETCHER: So we'll note for the record Member

14 Goetz has recused himself from deliberations. He

15 has left the room at this time.

16 LENANE: This is Tab 6 in your book. Presence

17 Health Network is requesting a Preliminary Bond

18 Resolution to approve a series of tax-exempt and

19 taxable bonds in the amount of approximately

20 \$1.2 billion to refund all or a portion of their

21 outstanding bonds, including the Series 2016 bonds

22 that we just approved and issued -- approved at our

23 May 24th Special Board Meeting.

24 The bonds were issued and closed on

MARZULLO REPORTING AGENCY (312) 321-9365

1 May 26th. It was a record time for a bond closing.

2 From start to finish, 10 days, and it was

3 complicated. The new series of bonds may also fund

4 new money projects and pay cost of issuance, but

5 we'll see that when we get the Final Bond

6 Resolution.

7 I would just like to mention that

8 Presence, and everybody involved, is very grateful
 9 to the Board for coming together for the Special
 10 Board Meeting. It was very critical for them to be
 11 able to post a clean audit, which they did on
 12 May 27th.
 13 This bridge financing allowed them to do
 14 it. So I note they are all very grateful. They
 15 will be here in July. Presence, as we know, is the
 16 largest Catholic health system based in Illinois, as
 17 well as the largest provider the Medicaid services
 18 and behavioral healthcare services in Illinois.
 19 They employ 20,000 people. They operate
 20 11 acute care hospitals and 27 semi or care services.
 21 They have hospitals in Des Plaines, Evanston,
 22 Aurora, Elgin, Joliet, Kankakee, Urbana, Danville
 23 and of course Chicago.
 24 Presence's current ratings are Baa2 by
 MARZULLO REPORTING AGENCY (312) 321-9365

¶

12 this, which is getting longer and longer, we've
 13 never issued \$1.2 billion worth of bonds in
 14 healthcare. We've gotten close, \$800, \$900, but so
 15 it's quite a moment.
 16 And the whole transaction -- both
 17 transactions taken together are really quite
 18 special, and we've done a very good thing. Presence
 19 serves a lot of needy populations obviously from
 20 what I said. The Presence folks were here at last
 21 month's Board meeting, the new CEO and CFO.
 22 Today their financial advisor and their JP
 23 Morgan Chase investment banker were at the
 24 Tax-Exempt Bond Committee. They had to get back to
 MARZULLO REPORTING AGENCY (312) 321-9365

¶

1 Moody's, BBB minus by S&P, BBB by Fitch. Presence,
 2 however, will be going to the rating agencies to
 3 seek reaffirmation, a bond -- new bond ratings based
 4 upon their current plan of finance.
 5 I think Presence plans to structure the
 6 transaction over the next few weeks and return to
 7 the Authority for a Final Bond Resolution in
 8 July '14. I would just like to note --
 9 MEISTER: 2016.
 10 LENANE: Did I say 15? Oh, '14. 2016, yeah.
 11 I would just like to say in my history of doing
 Page 45

1 get on a 10:30 Presence call, working group call,
 2 but we do have here our Bond Counsel, Jim Broeking.
 3 BROEKING: We're borrower's counsel. We're in
 4 the deal.
 5 LENANE: You're in the deal. You're the
 6 borrower's counsel.
 7 GOETZ: With Nixon Peabody.
 8 LENANE: With Nixon Peabody, yes.
 9 MEISTER: And, Pam, I think that Bond Counsel
 10 is over there.
 11 LENANE: Oh, no, I think David Kates says he's
 12 not going to let him work on this deal.
 13 MEISTER: Okay.
 14 LENANE: But Michel is here on behalf of
 15 Presence also. So are there any questions?
 16 CHAIRMAN FUNDERBURG: I think we've covered
 Page 46

17 that. Thank you very much. Well done and
18 congratulations.
19 LENANE: Thank you.
20 CHAIRMAN FUNDERBURG: Okay. At this point, if
21 there are no further questions, I would like to ask
22 for a motion to pass and adopt the Project and
23 Resolution No. 6.

24 ANDERBERG: So moved.
MARZULLO REPORTING AGENCY (312) 321-9365

1 KNOX: Second.
2 CHAIRMAN FUNDERBURG: Okay. All in favor,
3 please say aye.
4 (A chorus of ayes.)
5 CHAIRMAN FUNDERBURG: We're going to take the
6 roll.
7 FLETCHER: So on the motion by Mr. Anderberg
8 and seconded by Mr. Knox, I believe, I will call the
9 roll. Mr. Anderberg?
10 ANDERBERG: Yes.
11 FLETCHER: Mr. Bronner on the phone?
12 BRONNER: Yes.
13 FLETCHER: Ms. Juracek?
14 JURACEK: Yes.
15 FLETCHER: Mr. Knox?
16 KNOX: Yes.
17 FLETCHER: Mr. McCoy?
18 MCCOY: Yes.
19 FLETCHER: Mr. Poole?
20 POOLE: Yes.

21 FLETCHER: Mr. Zeller?
22 ZELLER: Yes.
23 FLETCHER: And Mr. Chairman?
24 CHAIRMAN FUNDERBURG: Yes.
MARZULLO REPORTING AGENCY (312) 321-9365

1 FLETCHER: Mr. Chairman, the motion carries.
2 CHAIRMAN FUNDERBURG: Okay, thank you. Any
3 other business to come before the Board? If not,
4 then I would like to request a motion to excuse the
5 absences of the Members unable to participate today.
6 Is there such a motion?
7 KNOX: So moved.
8 CHAIRMAN FUNDERBURG: By Mr. Knox.
9 POOLE: Second.
10 CHAIRMAN FUNDERBURG: Seconded by Mr. Poole.
11 All in favor, please say aye.
12 (A chorus of ayes.)
13 CHAIRMAN FUNDERBURG: Any opposed?
14 (No response.)
15 CHAIRMAN FUNDERBURG: Any public comment? I do
16 not hear any public comment. So this point, I would
17 like to mention that our next meeting is scheduled
18 for July 14th, 2016, and I would like to ask for a
19 motion to adjourn.
20 ZELLER: So moved.
21 MCCOY: Second.
22 CHAIRMAN FUNDERBURG: All in favor, please say
23 aye.
24 (A chorus of ayes.)

1 CHAIRMAN FUNDERBURG: The meeting is adjourned.
 2 Thank you all very much.

FINANCIAL ANALYSIS

July 14, 2016

V. PRESENTATION AND CONSIDERATION OF THE FINANCIAL REPORTS
MONTHLY AND ANNUAL SUMMARY AS OF MAY 31st and JUNE 30, 2016*

*All information is **preliminary and unaudited**.

FISCAL YEAR 2016-UNAUDITED**1. GENERAL OPERATING FUND REVENUES, EXPENSES AND NET INCOME**

- a. **Estimated Total Annual Revenues** equal \$5.3 million and are \$314 thousand or 6% higher than budget due primarily to higher closing fees in June. Closing fees year to date of \$3.7 million, are \$400 thousand or 12% higher than budget. **Estimated** annual fees of \$327 thousand are \$30 thousand lower than the budgeted amount. Administrative service fees are \$114 thousand for the year and are nearly 7 times higher than budget. Applications fees total \$54 thousand and are nearly double the budgeted amount, due mostly to new Fire Truck and Ambulance loans. **Estimated** total accrued interest income from the former IRBB local governments and others totaled \$922 thousand. Net investment income stands at \$149 thousand for the fiscal year and is \$36 thousand lower than budget.
- b. In **June**, the Authority generated \$479 thousand in closing fees, the second highest monthly total in FY16, and higher than the monthly budget of \$276 thousand. Closing fees were received from: *Northwest Community Hospital* for \$138 thousand; *American Academy of Pediatrics* for \$105 thousand; *UnityPoint Health/Iowa Health System* for \$101 thousand; *Rush University Medical Center* for \$79 thousand; *Lake Forest Academy* for \$52 thousand and *Agriculture-relating closings* for \$4 thousand. Investment information for June is not yet available, but in May, we recorded a modest net investment gain of \$1 thousand.
- c. **Estimated Total Annual Expenses** of \$4.3 million, which is \$693 thousand or 14% lower than budget, are mostly driven by vacant budgeted staff positions and delays in IT projects and purchases. **Estimated** year to date expenses include employee expenses totaling \$1.8 million and 24% under budget and professional services expenses also totaling \$1.8 million and 1.1% over budget, respectively. **Estimated** annual occupancy costs of \$237 thousand are 5% lower than the budget, while **estimated** general and administrative costs are \$392 thousand for the year, which is 1% under budget. Total cash transfers out of the General Operating Fund to the Primary Government Borrowing Fund (set up to track financial activity on behalf of the State of Illinois) are \$5.13 million. Total cash transfers out of the General Operating Fund to the DACA Loan Fund are \$1.2 million.
- d. In **June**, the Authority recorded **estimated** operating expenses of \$466 thousand, which is higher than the monthly budgeted amount of \$419 thousand. This month, the Authority began recording year end accruals and the payment for the FY14/15 Financial Audit and Compliance Examination, of \$195 thousand, was made to the Office of the Auditor General.
- e. **Total Estimated Monthly Net Income** of \$104 thousand is driven by higher closing fees.
- f. **Total Estimated Annual Net Income** is **\$1 million**. The major driver of the annual positive bottom line continues to be the level of overall spending at 14% below budget, as well as higher closing fees and other fees as compared to prior year.

¹**Operating Revenues and Expenses** are direct results of our basic business operations. **Non-Operating Revenues and Expenses** are netted against each other and include interest and investment income and expenses, bad debt adjustments, transfers to the State of Illinois and realized/unrealized gains and losses on investments. **Net Income/ (Loss)** is our bottom line.

Funds in the amount of \$1.3 million were allocated in the Local Government Borrowing Fund for the City of Blue Island. Liabilities (current and non-current) total just \$818 thousand.

4. YEAR TO DATE ACTIVITY FOR ALL OTHER FUNDS

- a. In accordance with governmental accounting standards, the "Other State of Illinois Debt Fund" is comprised of bond activity for the Illinois Environmental Protection Agency (IEPA), the Illinois Medical District Commission (IMDC) and Northern Illinois University Foundation (NIUF). The majority of the activity in this fund derives from the Clean Water Initiative (CWI) bonds for IEPA. Total assets and liabilities in this fund each total \$146.4 million.
- b. The Locally Held Fire Truck and Ambulance Revolving Loan Funds have total year to date receipts of \$374 thousand, with the funds earning an additional \$28 thousand in net investment income. In FY16, 28 new Fire Truck revolving loans were issued totaling \$7.5 million. Additional loans are pending the Authority's final administrative review. In conjunction with the Office of the State Fire Marshal, 13 new Ambulance loans totaling \$1.7 million will be tentatively disbursed in July 2016. Net position of \$22.5 million for Fire Truck and \$4.2 million for Ambulance, are reported on the Authority's balance sheet.
- c. In accordance with the Master Loan Agreement for the Authority's Illinois Housing Partnership Fund, the Authority has formally invoiced the City of the Chicago for the remaining \$3,000,000 payment due on or before August 1, 2016. The City has formally acknowledged the debt in writing to the Authority and via the annual external audit confirmation for a number of years agreeing to the balance owed. Payment is expected as scheduled, but additional steps may need to be taken to actually retrieve the funds. The Authority's legal counsel is currently working on the issue.
- d. The Illinois Agricultural Loan Guarantee Fund and the Illinois Farmer Agribusiness Loan Guarantee Fund include restricted assets held by the State Treasurer, to make payouts of losses, in relation to the Authority's agricultural loan guarantee program. Per the FY2015 litigation settlement payout of \$155 thousand disbursed from the Industrial Project Insurance Fund, the Authority has received reimbursement of these funds from the Illinois Comptroller on behalf of the Agriculture Funds. In addition, the Agribusiness Fund includes a loss reserve of \$563 thousand, for any potential loan loss payouts. Restricted net position for these funds totals \$10.2 million and \$7.9 million respectively.
- e. All other nonmajor funds booked combined year to date revenues of \$191 thousand, of which, \$156 thousand is derived from investment activity. Year to date expenses total \$22 thousand as of May. Total Net Position in the remaining nonmajor funds is \$39.6 million.

FINANCING SUMMARY

Structure/ Security: The Series 2016 Bond will be purchased directly by **Wintrust Bank** (the “**Bank**” or “**Bond Purchaser**”). The Bank is expected to be secured by a first lien on all general business assets including Cash and Investments and Real Estate of Mount Carmel High School.

Mount Carmel Educational Foundation, Inc. will provide a guarantee of repayment on the Series 2016 Bond.

Interest Rate: Wintrust Bank will establish a variable interest rate, reset every month, for an initial term of 5 years.

Mount Carmel High School has engaged Ziegler Capital Markets to provide guidance in connection with synthetically fixing the interest rate, currently estimated at between 2.50% and 3.50%.

Maturity: For parameter purposes in the Resolution, the final maturity of the Bond will be not exceed 31 years, but is expected to be August 1, 2046.

Estimated Closing Date: July 2016

Rationale: The savings attained from issuing the proposed Series 2016 Bond versus undertaking conventional debt will reduce monthly payments that will help Mount Carmel High School keep its fixed charges (including debt service payments) as low as possible. The savings from a tax-exempt financing will also free up cash to be used for other projects that will enhance the campus.

As presently contemplated, capital improvements to be financed with proceeds of the Series 2016 Bond include any or all of the following: renovation of the lower level electrical room to accommodate an upgrading of electrical service to main building; discovery work in the main building - coring floors, coring walls, examining current supporting walls and steel structures; demolition of second boiler; preliminary work on vertical risers for mechanical, electrical, and plumbing renovations which will facilitate future renovations in all classrooms, offices and washrooms; asbestos removal on third floor; renovation of third floor classrooms, including new electrical service, installing new hot water heating system, a new wall, floor and ceiling finishes, and installation of new technologies and furniture; finishing the installation of electrical and plumbing risers which will require infrastructure routing from the lower level mechanical room to run horizontally through the pool area and connect to the riser shaft in order to feed each floor's mechanical improvements; and installation of a second (replacement) boiler.

BUSINESS SUMMARY

Background: Mount Carmel High School (“**Mount Carmel**”, the “**Borrower**” or the “**School**”) was established in 1900 and is incorporated under State of Illinois law. The Borrower is a 501(c)(3) not-for-profit corporation exempt from federal income taxes under the Internal Revenue Code.

The Province of the Most Pure Heart of Mary (the “**Society of Mount Carmel**” or “**Society**”) is a religious congregation of men. The Society is the sole corporate member of Mount Carmel High School and owns the land and the original buildings occupied by the Borrower.

Mount Carmel is managed by an 18-member Board of Directors (see p. 6).

Description: Mount Carmel is a private college preparatory school for boys located near The University of Chicago and the Museum of Science and Industry. Mount Carmel is accredited by the North Central Association of Schools and Colleges, the Illinois State Board of Education, and the National Catholic Education Association.

Mount Carmel's mission has always had three components. As a Catholic school, it strives to develop faith and character in every student. As an all-boys institution, the School focuses on instructional practices that successfully motivate young men toward success, and provides activities that tap the creative and kinetic aspiration of boys. As a college-preparatory high school, it offers a curriculum that serves the educational needs of young men from varying backgrounds and academic abilities. These three components are expressed in the School's mission: “Live with zeal for God, for life and for learning”.

Mount Carmel has a long standing history with it originally opening in the fall of 1900. At the request of Archbishop Patrick E. Feehan, the Carmelites established St. Cyril College. There were only 13 students and five priest teachers in the first year and by 1902 the class size grew to 137 students and 11 faculty members. By December 1922 it was decided that there was an immediate need for a new St. Cyril High School building. By the spring and summer of 1924 the new school was constructed and in November 1924 the new school was dedicated as Mount Carmel High School.

In the 1950's and 1960's, Mount Carmel saw the addition of two buildings: the Student Center and the two-story Learning Center. From 1969 to present, the campus has gradually been enlarged, beginning with the student parking lot and the athletic field on the south end of the property. As a result of a Capital Campaign Case Study that began in 1988, the campus was further expanded to include the Scott School property, the construction of a new monastery for the Carmelites in 1992, and the addition of the Graham Center, a new science and computer center on the site of the old Carmelite Monastery. In 2005, the Convocation Center and the McCarthy wing opened. The McCarthy wing contains science and computer labs as well as athletic offices. The Convocation Center contains Gilmore Hall, which houses the President's Office as well as the Advancement Office, the Student Commons and the Cacciatore Athletic Center.

Mount Carmel currently has plans to continually expand the campus including renovation the main school building, the addition of a new library and technology center, and the addition of a new Fine Arts center.

Mount Carmel’s enrollment for the 2015-2016 Academic Year was 657 students, comprised of 162 freshman, 187 sophomores, 152 juniors, and 156 seniors.

Mount Carmel is current on payments relating to the IDFA Series 2003 Bonds as of 7/1/2016 and has made all payments as scheduled.

PROJECT SUMMARY

The Series 2007 Bonds were issued to finance the construction and equipping of a student housing facility expansion (Newman Hall).

BUSINESS SUMMARY

Background: In 1905, students attending the University of Illinois at Urbana-Champaign (“UIUC”) founded the first organization for Catholic Students, named for John Henry Newman, a Roman Catholic Cardinal from the 19th century. Today, Newman Centers can be found at most large public universities. Of the estimated 1,700 Catholic ministries located on public university and non-Catholic private campuses, the Newman Foundation is the 3rd oldest.

In 1927, a complex was built at UIUC consisting of St. John’s Catholic Chapel (seating of 1,000) and Newman Hall (a student residence). The Newman Center is located in the heart of the UIUC campus: directly across from the Library and the Armory; less than one block from the Quad, Foellinger Auditorium, and most classroom buildings; and only two blocks from the heart of campus. The hall was expanded in 2008 to the current 581 bed capacity.

Newman Hall is one of 16 Private Certified Housing facilities included as part of the University’s housing program. Private Certified Housing meets standards set by UIUC for all students, including freshmen. Within any given year approximately 27% of the entering freshman class chooses to live in one of Private Certified Housing facilities. Freshman enrollment for the fall of 2015 was 7,222; undergraduate enrollment was 32,878; and total enrollment was 43,123. Freshmen are required to spend their first 30 academic hours in University or Private Certified Housing. Students may transfer to Newman Hall (when there is a vacancy) without penalty. The University’s Private Certified Housing requires standards be met for safety, space/amenities, and programming/supervision. All students must be eligible to apply for private certified housing, regardless of religion.

PROJECT SUMMARY (FOR FINAL BOND RESOLUTION)

Bond proceeds will be used by **Presence Health Network** ("Presence" or the "Borrower") to (i) refund all or a portion of the Presence outstanding bonds, (ii) new money proceeds, and (iii) pay costs of issuance.

BUSINESS SUMMARY

Background: Presence Health Network is the largest Catholic healthcare network in the State of Illinois, comprising 12 hospitals, 27 long-term care and senior residential facilities, and over 100 total locations around the State. The combined health system has hospital operations throughout Chicago, as well as in Des Plaines, Evanston, Aurora, Elgin, Joliet, Kankakee, Urbana and Danville.

Presence Health Network is currently the largest provider of Medicaid services and behavioral healthcare services in Illinois.

Key Components of Operating Loss:

A new Presence Health leadership team started in 4Q 2015 and began a thorough review of its financials, resulting in several accounting adjustments. This led to a \$185MM operating loss for FY2015, key components of which include: \$96MM in Accounts Receivable & Contractuals, \$44MM in Medical Malpractice, and \$26MM in Other Balance Sheet Adjustments. Reasons for the adjustments include a change in reserve methodology, prior year adjustments, write-offs. Due to the dollar amount of these adjustments, there was a possibility of violations related to certain financial and reporting covenants in its various lending agreements. In May of 2016, bank debt was restructured, and the MTI covenant was amended to eliminate the requirements for the fiscal year ended December 31, 2015. It is important to note these are "technical defaults" – Presence has approximately \$882 million in cash and investments and has made all scheduled principal and interest payments.

Key Initiatives:

Management has identified performance improvement opportunities in excess of \$180M per year over a two year period with a total of \$50-90M in Revenue Cycle, \$30-40M in Strategic Pricing, \$30-40M in Supply Chain, \$50-70M in Labor and \$10-15M in Other Initiatives. Presence is in the process of implementing these expeditiously with the assistance of several external resources, including Crowe Horwath, Huron Healthcare and Xtend Healthcare.

BUSINESS SUMMARY

Riverside Health System ("RHS") is the parent corporation of a regional health system operating in the far southern portion of the Chicago metropolitan market and headquartered in Kankakee. RHS is the sole corporate member of **Riverside Medical Center ("Medical Center")**, **Oakside Corporation ("Oakside")**, **Butterfield Service Corporation ("Butterfield")** and **Riverside Senior Living Center ("Living Center")**. **Riverside Medical Center Foundation** (the "**Foundation**") is a not-for profit organization serving in an agency capacity by holding and managing certain investment assets contributed for the benefit of the Medical Center. All of these entities except for Butterfield Service Corporation are Illinois not-for-profit corporations and are organized as described under Section 501(c)(3) of the Internal Revenue Code. Butterfield is an Illinois business corporation.

In 1989, RHS, the Medical Center and Oakside became the initial members of an obligated group (the "**Obligated Group**") established under a Master Trust Indenture dated as of December 15, 1989, among RHS, the Medical Center, Oakside and The Bank of New York Mellon Trust Company, N.A., as successor master trustee (as amended and supplemented from time to time, the "**Master Indenture**"). The Living Center became a member of the Obligated Group in 1990. Butterfield and the Foundation are not members of the Obligated Group.

The Medical Center owns and operates a general acute care hospital in Kankakee, Ill., which is licensed for 312 beds, of which 247 beds are currently staffed. In addition to the main hospital facility, the Medical Center operates the Resolve Center in Manteno, Illinois, which houses an 18-bed licensed inpatient substance abuse program and associated outpatient services. The Medical Center also operates Riverside Ambulance which provides ambulance service to the Medical Center's primary service area from remote locations in Momence, Bradley, St. Anne, Herscher, Chebanse, and Ashkum. Riverside Ambulance is also responsible for 16 communities through its Emergency Medical Service System. In addition, the Medical Center operates multiple community, primary and specialty health centers located in Kankakee, Bourbonnais, Manteno, Monee, Momence, Hopkins Park, Watseka, Gilman, Wilmington, Peotone and Coal City.

The Medical Center also owns the Atrium Building in Bradley, Illinois which provides medical office space, space for a joint venture single-specialty ambulatory surgery center, and industrial medicine services. Located in Bourbonnais and owned by the Medical Center is the Medical Plaza, a comprehensive ambulatory campus which

includes radiation therapy, diagnostic imaging, ambulatory surgery, and physician office space. Located in Coal City and owned by the Medical Center is the West Campus, consisting of a state of the art diagnostic imaging center, and physician’s office complex.

In 2011, the Medical Center opened a new multi-specialty physician and cancer infusion center in its southern market located in Watseka, Illinois. The facility provides diagnostic services including lab and CT. In December of 2012 the Medical Center expanded services at the Watseka Center to include physical therapy, additional radiology, a two suite sleep center, primary care physicians, and mid-level providers.

Oakside operates the 70,000 square foot Riverside Health Fitness Center located in Bourbonnais, Illinois. Additionally, Oakside operates a community counseling program, a commercial pharmacy, a health equipment sales and leasing program, a retail audiology/hearing and balance program and supports the new business activities of other affiliates.

Living Center was incorporated in 1989 and owns and operates a senior living community that includes 90 independent living apartments known as Westwood Oaks, 96 assisted living apartments known as Butterfield Court, 21 ranch style family homes for seniors known as Westwood Estates and a 160-bed nursing facility. The senior living community is located directly across from the Medical Center in Kankakee and was constructed in phases beginning in 1990. In Fall 2014, Living Center opened an Assisted Living and Memory Care Campus in Bourbonnais consisting of 48 studio units for Memory Care and 32 Assisted Living units.

There are no activities or services currently operated by Butterfield.

From growth and investments in new programs and service lines, RHS has added 331 new FTE's since 2012.

The Riverside HealthCare Foundation (RHCF) raises funds for RHS and its affiliates. From 2013 to 2015 the RHCF had total revenues of \$6.39 million and provided \$2.9 million in support of programs and initiatives for Riverside. RHCF has also committed up to \$0.70 million to support Neurosurgery advancements in 2016. The Foundation had assets of \$18.6 million as of December 31, 2015.

BUSINESS SUMMARY

Background: On December 1, 2015 Presbyterian Homes, a newly formed Illinois not-for-profit corporation formerly named PH Transition NFP (the “**Corporation**”) became the sole member directly or indirectly of six subsidiaries (the “**System**”), which together provide residential and health care programs for older adults in Illinois. The System has expanded significantly since 1922 to the present day.

The Obligated Group location is listed below.

The Moorings of Arlington Heights, LLC

A Life Plan Community located in Arlington Heights, Illinois, a northwest suburb of Chicago, occupies a 45-acre parcel of land just east of Northwest Community Hospital. The Moorings of Arlington Heights consists of independent living, assisted living, memory care and short- and long-term nursing care.

Independent living consists of 273 apartments and villas, ranging in size from 530 square feet to more than 2,000 square feet. Additionally, some villas have full basements, two car garages and patios.

Common area amenities include formal and casual dining rooms, living rooms, a lecture hall, fitness and therapeutic center with exercise equipment, swimming pool and whirlpool, a library, computer and business center, gift shop and beauty salon. Services include flexible dining options, housekeeping and complete maintenance services, transportation as well as planned social and educational activities and programs. The property features two small lakes, winding walking paths, a large community garden and a historic round barn.

Assisted living consists of 42 studio and one-bedroom apartments. Assisted living/sheltered care is licensed by the State of Illinois. Assisted living services and amenities are similar to, but separate from, independent living because proximity to amenities is important to frail assisted living residents.

The balance of the continuum of care includes 60 skilled, Medicare licensed, nursing care beds for those who need skilled nursing care or short-term rehabilitation services, 39 intermediate and memory care beds for those needing less intense nursing care or memory support for cognitive impairments like Alzheimer’s disease. Nursing care beds not occupied by contractual residents are marketed to the outside community.

Memorandum

asTo: IFA Board of Directors

From: Rich Frampton & Brad R. Fletcher

Date: July 14, 2016

Re: Resolution Authorizing and Approving the Execution and Delivery of a First Amendment to Amended and Restated Bond and Loan Agreement and Related Documents, which Amends Certain Provisions of that Certain Amended and Restated Bond and Loan Agreement Dated as of June 1, 2011 under which the Industrial Development Revenue Bonds (MAAC Machinery Co., Inc. Project), Series 2006 Issued by the Illinois Finance Authority (the "Bonds") were Amended and Sold to JPMorgan Chase Bank, N.A.
IFA Series 2006 File Number: I-ID-TE-CD-6023 or 11511

Request:

590 Tower Boulevard, LLC, an Illinois limited liability company (the "**Borrower**") and **JPMorgan Chase Bank, N.A.** (the "**Bond Purchaser**") are requesting approval of a Resolution to authorize execution and delivery of a First Amendment to the Amended and Restated Bond and Loan Agreement to (i) amend the interest rate and amortization schedule on the Illinois Finance Authority Revenue Bond (MAAC Machinery Co., Inc. Project), Series 2006 (the "**Series 2006 Bond**") as approved by the Bond Purchaser. The accompanying Resolution will also authorize execution and delivery, if necessary, of (ii) a revised Bond in substantially the form set forth in the First Amendment to the Amended Bond and Loan Agreement (the "**Amended Bond**") and (iii) a document setting forth the agreement and certification of the parties thereto relating to certain federal tax matters (the "**Tax Certificate**").

MAAC Machinery Company, Inc. (the "**Operating Company**" and "**Corporate Guarantor**") is the tenant at the Borrower's 45,000 square foot manufacturing facility. The Borrower and the Operating Company are under common ownership.

The original par amount of the Village of Carol Stream Industrial Project Revenue Bonds, Series 1999 (MAAC Machinery Co., Inc. Project) (the "**Series 1999 Bonds**") issued on behalf of the Borrower was \$2,800,000. The Series 1999 Bonds were later refunded by the IFA Series 2006 Bond issued through a direct purchase structure with First Midwest Bank. Then, in 2011, IFA approved an Amended and Restated Bond and Loan Agreement whereby JPMorgan Chase Bank, N.A. purchased the IFA Series 2006 Bond and reset the interest rate through June 23, 2016. The outstanding principal balance was approximately \$1,700,000 as of 7/1/2016.

Impact:

Approval of this Resolution will cause the interest rate to be reset through June 23, 2021 and the weighted average maturity of the Series 2006 Bond to be extended. As a result, a new public hearing will be held (as required by Section 147(f) of the Internal Revenue Code of 1986, as amended). IFA's estimated administrative fee for this transaction will be \$5,000. Additionally, these actions will not require an allocation of the Authority's 2016 Volume Cap.

Background:

Proceeds of the Series 1999 Bonds were lent to the Borrower and the Operating Company to finance the cost of acquiring land and constructing thereon a manufacturing facility located in Carol Stream, Illinois and acquiring various equipment for use therein (the "Project").

All payments relating to the IFA Series 2006 Bond, which refunded the Village of Carol Stream Series 1999 Bonds, are current and have been paid as scheduled.

IFA RESOLUTION NO. 2016-0714_AD__

RESOLUTION AUTHORIZING AND APPROVING THE EXECUTION AND DELIVERY OF A FIRST AMENDMENT TO AMENDED AND RESTATED BOND AND LOAN AGREEMENT AND RELATED DOCUMENTS, WHICH AMENDS CERTAIN PROVISIONS OF THAT CERTAIN AMENDED AND RESTATED BOND AND LOAN AGREEMENT DATED AS OF JUNE 1, 2011 UNDER WHICH THE INDUSTRIAL DEVELOPMENT REVENUE BONDS (MAAC MACHINERY CO., INC. PROJECT), SERIES 2006 ISSUED BY THE ILLINOIS FINANCE AUTHORITY (THE "BONDS"), WERE AMENDED AND SOLD TO JPMORGAN CHASE BANK, N.A.

WHEREAS, the **ILLINOIS FINANCE AUTHORITY** (the "Authority") a body politic and corporate duly organized and validly existing under and by virtue of the laws of the State of Illinois (the "State"), including, without limitation the Illinois Finance Authority Act, 20 ILCS 3501/801-1, as supplement and amended (the "Act"), is authorized by the laws of the State, including, without limitation, the Act, to issue its bonds for the purpose set forth in the Act and to permit the expenditure of the proceeds thereof to defray, among other things, the cost of the acquisition and improvement of "industrial projects" as defined in the Act; and

WHEREAS, **590 TOWER BOULEVARD, L.L.C.**, an Illinois limited liability company (the "Borrower"), has requested that the Authority amend its Illinois Finance Authority Revenue Bonds (MAAC Machinery Co., Inc. Project), Series 2006 (the "Bonds"). The Bonds financed the cost of acquiring land and constructing thereon a manufacturing facility located in Carol Stream, Illinois and acquiring various equipment for use therein; and

WHEREAS, the Bonds were sold to JPMorgan Chase Bank, N.A. (the "Purchaser") in whole; and

WHEREAS, a draft of the following document is hereby presented to the Authority at this meeting and attached to this Resolution (the "Authority Document"):

Amended and Restated Bond and Loan Agreement between the Authority, the Borrower and the Purchaser dated as of June 1, 2011 shall be amended by that certain First Amendment to Amended and Restated Bond and Loan Agreement (the "Bond and Loan Agreement"), substantially in a form approved by the Authority in similar transactions and on file with the Authority, under which parties agreed to amend the Interest Rate and Amortization Schedule on the Bonds, all as more fully described in the Authority Document.

NOW, THEREFORE, BE IT RESOLVED by the Illinois Finance Authority as follows:

Section 1. Findings. Based solely on the representations made by the Borrower, the Authority hereby makes the following finds and determinations with respect to the Borrower, the Bonds to be amended by the Authority and the facilities refinanced with the proceeds of the Bonds:

(a) The Borrower is an Illinois limited liability company organized under the laws of the State of Illinois and is qualified to do business in the State of Illinois;

(b) The Borrower has properly filed with the Authority its request for assistance in providing funds to the Borrower which the Borrower will use for the purposes aforesaid; and

(c) The Bonds were issued for a valid purpose under and in accordance with the provisions of the Act.

Section 2. Bonds. The Bonds shall be amended and secured by and shall have the terms and provisions set forth in the Authority Document (the “Amended Bonds”).

The Amended Bonds shall be executed on behalf of the Authority by the manual or facsimile signature of its Executive Director and attested by the manual or facsimile signature of its Assistant Secretary, and may have the corporate seal of the Authority impressed manually or printed by facsimile thereon.

The Bonds and the interest thereon shall be a limited obligation of the Authority, payable solely out of the revenue and receipts derived by the Authority pursuant thereto as described in the Bond and Loan Agreement, as amended. The Bonds shall not in any respect be a general obligation of the Authority, nor shall they be payable in any manner from funds raised by taxation. No holder of the Bonds has the right to compel the exercise of the taxing power of the State or any political subdivision thereof to pay the Bonds, the interest or premium, if any, thereon. The Bonds do not constitute in any respect an indebtedness of the Authority or a loan of credit thereof within the meaning of any constitutional or statutory provision.

Section 3. Authority Document. The Authority does hereby authorize and approve the execution by its Executive Director, or any person authorized by a Resolution of the Authority (each an “Authorized Officer”) and the delivery and use of the Authority Document. The Authority Document shall be substantially in a form previously approved by the Authority in similar transactions, which form is on file with the Authority, or with such changes therein as shall be approved by the Authorized Officer of the Authority executing the same, with such execution to constitute conclusive evidence of such person’s approval and the Authority’s approval of any changes or revisions therein from the form of such Authority Document attached hereto, and to constitute conclusive evidence of such person’s approval and the Authority’s approval of the terms of the Bonds and the purchase thereof.

Section 4. Authorization and Ratification of Subsequent Acts. The Members, officers, agents and employees of the Authority are hereby authorized and directed to do all such acts and things and to execute or accept all such documents (including without limitation the execution and delivery of a document setting forth the agreement and certification of the parties thereto relating to certain federal tax matters) as may be necessary to carry out and comply with the provisions of these resolutions, the Authority Document, and all of the acts and doings of the Members, officers, agents, and employees of the Authority which are in conformity with the intent and purposes of these resolutions, whether heretofore or hereafter taken or done, shall be and are hereby authorized, ratified, confirmed and approved.

Section 5. Approval of Acts. All acts of the officials of the Authority which are in conformity with the purposes and intent of this Resolution and in furtherance of the Amended Bonds, and the same hereby are, in all respects, approved and confirmed.

Section 6. Severability. The provisions of this Resolution are hereby declared to be separable and if any section, phrase or provision shall for any reason be declared to be invalid, such declaration shall not affect the validity of remainder of the sections, phrases and provisions.

Section 7. Repeal of Conflicting Provisions. All resolutions and parts thereof in conflict herewith are hereby repealed to the extent of such conflict.

Section 8. Full Force and Effect. This Resolution shall be in full force and effect immediately upon its passage, as by law provided.

Memorandum

From: Rich Frampton & Brad R. Fletcher

Date: July 14, 2016

Re: Resolution Authorizing the Execution and Delivery by the Illinois Finance Authority of a First Supplemental Indenture of Trust Relating to the Recovery Zone Facility Revenue Bonds (Navistar International Corporation Project) Series 2010, Along with Related Documents
IFA File Number: I-RZ-TE-CD-8395 / 12000

Request:

Navistar International Corporation (the “**Borrower**”), a Delaware corporation, is requesting approval of a Resolution to (i) authorize the execution and delivery of a First Supplemental Indenture of Trust and (ii) approve related documents to effectuate a technical change in the definition of “Disqualified Capital Stock” in connection with the outstanding Illinois Finance Authority Recovery Zone Facility Revenue Bond (Navistar International Corporation Project) Series 2010 (the “**Series 2010 Bonds**”).

The Series 2010 Bonds were sold via a Limited Offering Memorandum, underwritten by Merrill Lynch, Pierce, Fenner & Smith Incorporated (“BofA Merrill Lynch” or the “Underwriter”). The outstanding par amount of the Series 2010 Bonds was \$135,000,000 as of July 1, 2016. IFA will not charge an administrative fee for this technical amendment.

Impact:

Approval of this Resolution will effectuate a change to the definition of “Disqualified Capital Stock” throughout the respective bond documents. Specifically, the change clarifies that Maturity Date in the definition refers to the maturity date of the Senior Notes, i.e. the Borrower’s outstanding 8.25% Senior Notes due 2010 in the aggregate principal amount of \$1,000,000,000.

Background:

Proceeds of the Series 2010 Bonds were used for the purpose (i) financing a portion of the cost of (A) acquiring, constructing, equipping and installing certain capital improvements to, and the construction of various building additions at, certain buildings located in the Village of Lisle, Illinois, for the relocation of the Company’s headquarters, and (B) improving, expanding and equipping an existing warehouse facility located in Joliet, Illinois (collectively, the “Project”), owned or to be owned or leased by the Company or its affiliates, (ii) paying a portion of the interest accruing on the Series 2010 Bonds during construction of the Project and (iii) paying certain costs of issuance of the Series 2010 Bonds.

All payments relating to the IFA Series 2010 Bonds are current and have been paid as scheduled.

Memorandum

To: IFA Board of Directors

From: Chris Meister

Date: July 14, 2016

Re: Resolution Approving and Confirming Various Contracts (Including Contract Extensions and Amendments) and Engagements Relating to Procurements for Professional Services for the State of Illinois Clean Water Initiative State Revolving Fund (“SRF”) and the Regular Business of the Authority, including Financial Advisory Services (SRF and Regular Business of the Authority), Underwriters (SRF), Bond and Issuer’s Counsel (SRF) and Insurance Services (Regular Business of the Authority, including SRF)

**reflects revisions as of July 13, 2016*

1. Financial Advisors Contract Extension (SRF; Regular Business of the Authority)

On April 23, 2014 the Illinois Finance Authority (the “**Authority**” or “**IFA**”) published a Request for Proposals (“**RFP**”) on the Authority’s website and on the Illinois Procurement Bulletin requesting proposals from financial advisory firms with the experience, capability and expertise to provide financial advisory services to the Authority. The Authority’s goal was to provide an “Approved Financial Advisor List” for various financial advisory assignments.

Pursuant to Resolution No. 2014-0513-AD10 approved by the Members of the Authority on May 13, 2014, the Authority approved financial advisory contracts with two firms: Acacia Financial Group, Inc. and Sycamore Advisors, LLC. The contracts were for a two year term with the Authority’s option for a one year extension. The current contracts expire on July 15, 2016. The Executive Director recommends a one year renewal with these two firms.

Annual compensation to the firms will depend on the Authority’s need, the specific services performed and the firm’s rates. The aggregate total for each firm for the renewal period may not exceed \$175,000 (Maximum Amount), subject to increase as may be authorized under applicable procurement regulations. The financial advisors will be advising the Authority in connection with the ongoing business of the Authority as well as on the SRF financing described below.

~~As this approval is for a one year extension of existing contracts, this matter has not been presented for consideration by the Audit, Budget, Finance, Investment and Procurement Committee but has been discussed with the Committee Chair.~~

**[this deleted language was prepared before July 12, 2016 Committee meeting was scheduled and held]*

2. SRF Underwriters Contract Amendment: Senior Manager and Co-Managers

In September, 2012, the Authority published a RFP on the Authority’s website and on the Illinois Procurement Bulletin requesting proposals from underwriting firms to provide investment banking,

underwriting and additional services, such as remarketing, for the SRF program financing. The Authority's goal was to provide an approved list for various SRF program assignments. Of the proposals received, 13 bidders were selected as the approved list of financial institutions from which IFA will select underwriters from time to time for the SRF program financings. There were two levels of underwriters: five senior managers and eight co-managers. Of those, contracts were entered into with four senior managers and eight co-managers. The contracts were for a three year term ending between July 26, 2016 and August 1, 2016. The RFP solicitation provided for a three year term with up to two one-year renewals. The Executive Director recommends that these contracts be amended to extend each for a one year term and this course of action has been authorized by the applicable procurement regulations.

The contracts are with the following firms:

Senior Managers:

Bank of America Merrill Lynch

Citi

J.P Morgan Securities LLC

Morgan Stanley

Co-Managers:

Barclays

Jeffries & Co.

Loop Capital Markets

Morgan Keegan

Piper Jaffray & Company

Ramirez & Co., Inc. (now Samuel A. Ramirez & Company, Inc.)

Siebert Brandford Shank & Co. LLC

Wells Fargo

Compensation for the firms will be determined for each specific financing for which they are selected. Financial advisors are under a regulatory fiduciary duty to negotiate with underwriters in the best interest of their client, in this case the Authority. ~~As the approval for the amendment of these contracts is for a one year term, this matter has not been presented for consideration by the Audit, Budget, Finance, Investment and Procurement Committee.~~

***[this deleted language was prepared before July 12, 2016 Committee meeting was scheduled and held]**

3. SRF Bond Counsel; Authority Counsel, Underwriter, Trustee and Related Engagements.

On April 14, 2016, the Authority approved Resolution 2016-0414-AD10, a Resolution To Approve Going Forward With Procurements For Underwriters and a Trustee, Bond Counsel, Issuer's Counsel and Other Professionals for the State Revolving Fund. Pursuant to that resolution, the Authority solicited proposals (i) from the pool of 35 law firms under contract with the Authority for services as bond counsel on an upcoming SRF financing and (ii) from the approved list of Underwriters described above for services as underwriters on an upcoming SRF financing.

Proposals were received from 11 law firms. The evaluation committee consisted of Pam Lenane (IFA Vice President), Rich Frampton (IFA Vice President), Ximena Granda (IFA Controller) and Kevin Bryant (Water Revolving Fund Finance Manager, Illinois Environmental Protection Agency) assisted by Krysti Rinaldi, the procurement officer from the IEPA. The responses were evaluated based on firm experience on state revolving fund obligations, discussion of legal issues addressed by the proposed transaction and firm qualifications in addressing those issues, team experience and day to day management. The

Executive Director recommends the firm of Katten Muchin Rosenman LLP as bond counsel and the firm of Schiff Hardin as Issuer's counsel on the upcoming SRF financing.

Proposals were also received from the four senior managers and six of the eight firms under contract as co-managers (Jeffries, Loop, Morgan Keegan, Piper, Ramirez and Siebert). The evaluation committee will evaluate the proposals based on firm experience on state revolving fund obligations, presentation of no more than two case studies of relevant SRF transactions which show best practices or firm innovations directly applicable to the proposed transaction, and team experience and day to day management, and, in the case of the senior managers only, discussion of a proposed plan of finance for a SRF bond issue. The Executive Director will present recommendations at the meeting of the Authority.

It is the intent of the Authority, as soon as resources are available, to further test the entire market, to the widest extent possible, for SRF underwriters in a manner that goes beyond this current award from among the current contracts.

Pursuant to a competitive process and Resolution No. 2013-1008-AD11, the Authority entered into contracts with Amalgamated Bank of Chicago as trustee for the SRF program. Said contracts are still in effect. Based on the recommendations of the SRF Financing Team (Financial Advisors, selected underwriters, Bond Counsel and Authority Counsel), we anticipate retaining one or more rating agencies in connection with the upcoming SRF transaction. Subject to applicable procurement regulations, we anticipate that the procurement will be a sole economic source or other acceptable method. The Executive Director seeks authorization to engage such rating agencies.

4. Insurance Broker: Public Officials Liability and Other Coverage.

On June 15, 2016, the Chief Procurement Officer authorized the IFA to proceed with a sole source contract for insurance brokering services and other insurance services with Mesirow Insurance Services, Inc. ("Mesirow"). Under this contract, Mesirow will act as the Authority's insurance broker with respect to the following lines of insurance: General Liability, Automobile (Hired and Non-Owned), Umbrella, Property, Fiduciary, Crime, Public Officials/ Employment Practices Liability, and Public Officials excess liability. The cost for a one year term is not to exceed \$300,000, which includes \$22,900 for an insurance broker's fee and up to \$277,100 for insurance premiums.

***On July 13, 2013, it was announced that Alliant was purchasing the Mesirow Insurance Brokerage business. Based on talks with the Mesirow, this could be completed by August 1, 2016. No change in service or personnel is anticipated but the Authority will inform and ask guidance from the Office of the Chief Procurement Officer, the State's procurement regulator.**
